Haeussler,2020-12-10 Elvis Presley stands tall as perhaps the supreme icon of 20th century U S culture But he was perceived to be deeply un American in his early years as his controversial adaptation of rhythm and blues music and gyrating on stage performances sent shockwaves through Eisenhower s conservative America and far beyond This book explores Elvis Presley s global transformation from a teenage rebel figure into one of the U S s major pop cultural embodiments from a historical perspective It shows how Elvis s rise was part of an emerging transnational youth culture whose political impact was heavily conditioned by the Cold War As well as this the book analyses Elvis s stint as G I soldier in West Germany where he acted as an informal ambassador for the so called American way of life and was turned into a deeply patriotic figure almost overnight Yet it also suggests that Elvis s increasingly synonymous identity with U S culture ultimately proved to be a double edged sword as the excesses of his superstardom and personal decline seemingly vindicated long held stereotypes about the

allegedly materialistic nature of U S society Tracing Elvis s story from his unlikely rise in the 1950s right up to his tragic death in August 1977 this book offers a riveting account of changing U S identities during the Cold War shedding fresh light on the powerful role of popular music and consumerism in shaping images of the United States during the cultural struggle between East and West The Ultimate Elvis Patricia Jobe Pierce,1994 This book s posthumous chronology illustrates how daily events continue to enhance the Elvis mystique and proves that the popularity of the King of rock n roll is growing by leaps and bounds **Popstrology** Ian van Tuyl,2008-12-01 Which force was more likely to have penetrated your essence and shaped your destiny if you were born in February of 1964 the orbital shufflings of Mars and Jupiter or the explosive rise of the stars called the Beatles By linking your personality and potential to the star who ruled the pop universe at the moment of your birth Popstrology offers an entirely new approach to illuminating your spirit and your soul Could the roots of your chronic restlessness lie in the fact that you are a Commodore born in the Year of Debby Boone Could your crippling sexual inhibition result from being a Pat Boone born in the Year of Elvis Presley Yes they could Could Britney Spears have been born under the influence of anything other than Olivia Newton John s Physical No she couldn t Fresh funny and remarkably persuasive this groundbreaking book reveals the powers hidden in a galaxy of stars we all can name and in so doing gives us the right sign for modern times Ian Van Tuyl is a Double Monkee and the author of the original Princeton Review Guide to the Best U S Law Schools *Billboard* ,1957-06-24 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Elvis Presley: A Life In Music* Ernst Jorgensen,1998 With exclusive access to the RCA vaults producer Ernst Jorgensen brings to intimate life every moment that Elvis spent in the studio from the spontaneous joy of his early sessions to the intensely creative periods of his later career 150 color and b w photos In Search Of Elvis Vernon Chadwick,2018-02-12 The International Conference on Elvis Presley convened at the University of Mississippi in August transformed a rock and roll icon into a scholarly phenomenon Educators artists and Elvis aficionados from across the worldplus over one hundred internationally based reporterscollected on Oxford Mississippi soil to analyze and celebrate Elvis impact on the world stage From this conference which became front page New York Times Magazine news springs this book the best and brightest essays and artwork swirling around the cultural social political and iconographic figure of Elvis Presley Discussed within are such topics as Elvis as Southerner Elvis as sign system Elvis multicultural audiences Elvis and rockabilly Elvis as redneck the Elvis oeuvre and Elvis religious roots Taken together In Search of Elvis represents a daring and groundbreaking academic analysis Richly illustrated with original Elvis inspired artwork this book captures the subterranean essence of one of the most phenomenal artists to have ever lived The International Conference on Elvis Presley convened at the University of Mississippi in August transformed a rock and roll icon into a scholarly phenomenon Educators artists and Elvis aficionados from across
