Love Exile 1st Edition Uk:

Shadow Lovers UK Edition Andrea Lynn,2019-12-06 Nearing 70 and in what would be the last decade of his life H G Wells fell in love at least three times once with the much younger Baroness Budberg and soon thereafter with two well born Americans Constance Coolidge and Martha Gelhorn 25 and 40 years his junior respectively These would constitute what Wells himself described as his last flounderings towards the wife idea and demonstrate in many ways that Wells was driven less by his considerable intelligence than by his obsession to find his ideal lover what he called his lover shadow This study looks at this very personal side of H G Wells The self proclaimed Don Juan was said to have radiated energy intellectual emotional physical and sexual Drawing on papers made public by the Wells estate the author documents Wells relationship with each of these femme fatales and paints a vivid portrait of the early part of the 20th century in London Paris and the US

Ovid Francesca K.A. Martelli,2021-03-01 In this volume Francesca Martelli outlines some of the main contours of recent current and future research on Ovid Her study looks back to the rehabilitation of Ovid s oeuvre in the 1980s and considers the post modern aesthetic prerogatives and post structuralist theoretical concerns that drove the critical recuperation of his poetry throughout that decade and in the decades that followed But it also looks forward by considering how the themes of this poet s oeuvre answer to a variety of new materialist concerns that are now gaining currency in the humanities and social sciences It highlights the ecopoetic sensibility of the Metamorphoses for example and unpacks the environmental narratives that this poem yields when read in dialogue with the discourses of critical posthumanism And it closes by considering the hauntological aesthetics of Ovid s exile poetry as a comment on the effects of the principate on time space media and art

The End of Divine Truthiness: Love, Power, and God Paul Joseph Greene, 2017-08-01 In The End of Divine Truthiness Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love With urgent resolve Greene answers Martin Luther King Jr s pointed challenge to overcome reckless and abusive power without love and sentimental and anemic love without power Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty Wielding Stephen Colbert s word truthiness as a scalpel Greene slices out one perilous theology after another to restore the wholesome truth that God is love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine love and promote atrocities Greene's call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love
