Love Has Its Reasons An Inquiry Into New Testament Love:

Love Has Its Reasons Earl F. Palmer, 1977 **The Living Church** , 1977-07 **Biblical Sermons** Haddon W.

Robinson, 1997-02-01 Haddon Robinson's method as presented in *Biblical Preaching* is employed in twelve expository messages offering concrete examples of how experienced preachers have made Robinson's homiletical principles work for them. Robinson comments on each expository message, interviews each preacher, and contributes a sermon of his own. The book shows how successfully his method of developing sermons can be adapted to different contexts. **Authentic**

Discipleship Martin Harris, 2019-02-06 Authentic discipleship is a step by step method for achieving Christian spiritual maturity. It is a Bible-based process using 2 Peter chapter 1 as its source. The Apostle Peter reveals the process at the end of his life where he is expressing his concern for the spiritual well-being of his flock. The process reveals the actual expectations of the Lord for the spiritual development of Christian people for ministry and how to accomplish it. The people were first called Christians at Antioch because they followed the teachings of Christ. The term was meant to be derogatory but was never considered so by them. They not only followed Him but also actually intended to allow the Living Savior to express Himself through them, even as John the Baptist cried out, "He must increase but I must decrease." The more Christlike we can become, the greater our discipleship is realized. It is the aim of this book to help Christians who so desire to realize their goal as the Lord permits. Learning to Love Others Richard Peace, 2015-04-28 At the heart of Jesus' call to us is the call to love others. But this can be so difficult. For one thing, others are not always very lovable. For another, loving others sometimes gets in the way of our own self-interests. But if we want to follow Jesus, love needs to be our lifestyle and the way we treat others really does matter. It's not all sacrifice and pain, though. To be in loving relationship with others is to be truly alive, and it's the source of our greatest joy. This study will help you love others the way Jesus desires. You'll learn how to study the Bible as you examine and discuss topics such as Loving Others, Loving Our Families, Fellowship with Others, Getting Along with Others, Opposition from Others, Sharing Our Faith with Others, Serving Others. Each chapter has three main sections: Group Study materials for a sixty to ninety minute small group Bible study; Study Resources, notes and comments for use in both group and personal study; Personal Study, a series of reflection questions for use by group members on their own during the week. Extra help is available at the end of the book in the sections: The Art of Leadership, tips on how to lead a small group and Small Group Leader's Guide, notes on each session. The goal of *PILGRIMAGE GUIDES* is to understand what it means for us to meet and know Jesus. Through an examination of the spiritual disciplines of Bible study, prayer, and worship, we experience what it means to be a spiritual pilgrim walking in a new way with God. And we look at how this new way changes the way we view others and live our lives in Christ. *PILGRIMAGE GUIDES*: Learning to Love God, Learning to Love Ourselves, Learning to Love Others.

Palmer,1999-09 *Prayer Between Friends* Earl F. Palmer,1991-12 *Reverberating Word* Michael Denham,2018-06-12 Like sounds of beautiful music worship can renew us for God s glory and our good by the invigorating power of God s reverberating Word It is God s story that redeems all our stories We want to tell it again and again as best we can clearly conveying its message meaning richness claim and call Through its every facet and component worship that is biblically expositional can heighten how we proclaim God s story faithfully and creatively pointing to the One who alone offers us true identity security and destiny If you seek me you will find me if you search with all your heart declares the Lord With the ancient prophets and apostles we must repeat and repeat and repeat the most wonderful truth that God wants to be found In Christian worship such tremendous and tender encounter is available to us as nowhere else The Heart Has Its Reasons Beata Toth,2016-05-26 The Heart Has Its Reasons explores a hitherto neglected area of theological anthropology the unity of human emotion and reason embodied in the Biblical concept of the heart While the theological contours of human rationality have long been clearly drawn and presented as the exclusive seat of the image of God affectivity has been relegated to a secondary position With the reintegration of the body into recent philosophical and theological discourses a number of questions have arisen if the image also resides in the body how does this change one s view of the theological significance of human affect In what way is our likeness to God realised in the whole of what we are Can one overcome the traditional dissociation between intellect and affect by a renewed theory of love In conversation with patristic and medieval authors like Irenaeus Tertullian Gregory of Nyssa Maximus and Thomas Aquinas and in dialogue with more recent interlocutors such as Blaise Pascal Ricoeur Marion Milbank and John Paul II Beata Toth pursues a novel theological vision of the essential unity of our humanity **Catalog of Copyright Entries.
