They include critical and research essays reports reflections and memoirs Each chapter is prefaced with an introduction by the editors Two initial chapters offer a biography of Kallmann and an assessment of his contributions to Canadian music The variety breadth and scope of these writings confirm Kallmann's pioneering role in Canadian music research and the importance of his legacy to the cultural life of his adopted country In the current climate of cuts to archival collections and services the publication of these essays by and about a pre eminent collector and historian serves as a timely reminder of the importance of cultural memory Ballad of John Latouche: an American Lyricist's Life and Work Howard Pollack, 2017 In his short life the Virginia born John Treville Latouche 1914 56 made a profound mark on America's musical theater as a lyricist book writer and librettist His signature achievements include theatrical works with composers Earl Robinson Vernon Duke Duke Ellington Jerome Moross and Leonard Bernstein **And Harmony Abound** Keith William Kinder, 2022-01-15 Morley Calvert's Suite from the Monteregian Hills is cherished by brass players worldwide and performed hundreds of times annually making Calvert perhaps the most performed Canadian composer outside the country Yet little is known about Calvert beyond that piece And Harmony Abound is a thoughtful and in depth study of a remarkably accomplished composer conductor and educator Calvert
