## Love And Death:

Love and Death in Edith Wharton's Fiction Tricia M. Farwell, 2006 Original Scholarly Monograph      *Love and Death in the Great War* Andrew J. Huebner, 2018-02-01 Americans today harbor no strong or consistent collective memory of the First World War Ask why the country fought or what they accomplished and democracy is the most likely if vague response The circulation of confusing or lofty rationales for intervention began as soon as President Woodrow Wilson secured a war declaration in April 1917 Yet amid those shifting justifications Love and Death in the Great War argues was a more durable and resonant one Americans would fight for home and family Officials in the military and government grasping this crucial reality invested the war with personal meaning as did popular culture Make your mother proud of you And the Old Red White and Blue went George Cohan's famous tune Over There Federal officials and their allies in public culture in short told the war story as a love story Intervention came at a moment when arbiters of traditional home and family were regarded as under pressure from all sides industrial work women's employment immigration urban vice woman suffrage and the imagined threat of black sexual aggression Alleged German crimes in France and Belgium seemed to further imperil women and children War promised to restore convention stabilize gender roles and sharpen male character Love and Death in the Great War tracks such ideas of redemptive war across public and private spaces policy and implementation home and front popular culture and personal correspondence In beautifully rendered prose Andrew J Huebner merges untold stories of ordinary men and women with a history of wartime culture Studying the radiating impact of war alongside the management of public opinion he recovers the conflict's emotional dimensions its everyday rhythms heartbreaking losses soaring possibilities and broken promises      *Love and Death in the American Novel* Leslie A. Fiedler, 1997 No other study of the American novel has such fascinating and on the whole right things to say Washington Post      A Race with Love and Death Richard Williams, 2020-03-19 A tragic age and a tragic character both seemingly compelled to destroy themselves a chilling reminder of how little control we have over our fates Damon Hill One of the greatest motor racing stories Nick Mason Timely vivid and enthralling it's unputdownable Miranda Seymour author of The Bugatti Queen Dick Seaman was the archetypal dashing motorsport hero of the 1930s the first Englishman to win a race for Mercedes Benz and the last Grand Prix driver to die at the wheel before the outbreak of the Second World War Award winning author Richard Williams reveals the remarkable but now forgotten story of a driver whose battles against the leading figures of motor racing's golden age inspired the post war generation of British champions The son of wealthy parents educated at Rugby and Cambridge Seaman grew up in a privileged world of house parties jazz and fast cars But motor racing was no mere hobby it became such an obsession that he dropped out of university to pursue his ambitions squeezing money out of his parents to buy better cars When he was offered a contract with the world beating state sponsored Mercedes team in 1937 he signed up despite the growing political tensions between Britain and Germany A year later he celebrated victory in the German Grand Prix with the

beautiful 18 year old daughter of the founder of BMW Their wedding that summer would force a split with his family a costly rift that had not been closed six months later when he crashed in the rain while leading at Spa dying with his divided loyalties seemingly unresolved He was just 26 years old A Race with Love and Death is a gripping tale of speed romance and tragedy Set in an era of rising tensions where the urge to live each moment to the full never seemed more important it is a richly evocative story that grips from first to last **Love and Death in Medieval French and Occitan Courtly**

**Literature** Simon Gaunt,2006-02-16 Some of medieval culture s most arresting images and stories inextricably associate love and death Thus the troubadour Jaufre Rudel dies in the arms of the countess of Tripoli having loved her from afar without ever having seen her Or in Marie de France s Chevrefoil Tristan and Iseult s fatal love is hauntingly symbolized by the fatally entwined honeysuckle and hazel And who could forget the ethereal spectacle of the Damoisele of Escalot s body carried to Camelot on a supernatural funerary boat with a letter on her breast explaining how her unrequited love for Lancelot killed her Medieval literature is fascinated with the idea that love may be a fatal affliction Indeed it is frequently suggested that true love requires sacrifice that you must be ready to die for from and in love Love in other words is represented sometimes explicitly as a form of martyrdom a notion that is repeatedly reinforced by courtly literature s borrowing of religious vocabulary and imagery The paradigm of the martyr to love has of course remained compelling in the early modern and modern period This book seeks to explore what is at stake in medieval literature s preoccupation with love s martyrdom Informed by modern theoretical approaches particularly Lacanian psychoanalysis and Jacques Derrida s work on ethics it offers new readings of a wide range of French and Occitan courtly texts from the twelfth and thirteenth centuries and argues that a new secular ethics of desire emerges from courtly literature because of its fascination with death This book also examines the interplay between lyric and romance in courtly literary culture and shows how courtly literature s predilection for sacrificial desire imposes a repressive sex gender system that may then be subverted by fictional women and queers who either fail to die on cue or who die in troublesome and disruptive ways Visions: The 'other way round' of Love

and Death Günter von Hummel,2021-10-28 If for love hate and for death life are opposites then in the other way round of love and death the opposites cancel each other out For this the simple only mirroring consciousness must be distinguished from the deeper awareness which can only be experienced securely in a self analytical practice an alytical psychocatharsis The author also shows by means of contrasts in other areas that a new view indeed a kind of vi sion can expand conventional psychoanalysis by means of such a practice It contains not only analytical but also medi tative aspects and can thus be learned by everyone himself as also described in the book Love and Death travel together. Life is a Story - story.one G. S. Alsen,2024-08-12 What happens to love when life ends Is death so humble and silent the very end of love too Wherever life goes death follows Sometimes it s literal but sometimes it s just a figure of speech Grief change loss and fear all different faces of death can also be a consequence of love An expression of it If you have been in love even unrequited if you have lost

someone dear to you if you had to leave your home for a better future if you believe there is something else after the last breath then you know some answers These stories where reality and fiction collide want to prove that love and death travel together more often than we know Love and Death in Kubrick Patrick Webster,2014-01-10 The films of Stanley Kubrick have left an indelible mark on the history of American cinema This text explores the auteur s legacy specifically positioning his body of work within the context of cultural theory A single chapter is devoted to each of Kubrick s seven films Lolita Dr Strangelove 2001 A Space Odyssey A Clockwork Orange The Shining Full Metal Jacket and Eyes Wide Shut Particular attention is paid to the role of love and death in Kubrick s films emphasizing his innovative exploration of love and sex and the portrayal of mortality via masculine violence **The Drama of Love and Death** Edward Carpenter,2015-12-22 Love and Death are two major facets of the whole of human existence and in The Drama of Love and Death Carpenter attempts to analyse the interplay of love and death in everyday life Originally published in 1912 this study focuses on how love and death are perceived and treated in the history of humankind and how these views evolved up until the early twentieth century This title will be of interest to students of Sociology and Anthropology **A Walk with Love and Death** Hans Koning,2011-01-01 During the plague year of 1358 Heron a French student decides to walk to the sea and then to seek passage to England His journey symbolizes freedom as he turns his back on both the ruling oligarchy and the peasant armies forming all over Europe He travels through a chaotic wasteland where armies clash for unknown reasons where the barren countryside is plagued by robbers and warlords He meets death destruction and famine before finally finding Claudia the daughter of a medieval lord Heron s quest stemming from a desire to create an ideal world out of a violently cruel one leads him through despair and danger before delivering him to love Originally published in 1961 A Walk with Love and Death was the third novel by Hans Koning Koningsberger and was directed as a film by John Huston in 1969 Songs of Love and Death George R.
