Love For Us All:

God's Love for Us Is Sure and Strong Canadian Bible Society, There are few things more difficult than watching a loved one being slowly transformed by an illness As their body weakens and their personality changes there will be days when it will be difficult to recognize the one we love As a caregiver the struggle to cope with the challenges involved in providing love care and a secure environment for a loved one can be overwhelming Beyond seeing to your loved one s physical and emotional needs you are faced with acknowledging your own feelings as you maintain a steadfast and compassionate vigil during your loved one s physical and or mental decline Your loved one s illness inevitably transforms your life as well As the illness progresses a cycle of doubt and worry may take hold You may become anxious and fearful of the difficulties to come you may find yourself grieving the loss of a relationship that can no longer be what it once was In these challenging days your own sense of well being is important and you will need others to whom you can turn for support strength and comfort God s Word offers great encouragement to those caring for others beginning with the affirmation that caregiving is an extension of Jesus own ministry of compassion love and care Jesus said whenever you did this for one of the least important of these followers of mine you did it for me Matthew 25 40b This booklet is a collection of Scripture passages from which you can draw strength and comfort through the power of God s Word While it is designed specifically for you we encourage you to share it with the one for whom you are providing care perhaps by reading passages aloud at a designated time each day and inviting your loved one to join with you in repeating the comforting words of assurance Reading and listening to God s Word is an activity you can do together God's Love for Us, Our Christian Foundation Jean Anne Stubblefield, 2013-01-09 Could you be missing the most important element of your Christian experience Many have been finding their Christian walk much too difficult as a result of giving only a mental nod to God s immeasurable love for them God s Love For Us Our Christian Foundation provides a greater depth of insight into the love that God cherishes for you personally which will empower your faith and enable you to live the victorious overcoming and miraculous life given to you in Christ Jesus

by Joseph Ratzinger Benedict XVI over six decades offers deep theological and historical insights on the meaning of the life and the witness of a Catholic priest When Pope Benedict XVI inaugurated the Year for Priests in 2009 he did so in conjunction with celebrating the 150th anniversary of the death of John Vianney the patron saint of all parish priests Benedict's purpose for that special year is the same purpose of this book of homilies to deepen the commitment of all priests to interior renewal for the sake of a stronger and more incisive witness to the Gospel in today's world As St John Vianney would often say The priesthood is the love of the heart of Jesus This touching expression makes us reflect on the immense gift that priests represent not only for the Church but for all mankind Contemporary men and women need priests to be distinguished by their determined witness to Christ These homilies are meant to illuminate and to inspire priests to renew their commitment to teaching and learning the love of God The homilies cover a wide variety of important topics on the

priesthood all deeply rooted in Scripture including acting in persona Christi becoming an offering with Christ for the salvation of mankind being there for God's mercy and witnessing Christian joy

Dr. Grell Ferdinand, 2012-09-05 Autobiography Of Grell Ferdinand God must be given well deserved thanks for protecting and sustaining me throughout my existence My birth in a small country village in Erin Trinidad was a miracle from what I heard I was told that there were complications and I was given the name Grell in deference to a Dr Grell who was instrumental in my safe delivery My Christian parents made great sacrifices to have us educated in a Christian environment They left Erin and set up home in Maracas Valley in North Trinidad where we had the benefit of living near to Christian institutions My first degree a B A General Hons in History and Spanish was earned at University of the West Indies Trinidad For my Masters degree my immediate family emigrated to the U S A and I studied at Florida Atlantic University I did my Doctorate in Educational Leadership at Nova Southeastern University in Florida I currently teach as I have been doing for most of my adult life having taught in Trinidad St Croix New Jersey New York and Florida I did my Chaplaincy training at the International Chaplaincy Association in south Florida and also work as an assistant pastor in two different churches My goal is to help spread the gospel through a T V ministry I am seeking the Lord to use me with Divine interventions to help bring relief to the sick to cast out demons and effect the opening of sight to the blind

Friendly Fireside Meditations Don Fholer Shank, Deni Anne Fholer, 2011-11 One year our pastor gave us twenty five scriptures one a week for twenty five weeks urging us to memorize one each week Frankly my friend I laughed when the pastor advanced such a frightening thought at my age of seventy six I was doing good as a youth to memorize John 3 16 and the twenty third Psalm No chance at my age and IQ level Then the laughing ended abruptly when in a most alarming voice God let me know he wanted me to memorize every one of those assigned scriptures Although memorizing a verse a week might seem as intimidating you will find it surprisingly easy when you allow God to guide you In *Friendly Fireside Meditations* Don outlines twenty five verses that will help you draw nearer to God as you write His word upon your heart The conversational and moving daily meditations that accompany each week's memory verse will help further encourage you in your new undertaking Don't stand out in the cold come warm yourself with the word of God This book is dedicated to the hungry ill clothed and ill housed children and their families wherever they are Note that after printing costs the money from this book will go to missions such as Deni's Isaiah 58 In His Service Ministry and to all the others she and I know to be so helpful to hurting children and adults

Strong Prayer, Strong Man: The Transforming Power of Balanced Prayer Richard W, 2006

I LOVE GOD, NOW WHAT? Book I Days 1 - 91 Steve Haines, 2025-08-21 Like any professional Pastors can be busy people Often the demands upon their time are myriad The time when I first came to accept Christ as my Lord was wonderful beyond measure Although my Pastor was eager to introduce me to Christ he was not as intimately available to guide me in the

aftermath of that wonderful moment You see having accepted Christ as Savior guarantees the blessing of eternity with Christ but the new believer still has the rest of his or her life to negotiate There are lots of things to learn but in big churches people can get lost in the crowd and fall through the cracks and in small churches well there is only so much a small staff can do So I stumbled around for a long time very gradually figuring out how to navigate the world and still hold to my faith in Christ I remember thinking There has to be a better way than this These discussions are part commentary part history part blessing and part questioning There s a little bit of everything I ve put considerable thought into writing these things and I want you to get some benefit some blessing from them Think about what you read You might be provoked to irritation or to curiosity or to laughter Try to apply the thoughts to your life But the bottom line is if you don t read you won t benefit This first book that you are holding tries to answer some basic questions Why should I fear God Why should I trust Him Who am I in Christ What is the nature of sin Following books talk about the Jewish Festivals and their profound meaning about God s Constitution Matthew chapters 5-7 about God s manifested love what it means to be Grafted In to God s family how to know Jesus and what it means to abide in Christ I hope you stick around to the end Every life has its ups and downs and after several cycles of this I was fed up and began to look for answers I found this crazy new church which was meeting in a hotel conference room I remember people all around me speaking in these strange indecipherable ways people falling down on the floor and generally acting nuts I remember thinking Why am I here God had a plan but I was not awake to it But I stayed out of curiosity if nothing else and eventually God began to draw me in Since then God has led me on a wonderful journey Where once I had a sort of vague notion of God He used personal struggle to draw me closer to him Where once I looked at everything from a performance oriented point of view He taught me the true value of the love of Christ Where once I had to be doing things for Christ He taught me the value of resting in the presence of Christ I want people to understand these things I want everyone to experience the intimate presence of Christ in their lives I want everyone to see real time answers to prayer as I have I want people to understand that humble submission to God is the answer to every struggle every problem and every stress

Would You Baptize an Extraterrestrial? Guy Consolmagno, SJ, Paul Mueller, SJ, 2014-10-07 Witty and thought provoking two Vatican astronomers shed provocative light on some of the strange places where religion and science meet Imagine if a Martian showed up all big ears and big nose like a child s drawing and he asked to be baptized How would you react Pope Francis May 2014 Pope Francis posed that question without insisting on an answer to provoke deeper reflection about inclusiveness and diversity in the Church But it s not the first time that question has been asked Brother Guy Consolmagno and Father Paul Mueller hear questions like that all the time They re scientists at the Vatican Observatory the official astronomical research institute of the Catholic Church In *Would You Baptize an Extraterrestrial* they explore a variety of questions at the crossroads of faith and reason How do you reconcile the The Big Bang with Genesis Was the Star of Bethlehem just a pious religious story or an actual description of astronomical events What really went down between Galileo

and the Catholic Church and why do the effects of that confrontation still reverberate to this day Will the Universe come to an end And could you really baptize an extraterrestrial With disarming humor Brother Guy and Father Paul explore these questions and more over the course of six days of dialogue Would You Baptize an Extraterrestrial will make you laugh make you think and make you reflect more deeply on science faith and the nature of the universe Successful Tails Patricia H. Wheeler PhD,2012-10-08 Successful Tails is a heartwarming collection of stories and photos of therapy dogs at work The testimonials and stories run the gamut of emotions Some will make you laugh or smile while other will bring tears to your eyes This book isn t just for people who want to become therapy dog handlers or staff at sites and programs that would like to have therapy dogs for those they serve though both of these groups will find it useful This book is for everyone
