Jim McAvoy,2002-01-01 **Angela Bassett** Dawn Fitzgerald,2002 It would take a long time for Hollywood to recognize veteran Angela Bassett as a superb actor not until she received an Academy award nomination in 1994 for her dead on portrayal of pop star Tina Turner in What s Love Got to Do with it The Politics of Black Empowerment James Jennings,2000-01-08 The Politics of Black Empowerment uses the experiences of grassroots activists to develop various conceptualizations and explanations of Black political behavior today In analyzing Black politics since the late 1960s James Jennings focuses on both the behavioral aspects such as individual and group characteristics of voting and nonvoting and elections as well as more fundamental philosophical and cultural questions regarding Black politics This study examines how the traditional face of Black politics and electoral activism interacts with a growing progressive face of Black politics While traditional Black political activists seek access or political incorporation another group aims for power sharing The traditional approach is sometimes satisfied with merely replacing white politicians with Blacks but the progressive constituency focuses on fundamentally changing the whole economic and political pie Activists desirous of Black empowerment are pursuing a political and economic orientation that goes beyond programs based on access to American institutional arrangements and attempting to change or alter given political arrangements and social relations between Blacks and whites on the basis of changing the social structure and the distribution of wealth and power Based on interviews with Black and Latino activists in several big cities as well as on a review of the literature and the Black newspapers around the country The Politics of Black Empowerment describes the characteristics of Black empowerment activism in America

Danny Glover Gloria Blakely, 2002 Details the life of the actor and social activist whose movies include the Lethal Weapon series, *Places in the Heart* and *The Color Purple*. [The World's Greatest Religious Leaders](#) Scott E. Hendrix, Uchenna Okeja, 2018-03-01 This book provides reliable information about important world religious leaders, correcting the misinformation that can be found on the internet. Religious leaders have shaped the course of history and deeply affected the lives of many individuals. This book offers alphabetically arranged profiles of roughly 160 religious leaders from around the world and across time, carefully chosen for their impact and importance and to maximize inclusiveness of faiths from around the world. Wesley Snipes Rose Blue, Corinne J. Naden, 2001 A biography of the black American actor whose films include *White Men Can't Jump*, *Demolition Man* and *Waiting to Exhale*. *Icons of African American Protest* Gladys L. Knight, 2008-12-30 Protest has always been a catalyst for change. It is the cornerstone of America's own birth. Did not the first immigrants help America take its first steps upon the road to greatness when they long ago protested against the oppression of their native government and established new edicts promoting the ideals of freedom and opportunity? Since the first African slave was forced to board a ship bound for this continent, protest has been a major motif in the African American experience. It was a critical weapon during the raging violence against blacks following the end of Reconstruction, the Jim Crow years, and against the grisly conditions in the ghettos in the North. Throughout history, protest has been used to combat economic and political oppression, racism, discrimination, and exclusion from mainstream America. *Icons of African American Protest* reveals the extraordinary strength, courage, and sacrifice displayed by individuals for the cause of freedom and civil rights. The 24 leaders showcased here cover a broad spectrum of descriptors: vibrant, tame, intense, aggressive, and diffident, and their politics ran the gamut from conservative to ultra-radical. Nevertheless, whatever techniques, modes, or tactics employed, such as Thurgood Marshall's legal fights in the courtroom, Dr. King's reliance on nonviolent civil

disobedience and direct action and Huey P Newton s advocacy for armed self defense they were all in their time radicals who strove to eradicate racism and the climate of exclusion This two volume reference provides both students and general readers in depth coverage of contemporary voices of protest supplemented by sidebars on major turning points freedom songs and important symbols such as the clenched fist of the Black Power Movement Also included are a timeline of key events historical documents a glossary and a thorough bibliography of print and electronic resources to encourage further research
