Love Is One Of Choices:

One Love, One Cure, One Choice Blissfullah,2010 If you are content I dare you to loose all comfort As indeed you are sure I dare your mind to wonder You say that you are okay but happiness you can t find it The tears you cry invisible but with God you cannot hide them Escape with exciting new authors LaRonda and Maurice Martel as they dare to impact the nations with an astonishing message of One Love One Cure One Choice From the depths of tribulation and through the sharks of life together as one LaRonda and Maurice share their life of experiences and love through passionate prayers and exquisite entreaties With touching experiences overcame this unique and joyful author couple has plenty to share walking in obedience to God s will preparing His people for eternal salvation in the existence of Christ Jesus our beloved Savior Each and every line is sure to capture you on a spiritual level leaving each reader prepared and aware Setting Christianity apart from all other choices and giving unto each exactly what is needed One Love One Cure One Choice *Choices of Love* Dorothy Maclean,1998-12 Based on a talk at the New York Open Center in 1999 this book on the identity of John speaks of Christian initiation in a new way one whose time has come What Smith has to say is both extraordinarily suggestive and remarkably conclusive Covering a lot of ground in a way that is accessible the author masterfully supplies us with a range of collateral materials that is always interesting and illuminates the larger picture Because this small book began its life as a talk to a general audience it is blessedly jargon free and reader friendly It contains both sophistication or bite while working a quiet but profound revolution in the field of study that it addresses New Testament scholars as well as those concerned in any way with the future of Christianity ought to sit up and take note Anyone seeking to understand the mystery of Jesus Christ and his beloved disciple will find true food for the mind and heart **One Woman's Two Lovers, Or, Jacqueline Thayne's**

Nimmus,2014-12-09 This is my memoir I know what you re thinking what kind of an unexceptional egocentric thirty something year old writes a memoir I ll tell you someone that had life figured out by kindergarten and by college was destined to take on the world with a certifiably impenetrable heart I was religiously raised thinking that I would never ever screw things up the way my parents had and unlike most marriages mine really was meant to be happily forever after that s until I realized I am really just one in six billion We aren t so different I am no stranger to love and fear **You Can Master Your Fear** Magdalena Scopelitis,2012-06-26 Be the master of your fear and

you can rule over your life Fear is the only obstacle between you and your dreams between you and what you most love So says Archangel Raphael who in this series of channelings unravels the mysteries of fear and through its darkest paths guides you step by step up to the glade of love He helps you tear away fears masks one by one till you come to know its real face only then does he teach you the ways to transmute it into love thus eliminating its disastrous implications According to Archangel Raphael fear shows that somewhere in the deepest part of your being you have chosen hatred versus love and your life cannot have real meaning Only when your fear is transformed can real life happen to you The end of your fear will signal the beginning of your life Until that day comes you will have just lived in a lie in an illusion I am only asking you to give me your fear Archangel Raphael adds and I will give back to you your love the most precious gift you ever had *Awareness of the Heart* Dennis Maglinte,2011-05-24 So often in many people s lives there is an awakening For some it comes out of nowhere and for others it seems as though it has always been Seemingly from darkness a light turns on and all that was once confusing becomes clear and all that was once hidden is revealed Some call this enlightenment Some call this a revelation Some call this peace I call it an awareness of the heart The following passages were written between late 2002 until 2010 Inspired by those around me including loved ones family friends and strangers and by the happenings of the world we share my heart was poured onto paper Though these words were written by my hand and sometimes spoken by my tongue there is nothing unique about them for the stirring in me is also in you So whether you choose to read the following passages in order read it backwards or randomly allow yourself to pick a page don t follow me Instead take a journey into your own heart and see where it takes you Throughout these pages you will find references to God Allah Great Spirit The Divine Elohim Yahweh Jehovah He who has no name and a myriad of other beliefs Though our words and our thoughts may differ today allow yourself to read with an open mind an open heart and an open spirit Let your heart inspire you Let God work through you by being you **Mercy Philbrick's Choice** Helen Hunt Jackson,1876 This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide
