Dr Carnavale We have him all comfortable now if you'd like to come with me She looked up the dazed and bruised expression still there after an hour of fear and confusion hands clenched tightly on her lap Linda the head ICU nurse had seen her over the years but she looked smaller now dignified even in her flounced denim skirt and peasant blouse her gray shoulder length hair pinned back with barrettes centered with turquoise stones She stood carefully Linda lightly held her arm and guided her down the hall They turned into the room and even though she knew what she would see despair settled on her at the sight of the tubes and monitors There he lay his beautiful white hair still thick with waves his eyelashes surprisingly black As the doctor told you he's comfortable and nothing will happen until you say so If you'd like you could go home until your children arrive pushing a chair closer for her even as she said it and moving a table closer so she could reach the tissues and ice water There's a blanket here and feel free to lay on the other bed if you like We'll be right down the hall if you need us She found his left hand with both of hers and laid her forehead against them I'm so sorry my darling I know I promised It's just until the children get here I didn't want you all stiff and cold when they came Don't be mad I love you Oh how she wished it was a dream that she'd wake up and hear him Baby girl I'm here Where are you Fifty five years how could it be how could it possibly be since the day she first saw him

THE BEAUTIFUL ILLUSION OF BEING IN LOVE Adrian Gabriel Dumitru, The book The beautiful illusion of being in love is a collection of writings with what is love about Starting from the philosophical idea that everything we see in life is just an illusion the book is defining the concept of love in the same way But the illusion itself is also named beautiful Falling

in love is an experience that any human being must see with its own soul. It can be a beautiful experience, an illusion, or a beautiful illusion. The book is more like a collection of poems, but the writer is not knowing to write poetry but only essays. Trying to define love in many ways, the essays speak about the beautiful illusion as part of the life, maybe the most important part. Defining is done in a micro and macro way, but the love is always seen as something very beautiful. The book could be a very nice reading for the ones that are in the dreaming period of a love story or the ones that want to understand love from a philosophical point of view. Enjoy it.

[The Big House—a ghost story, love story and epic tale of good versus evil.](#) Robert D. Vasvary, 2013-11-15. The Big House is about the late 1970s and a boy who during this era is filled with much spirit and adventure without the rigors of modern-day society, a small-town boy. He quickly discovers through a traumatic experience that he can be his best ally or worst enemy, and that faith comes from within. He battles internal demons and fear, and every time he conquers one, another one comes. This kid learns more in one experience than most people learn in a lifetime. And more than that, this boy, Andy Miller, realizes his gifts with or without his newfound superhuman powers. Andy Miller is intended to be a role model for kids in today's modern world as he shares his fears, tears, and passion with the audience in order to make the reader reaffirm that we all go through life's pitfalls and we are never alone in our struggles. We are all connected on some level. THE BIG HOUSE is now available online here at [ROBERTVASVARY.COM](#) in a print version or ebook/pdf version. There are approximately 30 illustrations, and the book is intended for the tween market, though test readings are indicating many adults will grow to love Andy Miller, the book's protagonist.
