Love Death Thing:

After the Lovedeath Lawrence Kramer, 2000-07-07 A professor of English and Music at Fordham University author Lawrence Kramer traces today's sexual identities to their 19th century sources drawing on the music literature and thought of the period to show how normal identity both promotes and rationalizes violence against women *The Love-death Thing* Thomas Blanchard Dewey, 1969 **Brief thoughts on the things of God and the soul** Edward Dalton, 1864 *The Source of All Things* Reinhard Friedl, 2025-08-22 In the tradition of Henry Marsh's *Do No Harm* Reinhard Friedl's *The Source of All Things* is a heart surgeon's personal investigation of the human heart moving from his riveting clinical experiences to a more poetic understanding of its workings The heart is our most important organ Yet despite that it has not changed since the appearance of *Homo sapiens* 300 000 years ago it is also our most mysterious In most human cultures it is seen as the source of love sympathy joy courage strength and wisdom What if the heart could answer questions neurosciences can't begin to Having witnessed the extraordinary complexity and unpredictability of human hearts in the operating theatre each one individual like a fingerprint heart surgeon Reinhard Friedl looked again at this primitive pump to reconcile it with his experiences from thousands of heart operations In this book he presents findings from various scientific disciplines such as secret connections of the heart and brain and their influence on emotions and consciousness He reveals the miracle that is the heart that we speak about so often yet is strangely foreign to many human beings Full of compelling patient stories *The Source of All Things* ends with a plea that we recognize the heart's wisdom and adopt a more heart centered way of living leading to greater health and more joy **An Attempt To Understand The Years Of Plague** M.A Amru, 2025-05-20 Avant garde Experimental Longest novel written by a Singaporean No form of government is greater than the individual These are the words of Kira Teo a Singaporean woman growing up in a time of uncertainty Ah too much uncertainty in this world Read ahead It's a new world you are going to experience Will this book be a success Will this book break all boundaries It's up to you fellow reader *pt. 1. Psalms to Maccabees*, 1823 *Heavenly Days* James Wilcox, 2004-11-30 Over the course of twenty years and seven novels James Wilcox has established himself as one of the most distinctive and beloved voices of the South a comic master whose work has been praised by writers as diverse as Robert Penn Warren and Anne Tyler From *Modern Baptists* which was both included in Harold Bloom's *Western Canon* and featured in *GQ*'s list of the forty five best books published in the last forty five years to *Plain and Normal* he has charted the collision of the stubbornly genteel Old South with a world of franchise food and a brimming melting pot as the manners and mores that have always been its cherished hallmark threaten to vanish completely In *Heavenly Days* his first novel in five years Wilcox returns to the familiar landscape of Tula Springs Louisiana and introduces a sweetly hapless heroine trying to come to terms with a way of life for which she is utterly unequipped Lou Jones middle aged well educated and faultlessly sensitive has found herself unaccountably living in a 295 000 faux Cajun cabin her husband's dream house and working as the receptionist in a

fundamentalist health emporium housed in a defunct train station Hardly the thing for a Ph D in music theory yet Lou consoles herself with making valuable contributions to the American Bassoon Society's newsletter and with drawing the town's spiritually needy citizens into her beneficent orbit But her well meaning interventions soon involve her in a series of increasingly complicated misunderstandings as she becomes embroiled in evading a gun toting tax collector trying to befriend her aloof housekeeper and her unnervingly elegant mother waging an ongoing and fruitless battle over the ownership of her husband's childhood home and wrestling with a hotly disputed loblolly dresser These are all distractions though from Lou's true if unacknowledged aim to find the grace of heaven in the days of her own life through the bonds of love Heavenly Days marks the welcome return of James Wilcox a gift to his longtime readers and to an entire generation of new ones

The Star of Redemption Franz Rosenzweig, 1985-08-31 The Star of Redemption is widely recognized as a key document of modern existential thought and a significant contribution to Jewish theology in the twentieth century An affirmation of what Rosenzweig called the new thinking the work ensconces common sense in the place of abstract conceptual philosophizing and posits the validity of the concrete individual human being over that of humanity in general Fusing philosophy and theology it assigns both Judaism and Christianity distinct but equally important roles in the spiritual structure of the world and finds in both biblical religions approaches toward a comprehension of reality

First Things Mary Jacobus, 2020-04-03 In First Things Mary Jacobus combines close readings with theoretical concerns in an examination of the many forms taken by the mythic or phantasmic mother in literary psychoanalytic and artistic representations She carefully explores the ways in which the maternal imaginary informs both unconscious processes and signifying practices at all levels Her fierce analysis of specific texts and paintings raises questions about the the symbolic and biological maternal body and how they relate to each other in literary and psychoanalytic terms The invocation of writings by Kleist Wollstonecraft Mary Shelley Malthus and de Sade along with analysis of French revolutionary iconography and Realist and Impressionist paintings by Eakins and Morisot make this wide ranging text a truly interdisciplinary study First Things sees literary theory and psychoanalysis as mutually illuminating practices The work of Freud Klein Kristeva and Bion shape an inquiry into such topics as population discourse surrogate motherhood AIDS mastectomy and psychoanalysis itself In addition Jacobus elaborates on Freud's oedipal preconceptions Klein's missing theory of signs memory melancholia narcissism and maternal reverie

The Complete Works of Stephen Charnock, B.D. Stephen Charnock, 1866 *Christian Life 101 I Wish I Knew These Things* Robert Odam, 2008-09 Do you ever wish that you knew some very basic things about God when you first committed your life to Him This book is an exposition into how the truth and power of the Word of God can transform the lives of the people who believe in Jesus Christ Do you know that God is the ultimate symbol of trust and commitment to all who need to depend on someone There is a far reaching benefit from godliness that cannot be obtained apart from faith

because faith in God through Christ Jesus is a firm foundation upon which we who believe can truly rest Faith gives substance to something that does not exist physically but can be conceived in our hearts spoken about and believed in The believer cannot pursue purpose without gaining a deep and life changing revelation of his identity in Christ Jesus This book is worth reading Read more A Christian for more than 15 years Robert Odam has studied basic Christian growth taught Bible study classes and designed and directed new converts classes His book is based on subjects he personally developed and taught in his current church when he was superintendent of Bible study classes He believes the topics in this book are as relevant today as ever and it will continue to be as long as there are more Christians coming to God Robert Odam is currently a minister in his church in Crystal Minnesota Dr Robert Odam is also a full time Family Practice doctor who works out of a medical clinic in Minneapolis Minnesota

LoveStar Andri Snaer Magnason,2012-11-20 2013 Philip K Dick Award Special Citation of Excellence Orwell Vonnegut and Douglas Adams are felt on every page though Magnason is never derivative His satire and insightful social commentary sweeten the pot and the sheer wackiness of Magnason s oversized imagination is invigorating Publishers Weekly starred review LoveStar the enigmatic and obsessively driven founder of the LoveStar corporation has unlocked the key to

transmitting data via birdwaves thus freeing mankind from wires and devices and allowing consumerism technology and science to run rampant over all aspects of daily life Cordless modern men and women are paid to howl advertisements at unsuspecting passers by REGRET machines eliminate doubt over roads not taken soul mates are identified and brought together while existing unscientifically validated relationships are driven remorselessly asunder and rocketing the dead into the sky becomes both a status symbol and a beautiful cathartic show for those left behind Indridi and Sigrid two blissfully happy young lovers have their perfect worlds threatened along with Indridi's sanity when they are calculated apart and are forced to go to extreme lengths to prove their love Their journey ultimately puts them on a collision course with LoveStar who is on his own mission to find what might become the last idea in the world Steeped in influences ranging from Italo Calvino Jorge Luis Borges and Kurt Vonnegut to George Orwell Douglas Adams and Monty Python Andri Snær Magnason has created a surreal yet uncomfortably familiar world where the honey embrace of love does its utmost to survive amid relentless and overpowering controls
