An aerial photograph of a beach at sunset or sunrise. The ocean waves are breaking onto the shore, creating white foam. The sand is a warm, golden-brown color. The sky is not visible, but the lighting suggests a low sun. The text is overlaid on the right side of the image.

instinct to make any child who
needs her love, her own.

Carr,Cheryl A. Lapp,2006-04-27 This work offers a psychodynamic insight into Thanatic behaviours and considers the implications for organizational studies To further inform organizational leadership theory and praxis there is a requirement to uncover the origins of these destructive behaviours which the authors believe reside in the realm of the unconscious **Quiver** ,1888 V 12 contains The Archer Christmas 1877 *Love and Its Disappointment* David Brazier,2009-09-16 In Love and Its disappointment which is rooted in common knowledge David Brazier advances in clear and specific terms a radical and practical theory of human functioning exploring the relationships

between beauty and love frustration and creativity perception and healing **Unconscious Contracts** Michael Allingham, 2015-11-06 Originally published in 1987 this highly original work explores how the nature and institutions of society are determined by our unconscious as well as our conscious aims how individuals join together in unconscious contracts The author does this by integrating psychoanalysis and social science to generate a psychoanalytical theory of society The key to this theory is the interpretation of both psychoanalysis and social science in terms of the interplay between conflict and co operation Professor Allingham starts by discussing the workings of the individual mind and tracing the development of the adult personality from its roots in infancy He uses this background to show how the group acts as a key link between the individual and society and the sense in which groups have lives of their own He completes the theory by demonstrating how the unconscious aims of the members of society are translated through the various groups to which they belong into the institutions adopted by society Finally as an extension he explores the nature of the unconscious motives which underlie our conscious social and political attitudes Routledge Library Editions: Psychoanalysis Various, 2021-07-14 Routledge Library Editions Psychoanalysis brings together as one set or individual volumes a series of 8 previously out of print titles originally published between 1923 and 1993 Written by international authors from a variety of backgrounds this set looks at psychoanalysis in a number of different areas including culture religion sociology postmodernism literary criticism and others **The City of God. A Series of Discussions in Religion** Andrew Martin Fairbairn, 2024-02-28 Reprint of the original first published in 1883 *Boyhood* Ennis Richmond, 1899
