Niklas Luhmann

Love As It Is:

Love as a Guide to Morals Andrew Fitz-Gibbon, 2012-01-01 *Love as a Guide to Morals* is an entry level introduction to the ethical importance of love. Written in conversational format, this book looks uniquely at the complexity of love in human relationships and how love can guide ethical decision making. The book suggests that love in all its intricacy—erotic, erosic, love, friendship, affection, and agapic love—is the great good of human life. The book argues that love has a unifying power for morality and is more suited to ethical thinking and practice than any other idea. *Love as a Guide to Morals* uses a modified Aristotelian argument after Alisdair MacIntyre and suggests loving relationships rather than happiness as the goal of human life.

Love as Passion Niklas Luhmann, 2014-12-08 In this important book, Niklas Luhmann, one of the leading social thinkers of the late 20th century, analyses the emergence of love as the basis of personal relationships in modern societies. He argues that while family systems remained intact in the transition from traditional to modern societies, a semantics for love developed to accommodate extra-marital relationships; this semantics was then transferred back into marriage and eventually transformed marriage itself. Drawing on a diverse range of historical and literary sources, Luhmann retraces the emergence and evolution of the special semantics of passionate love that has come to form the basis of modern forms of intimacy and personal relationships. This classic book by Luhmann has been widely recognized as a work of major importance. It is an outstanding contribution to social theory and it provides an original and illuminating perspective on the nature of modern marriage and sexuality.

Mystical Theology and Continental Philosophy

David Lewin, Simon D. Podmore, Duane Williams, 2017-05-18 Exploration of the interface between mystical theology and continental philosophy is a defining feature of the current intellectual and even devotional climate But to what extent and in what depth are these disciplines actually speaking to one another or even speaking about the same phenomena This book draws together original contributions by leading and emerging international scholars delineating emerging debates in this growing and dynamic field of research and spanning mystical and philosophical traditions from the ancient to the medieval modern and contemporary At the heart of which lies Meister Eckhart perhaps the single most influential Christian mystic for modern times The book is organised around significant historical and contemporary figures who speak across the intersections of philosophy and theology offering new insights into key interlocutors such as Pseudo Dionysius Augustine Isaac Luria Eckhart Hegel Heidegger Marion Kierkegaard Deleuze Laruelle and i ek Designed both to contribute to current trends in mystical theology and philosophy and elicit dialogue and debate from further afield this book speaks within an emerging space exploring the retrieval of the mystical within a post secular context *The Pattern of Catechistical Doctrine at large: or a learned and pious Exposition of the Ten Commandments, etc. A rearrangement of "The Morall Law expounded."* Lancelot Andrewes, 1675 *Beach's Family Physician and Home Guide for the Treatment of the Diseases of Men, Women and Children, on Reform Principles* Wooster Beach, 1861 **Law, Love and Freedom** Joshua Neoh, 2019-07-04 Moving from monasticism to constitutionalism and from antinomianism to anarchism this book reveals law s connection with love and freedom **Great Truths by Great Authors** , 1866 *The Bible and Spirituality* Andrew T. Lincoln, J. Gordon McConville, Lloyd K. Pietersen, 2013-07-05 The essays in this volume aim to contribute to the newly developing academic subject of biblical spirituality It is prompted by the belief that although the Christian tradition has always nurtured an emphasis on spirituality rooted in the Bible and its interpretation few biblical scholars until recently have pursued their work by making connections with either this religious tradition or present day interest in the broader phenomenon of spirituality Spiritual interpretation has overlaps with theological interpretation but is distinctive because of its focus on the wisdom of lived experience and practice The essays therefore attempt from within the context of the academy responsible readings of Scripture that have as a major focus the study of how particular texts might contribute to a spirituality in which individual and communal flourishing is a major feature The essays began as papers produced for an international symposium on the Bible and Spirituality in May 2012 hosted by the Centre for the Study of the Bible and Spirituality in the School of Humanities at the University of Gloucestershire **A Commentary on the Epistle of St. Paul to the Galatians, By Martin Luther** , 1845 *Commentaries on Sri Aurobindo's Thought* M.P. Pandit, 1988-01-05 Commentaries on Sri Aurobindo s Thought Volume 1 is the first of a 4 volume set which takes up a wide range of diverse topics bearing upon the work of Sri Aurobindo and aspects of the integral Yoga This first volume consists of 101 brief articles illuminating questions such as the role of love the psychic being meditation and japa spiritual communities gurus and insight on various forms of

Aquinas on Beauty Christopher Scott Sevier, 2015-02-12 Aquinas on Beauty explores the nature and role of beauty in the thought of Thomas Aquinas Beginning with a standard definition of beauty provided by Aquinas it explores each of the components of that definition The result is a comprehensive account of Aquinas's formal view on the subject supplemented by an exploration into Aquinas's commentary on Dionysius's Divine Names including a comparison of his views with those of both Dionysius and those of Aquinas's mentor Albert the Great The book also highlights the tight connection in Aquinas's thought between aesthetics and ethics and illustrates how Aquinas preserves what is best about aesthetic traditions preceding him and anticipates what is best about aesthetic traditions that would follow marrying objective and subjective aesthetic intuitions and charting a kind of via media between the common extremes

Dell,2020-09-04 Solomon is the figurehead who holds the family of wisdom texts together In this study Katharine Dell argues that a core of Proverbs and Ecclesiastes forms the inner sanctum of the Solomonic wisdom corpus with the Song of Songs as a close relative but Job at one remove Proverbs Ecclesiastes and the Song contain attributions to Solomon and demonstrate key wisdom connections Solomon is also portrayed as an idealized character in the narratives about him in 2 Sam 24 1 Kings 11 He is the embodiment of wisdom thus linking both the narrative portrayal and canonical memory of his significance His connections with Egypt and Sheba shed light on how Solomon gained his reputation for wisdom as do the roles in his court for scribes sages and seers Formative wisdom themes notably that of God as creator characterize the book of Proverbs and also influenced certain wisdom psalms and the prophets Isaiah and Jeremiah texts which share links to wisdom ideas and contexts For these prophets criticism of the wise is a key concern Dell introduces an intertextual method to open up fresh possibilities of ranging together different texts alongside the Solomonic corpus without the constraints of probing literary or historical linkages Ruth is considered with Proverbs Genesis 1 11 with Ecclesiastes and the wider theme of gardens and water in the Hebrew Bible with the Song of Songs While Solomon probably had very little to do with such readerly text play Dell s argument in *The Solomonic Corpus of Wisdom and Its Influence* is that he is the lynch pin that holds wisdom in its core texts and wider family together *True Christianity* Johann Arndt,2019-09-25
