## **Lost Innocence A Perspective On Child Labour:**

*The Lost Innocence* Nadeem Mohsin, 2002 With reference to India Nanjunda, 2009 Study conducted in Bangalore City of Karnataka India eliminate child labor, 1994 *Child Labour in Urban Informal Sector* Helen R. Sekar, 2004 **Child Labour** Anaclaudia Gastal Fassa, David L. Parker, Thomas J. Scanlon, 2010-07 Child labour constitutes a major public health concern with estimates that world wide 110 million children aged 5-14 years are engaged in labour that can be described as hazardous or intolerable This book examines both the rights oriented and public health perspectives on child labour A rights approach ensures that exploitative and abusive work is considered not just in terms of a labour market or health rights approach but also in terms of human dignity and the solutions that preserve the rights of children and communities The public health approach is steeped in the relationship between individuals and their community seeking to identify how the presence or absence of government programmes and policies affects those involved The economics perspective is also presented early in the book to aid understanding of the causes and consequences of child labour before the alternate public health and sociological views are presented The editors examine factors such as poverty malnutrition social disadvantage gender globalisation and education and look at both physical and psychological threats This book will be of use to academics and students involved in health health policy social sciences and development disciplines Those actively involved public health initiatives such as policy makers and non governmental organisations will also find this an invaluable resource

**Annotated Bibliography on Child Labour**, 2003 The aim of this bibliography on child labour was to assemble the best of the rapidly increasing literature and research material in recent years and make it accessible The focus is from 1995 to 2002 although a few authoritative earlier sources have been included Three basic selection criteria were applied the material had to be considered representative relevant and to present sources that had been previously overlooked Lost Innocence, Stolen Childhoods Thérèse Blanchet, 1996 With reference to Bangladesh *Child labour: a textbook for university students*, 2004 **Constructing and Reconstructing Childhood** Allison James, Alan Prout, 2015-05-08 When the first edition of this seminal work appeared in 1990 the sociology of childhood was only just beginning to emerge as a distinct sub discipline Drawing together strands of existing sociological writing about childhood and shaping them into a new paradigm the original edition of this Routledge Classic offered a potent blend of ideas that informed even inspired many empirical studies of children s lives because it provided a unique lens through which to think about childhood Featuring a collection of articles which summarised the developments in the study of childhood across the social sciences including history psychology sociology anthropology feminist and developmental studies scholars and professionals from developed and developing countries world wide shared their knowledge of having worked and of working with children Now with a new introduction from the editors to contextualise it into the 21st century this truly ground breaking text which helped establish childhood
