

A photograph of a dirt path leading through a forest. The trees are covered in autumn foliage, with shades of orange, yellow, and brown. The path is light-colored and leads towards a bright opening in the trees in the distance. The overall mood is serene and contemplative.

Being hurt by someone you
truly care about leaves a hole in
your heart that only love can fill.

Trass, 2015-01-07 Are you ready to confront the issues of your past that you have tried to cover up Its time to shatter the secrecy of sin that has given power to your feelings of guilt and shame The enemy would have you believe that you are the only one who has experienced what you have gone through that you are hopeless and helpless or that God is disappointed in you That could not be further from the truth God loves you unconditionally You are about to embark upon a journey from hurt to healing from misery to ministry and from pain to purpose As you witness the authors transformation through narration and poetry you too will discover who you really are and give voice to your silent screams You will be inspired to dream again and encouraged to fulfill your destiny

The Love Project Georgina Ruth Smith, 2010-07-22 Hope Love Longing Fear Anger Pain Despair These are the emotions that unify all human beings regardless of race culture country or social standing This poetic anthology is a self examination by the author of how she experiences these emotions in her own life which serves as an example for our own suffering Are we all doomed to feel these emotions in these stages or is it more like a circle with hope leading to despair and back to hope again Like the sinking of the Titanic the loss of the author was a tragedy especially for someone who brought so much happiness to all those around her And like the Titanic whose treasures

were unearthed after her sinking so too is this book of poems a treasure brought back to the surface for you to enjoy One of the first of many Beauty of Love Ralph K.
