Love From A Poetic Point Of View:

Love from a Poetic Point of View R McManes, 2001-12-12 The poetry contained in these pages is written from the heart of a poet expressing eternal love for his beloved wife Is it mushy you ask You bet it is but if you are a romantic at heart and enjoy poetry than this book will definitely fit the bill

Love's Shadow Paul A. Bové, 2021-01-12 A case for literary critics and other humanists to stop wallowing in their aestheticized helplessness and instead turn to poetry comedy and love Literary criticism is an agent of despair and its poster child is Walter Benjamin Critics have spent decades stewing in his melancholy What if instead we dared to love poetry to choose comedy over Hamlet's tragedy or to pursue romance over Benjamin's suicide on the edge of France of Europe and of civilization itself Paul A Bové challenges young lit critters to throw away their shades and let the sun shine in *Love's Shadow* is his three step manifesto for a new literary criticism that risks sentimentality and melodrama and eschews self consciousness The first step is to choose poetry There has been since the time of Plato a battle between philosophy and poetry Philosophy has championed misogyny while poetry has championed women like Shakespeare's Rosalind Philosophy is ever so stringent try instead the sober cheerfulness of Wallace Stevens Bové's second step is to choose the essay He praises Benjamin's great friend and sometime antagonist Theodor Adorno who gloried in writing essays not dissertations and treatises The third step is to choose love If you want a Baroque hero make that hero Rembrandt who brought lovers to life in his paintings Putting aside passivity and cynicism would amount to a revolution in literary studies Bové seeks nothing less and he has a program for achieving it

Fornet-Betancourt,J. Estermann,Diederik AERTS,2008-12-23 Globalization brings people and cultures together producing in addition to deep and rich encounters exclusion racism xenophobia and asymmetries The present book takes these issues implicitly as its starting point by thoroughly reflecting on them from a perspective of worldviews as one of many approaches More specifically it focuses on people's implicit and explicit interpretations and assumptions of the world of themselves and of others Often deeply rooted and hard to change they have an important function for without them we would continually need to question what we do and what we think In their absolutist form these assumptions may become a barrier for open mindedness and hence for deep intercultural understanding and exchange We need to find a balance between both stances Intercultural philosophy tries to fulfil this role on the one hand by comparing different cultures on a deep philosophical level and as a way to better understand each other's core assumptions and on the other hand by arguing for an intercultural philosophy grounded in specific cases The contributions of this book conceive of another possible world which does not condemn cultural and religious diversity as a detonator for Clashes of Civilizations but rather welcomes it as a source of inspiration for all and of respect for the different *Early Modern Women's Writing and Sor Juana Inés de la Cruz* Stephanie Merrim,1999 This book maps the field of seventeenth century women's writing in Spanish English and French and situates the work of Sor Juana more clearly within that field It holds up the multi layered proto feminist writings of Sor Juana as a meaningful lens through which to focus the literary production of her female contemporaries Merrim's book advances the integration of Hispanic women authors and women's issues into the panorama of early modern women's writing and opens up unexplored commonalities between Sor Juana and her sister writers Early modern women writers whose works are explored include Marie de Gournay Margaret Fell Fox Catalina de Erauso Maria de Zayas Ana Caro Mme de Lafayette Anne Bradstreet St Teresa and Margaret Lucas Cavendish Merrim's study provides a full bodied picture of the resources that the cultural and historical climates of the seventeenth century placed at the disposal of women writers the manners in which women writers instrumentalized them the building blocks and concerns of early modern women's writing and the continuities between early modern and modern women's writing Written in an engaging clear manner this innovative study will be of interest not only to Hispanists but also to scholars in early modern studies women's studies history and comparative literature **English Literature in the Age of Chaucer** Dieter Mehl,2014-06-11 Written in an engaging and accessible manner English Literature in the Age of Chaucer serves as both a lucid introduction to Middle English literature for those coming fresh to the study of earlier English writing and as a stimulating examination of the themes traditions and the literary achievement of a number of particularly original and interesting authors In addition to detailed and sensitive treatment of

Chaucer's major works the book includes chapters on his chief contemporaries such as John Gower William Langland and the Gawain poet It also examines the often underrated contribution to the English literary tradition of his successors John Lydgate and Thomas Hoccleve as well as the interesting and original work of the Scottish poets Robert Henryson William Dunbar and Gavin Douglas who also claim Chaucer as their model Apart from the narrative poetry of Chaucer and his followers the book also contains chapters on the Middle English lyric Middle English prose including Mandeville's travels the most original and imaginative writings of the Middle English mystics in particular Julian of Norwich and Margery Kempe and Thomas Malory's impressive prose compilation of Arthurian stories

Eminent Authors of the Nineteenth Century:

Literary Portraits Georg Brandes, 2019-12-09 In Eminent Authors of the Nineteenth Century Literary Portraits Georg Brandes presents a series of insightful analyses that traverse the complex literary landscape of the 1800s Employing a richly descriptive style interwoven with critical theory Brandes crafts profiles of influential writers delving into their philosophies societal influences and the evocative elements that shaped their works This text serves as not only a homage to the literary giants of the period but also a critical reflection on the sociopolitical context that colored their contributions offering readers an intimate understanding of the evolution of literary movements during a transformative era Georg Brandes a prominent Danish literary critic and playwright played a pivotal role in introducing European literature to a broader audience His engagement with the naturalist movement and advocacy for literary realism stemmed from his experiences within a rapidly modernizing society Brandes's own literary pursuits were often entwined with his personal philosophy which emphasized the importance of examining social issues through literature thereby providing a foundation for this collection of portraits This book is a must read for scholars and literature enthusiasts alike as it not only celebrates the masters of the nineteenth century but also invites readers to engage critically with the cultural paradigms they challenged Brandes's compelling narratives and keen insights offer a profound understanding of how these authors shaped modern thought and continue to resonate with contemporary issues

On Biblical Poetry F.W. Dobbs-Allsopp, 2015-08-19 On Biblical Poetry takes a fresh look at the nature of biblical Hebrew poetry beyond its currently best known feature parallelism F W Dobbs Allsopp argues that biblical poetry is in most respects just like any other verse tradition and therefore biblical poems should be read and interpreted like other poems using the same critical tools and with the same kinds of guiding assumptions in place He offers a series of programmatic essays on major facets of biblical verse each aspiring to alter currently regnant conceptualizations in the field and to show that attention to aspects of prosody rhythm lineation and the like allied with close reading can yield interesting valuable and even pleasurable interpretations What distinguishes the verse of the Bible says Dobbs Allsopp is its historicity and cultural specificity those peculiar encrustations and encumbrances that typify all human artifacts Both the literary and the historical then are in view throughout The concluding essay elaborates a close reading of Psalm 133 This chapter enacts the final movement to the set of literary and historical arguments mounted throughout the volume an example

of the holistic staging which Dobbs Allsopp argues is much needed in the field of Biblical Studies **Academy and Literature** Charles Edward Cutts Birch Appleton, Charles Edward Doble, James Sutherland Cotton, Charles Lewis Hind, William Teignmouth Shore, Alfred Bruce Douglas, Ellis Ashmead-Bartlett, Thomas William Hodgson Crosland, 1897

Scheindlin, 2007-12-14 Judah Halevi ca 1075-1141 is the best known and most beloved of medieval Hebrew poets partly because of his passionate poems of longing for the Land of Israel and partly because of the legend of his death as a martyr while reciting his Ode to Zion at the gates of Jerusalem He was also one of the premier theologians of medieval Judaism having written a treatise on the meaning of Judaism that is still studied and venerated by traditional Jews As a member of the wealthy Jewish elite of medieval Spain Halevi enjoyed the material pleasures available to the upper classes Alongside his sacred poetry he wrote verses about youthful romance wine songs and odes to his friends In midlife Halevi turned more seriously to religion eventually abandoning his family and community with hopes of ending his life as a pilgrim in the land of Israel Miraculously a number of letters in Arabic were discovered about fifty years ago some written by Halevi some written to Halevi and yet others written about Halevi by his friends in Egypt These letters preserve a vivid record of Halevi's travels as a pilgrim and of the last months of his life Raymond Scheindlin has written the first book length treatment of Halevi's pilgrimage in any language He tells the story of Halevi's journey through selections from these revealing sources and explores its meaning through discussions of his stirring poetry presented here in new verse translations with full commentary In Hebrew verse of unparalleled beauty Halevi salutes the Holy Land he argues with friends about his intentions he sets out his fantasy of crossing the ocean of walking the hills and valleys of the Land of Israel and of dying and mingling his bones with its soil and stones He even confides his secret fears and uncertainties his longing for his family and his fear of death at sea With his consummate skill as a translator of Hebrew poetry and his mastery of Judeo Arabic culture Scheindlin provides fresh insights into the literary religious and historical facets of Halevi's captivating

poetry and fateful journey The Artificiality of Christianity M. B. Pranger, 2003 In *The Artificiality of Christianity* the author's primary goal is to distill from monastic literature a poetical tool that can be used to decipher the literary structure of religious texts a secondary goal is to show the centrality of monasticism to the specific experiences of Christian reading

The Plural of Us Bonnie Costello, 2020-06-09 *The Plural of Us* is the first book to focus on the poet's use of the first person plural voice poetry's we Closely exploring the work of W. H. Auden Bonnie Costello uncovers the trove of thought and feeling carried in this small word While lyric has long been associated with inwardness and a voice saying I we has hardly been noticed even though it has appeared throughout the history of poetry Reading for this pronoun in its variety and ambiguity Costello explores the communal function of poetry the reasons risks and rewards of the first person plural Costello adopts a taxonomic approach to her subject considering we from its most constricted to its fully unbounded forms She also takes a historical perspective following Auden's interest in the full range of the human pluralities in a time of particular pressure for and against the collective Costello offers new readings as she tracks his changing approach to voice in democracy Examples from many other poets including Walt Whitman T. S. Eliot Elizabeth Bishop and Wallace Stevens arise throughout the book and the final chapter offers a consideration of how contemporary writers find form for what George Oppen called the meaning of being numerous Connecting insights to philosophy of language and to recent work in concepts of community *The Plural of Us* shows how poetry raises vital questions literary and social about how we speak of our togetherness

Latin Explorations (Routledge Revivals) Kenneth Quinn, 2014-06-17 *Latin Explorations* first published in 1963 offers a fresh approach to Roman poetry from Catullus to Ovid Traditionally the period is

divided for specialist studies Lyric Epic and Elegy In each of them techniques of interpretation prevail isolated from contemporary ideas about poetry and dominated by barriers between textual exegetical and aesthetic criticism Kenneth Quinn discerns in Roman poetry of this period the adolescence maturity and decay of a single coherent tradition whose internal unity surpasses differences of form His argument attempts to reverse the dissociation of purely academic research from appreciative criticism whilst also incorporating the work of textual scholars Each chapter is supported by a detailed analysis of the texts nearly 700 lines of poetry are discussed and translated Latin Explorations will be of significant value not only to students of the Classics but also to the Latinless general reader who is interested in Roman literature *The Pattern in the Web* Roma Alvah King,1990 Charles Williams has achieved considerable reputation for his novels He has been recognized as a brilliant theologian and a sensitive literary critic But Williams himself wished most to be remembered as a poet and trusted his future literary reputation to the two volume series of poems on the Arthurian theme Taliessin Through Logres and The Region of the Summer Stars Of the first volume Williams wrote The matter and the style require and reward attention The poems do not so much tell a story or describe a process as express states or principles of experience The names and incidents of the Arthurian myth are taken as starting points for investigation and statement on common and profound experience In this first full length study of these poems they receive in both matter and style the close attention that Williams requested The emphasis in this study is on the quality of these poems as poetry and only secondarily upon their religious content Although essentially Christian they are placed within the context of the multifaceted many changing forms of recurring myths Thus they represent one of the few attempts in the twentieth century to encapsulate and age old and ever recurring pattern in the web in a brilliant structure that is thoroughly modern *Greek Epigram from the Hellenistic to the Early Byzantine Era* Maria Kanellou,Ivana Petrovic,Christopher Carey (Classicist),2019 The briefest of all ancient Greek genres epigram is also the most resilient This volume provides a selection of in depth treatments of key aspects of Greek literary epigram from the Hellenistic to the early Byzantine period rather than focusing on individual authors or anthologies in order to explore the evolution of the genre over time **The Cumulative Book Index** ,1907 A world list of books in the English language
