The Lost Civil War Diaries Timothy J. Regan, Kenneth John Pluskat, 2003 Now after 141 years these diaries originally compiled in two manuscripts are being published for the first time unedited and in their entirety Rarely are any new discoveries made of the written material on the American Civil War and this may be the last major find of Civil War period literature

The Lost Civil War Diary of John Rigdon King Donald B. Jenkins, 2018-10-21 On a crisp fall day in October of 1862 a precocious seventeen year old boy went into a bookshop in his hometown of Hagerstown Maryland and purchased a composition book Into his new diary John R King would steadfastly record what he did saw and heard daily as the Civil War raged around him During May of 1862 after learning the photography trade John took portraits of Union soldiers stationed in the Shenandoah Valley Then on May 23 1862 when he heard the sounds of battle he attempted to flee on a wagon He was soon captured by Stonewall Jackson's troops His treasured diary was taken Force marched to a Confederate prison John vowed revenge Two weeks after escaping from captivity John joined the Union Army He fought with fury courage and valor was wounded three times and became a war hero Later John was not only appointed by two presidents to prestigious positions in the Pension Bureau but he also became leader of the Grand Army of the Republic After lost for 150 years his diary was recently discovered and is now being published

Diary as Literature: Through the Lens of Multiculturalism in America Angela R. Hooks, 2020-02-20 Meandering plots dead ends and repetition diaries do not conform to literary expectations yet they still manage to engage the reader arouse empathy and elicit emotional responses that many may be more inclined to associate with works of fiction Blurring the lines between literary genres diary writing can be considered a quasi literary genre that offers a unique insight into the lives of those we may have otherwise never discovered This edited volume examines how diarists poets writers musicians and celebrities use their diary to reflect on multiculturalism and intercultural relations Within this book multiculturalism is defined as the sociocultural experiences of underrepresented groups who fall outside the mainstream of race ethnicity religion gender sexual orientation disability and language Multiculturalism reflects different cultures and racial groups with equal rights and opportunities equal attention and representation without assimilation In America the multicultural society includes various cultural and ethnic groups that do not necessarily have engaging interaction with each other whereas importantly intercultural is a community of cultures who learn from each other and have respect and understand different cultures Presented as a collection of academic essays and creative writing The Diary as Literature Through the Lens of Multiculturalism in America analyses diary writing in its many forms from oral diaries and memoirs to letters and travel writing Divided into three sections Diaries of the American Civil War Diaries of Trips and Letters of Diaspora and Diaries of Family Prison Lyrics and a Memoir the contributors bring a range of expertise to this quasi literary genre including comparative and transatlantic literature composition and rhetoric history and women and gender studies
