**Professor David Ohana**

## **Love Russian Style:**

**The Battle of the Sexes Russian Style** Nadezhda Ptushkina, 2018-01-01 Ptushkina's plays reflect her keen interest in constructing multidimensional characters that reflect the myriad ways people are affected by today's turbulent world. Often writing strong female roles she does not shy away from exploring the sometimes tragic implications that lie behind her comical almost farcical scenes. Ptushkina questions the nature of love and explores the boundaries between the spiritual and the base, the constructive and the destructive that lie within every human being. Her writing questions the relationship between ideals and reality and between truth and deception. In this new translation western readers have a chance to discover why Ptushkina's work holds such a wide appeal in the Russian theatre. The universal themes of love, the need for human closeness and multifaceted complex female characters make Nadezhda Ptushkina's plays desirable material for any professional theatre, says Slava Yastremski in the preface to this edition. Current edition contains such famous Ptushkina's plays as *I Pay Up Front Somebody Else's Candlelight*, *Momma's Dying Again*, *My Goldfish* and *Rachel's Flute*. Translated from the Russian by Slava Yastremsky and Michael M. Naydan. *Russian Style* Julie A. Cassiday, 2023-12-19 In the two decades after the turn of the millennium Vladimir Putin's control over Russian politics and society grew at a steady pace. As the West liberalized its stance on sexuality and gender, Putin's Russia moved in the opposite direction, remolding the performance of Russian citizenship according to a neoconservative agenda characterized by increasingly exaggerated gender roles. By connecting gendered and sexualized citizenship to developments in Russian popular culture, Julie A. Cassiday argues that heteronormativity and homophobia became a kind of politicized style under Putin's leadership. However, while the multiple modes of gender performativity generated in Russian popular culture between 2000 and 2010 supported Putin's neoconservative agenda, they also helped citizens resist and protest the state's mandate of heteronormativity. Examining everything from memes to the Eurovision Song Contest and self-help literature, Cassiday untangles the discourse of gender to argue that drag or travesti became the performative trope par excellence in Putin's Russia. Provocatively, Cassiday further argues that the exaggerated expressions of gender demanded by Putin's regime are best understood as a form of cisgender drag. This smart and lively study provides critical nuanced analysis of the relationship between popular culture and politics in Russia during Putin's first two decades in power. **The New Psychology of Love** Robert J. Sternberg, Karin Sternberg, 2019 This is a much needed update on the latest theory and research on love supplied by leading scientific experts. It is suitable for psychologists, neuroscientists, anthropologists, sociologists, and anyone with an interest in love and what has been learned from scientific studies of it. [Why We Love](#) Helen Fisher, 2005-01-02 A groundbreaking exploration of our most complex and mysterious emotion. Elation, mood swings, sleeplessness, and obsession: these are the tell-tale signs of someone in the throes of romantic passion. In this revealing new book, renowned anthropologist Helen Fisher explains why this experience, which cuts across time, geography, and gender, is a force as powerful as the need for food or sleep. *Why We*

Love begins by presenting the results of a scientific study in which Fisher scanned the brains of people who had just fallen madly in love. She proves at last what researchers had only suspected: when you fall in love, primordial areas of the brain light up with increased blood flow, creating romantic passion. Fisher uses this new research to show exactly what you experience when you fall in love: why you choose one person rather than another and how romantic love affects your sex drive and your feelings of attachment to a partner. She argues that all animals feel romantic attraction; that love at first sight comes out of nature and that human romance evolved for crucial reasons of survival. Lastly, she offers concrete suggestions on how to control this ancient passion and she optimistically explores the future of romantic love in our chaotic modern world. Provocative, enlightening, and persuasive, *Why We Love* offers radical new answers to the age-old question of what love is and thus provides invaluable new insights into keeping love alive.

***The Intricacies of Love and Intimacy*** Ami Rokach, 2024-08-30 This book explores the meaning of love and intimacy from a variety of perspectives: specifically philosophical, psychological, and cultural. This volume is a focussed study on what makes them and what may break love and intimacy. Love and intimacy are central to us; is sought by almost everyone and while we seem to know what they are, they are not easily described. The present volume includes eleven chapters which are divided into two parts. The first part describes the meaning of love, intimacy, and romantic relations and the second highlights what may go wrong in such relationships and why. The book explores theoretical debates and contemporary research around emotions and will be of interest to students and researchers of psychology, philosophy, as well as sex, marriage, and family therapists and counselors. The chapters in this book were originally published in *The Journal of Psychology*.

***Nihilist Order*** Professor David Ohana, 2016-04-19 The explosive combination of nihilist leanings together with a craving for totalitarianism was an ideal of philosophers, cultural critics, political theorists, engineers, architects, and aesthetes long before it materialised in flesh and blood, not only in technology but also in fascism, Nazism, bolshevism, and radical European political movements. *The Nihilist Order* originally published in three hardcover volumes and now published in a consolidated paperback edition with an encompassing new Introduction, inspired excellent review endorsements both amongst the academic and public spheres and has been heralded as a great achievement in European intellectual and cultural history.

***Talk of Love*** Ann Swidler, 2013-06-25 Talk of love surrounds us and romance is a constant concern of popular culture. Ann Swidler's *Talk of Love* is an attempt to discover how people find and sustain real love in the midst of that talk and how that culture of love shapes their expectations and behavior in the process. To this end, Swidler conducted extensive interviews with Middle Americans and wound up offering us something more than an insightful exploration of love. *Talk of Love* is also a compelling study of how much culture affects even the most personal of our everyday experiences.

***What's Next in Love and Sex*** Elaine Hatfield, Richard L. Rapson, Jeanette Purvis, 2020-02-25 *What's Next in Love and Sex* is a comprehensive examination of contemporary academic findings relating to all matters of the mind, body, and heart. Inspired by questions asked by students, the book covers cutting

edge topics so new that they are rarely addressed in current sexuality texts providing insight into modern trends such as hookup culture virtual pornography robots apps and online dating as they evolve in this day and age Written by one of the pioneers of love and sex research Elaine Hatfield along with historian Richard Rapson and social psychologist Jeannette Purvis this book uses contemporary scientific findings to provide an updated and relevant explanation for why we do the things we do when we re in love searching for love making love or trying to keep a faltering relationship together Combining rigorous scholarship with an accessible and entertaining style no other book will give college students and academics alike such a developed understanding of contemporary love and sex *The Origins of the Love Song* Nino Tsitsishvili, 2022-11-18

The book offers a radically new perspective on the origins of the love song and human sexuality in an evolutionary context By comparing different human societies and animal species past and present it reveals that love songs romantic love and exclusive pair bonds are not the original evolutionary features of Homo sapiens One of the key findings of the book is that early humans practiced multiple partner sexual relations similar to our closest relatives bonobos and chimpanzees but with the emergence of culture and sexual taboo their behaviour had to adjust It contends that since the exodus from Africa and the rise of culture humans started to distance themselves from the rest of the animal kingdom drastically restraining their innate sexual nature The book will appeal to both scholars and laypeople with an interest in evolutionary theory socio biology anthropology and the origins of culture **Cross-Cultural Perspectives on the Experience and Expression of Love**

Victor Karandashev, 2019-06-05 This ambitious volume integrates findings from various disciplines in a comprehensive description of the modern research on love and provides a systematic review of love experience and expression from cross cultural perspective It explores numerous interdisciplinary topics bringing together research in biological and social sciences to explore love probing the cross cultural similarities and differences in the feelings thoughts and expressions of love The book s scope which includes a review of major theories and key research instruments provides a comprehensive background for any reader interested in developing an enlightened understanding of the cultural diversity in the concepts experience and expression of love Included among the chapters How do people in different cultures conceptualize love How similar and different are the experiences and expressions of love across cultures What are the cultural factors affecting the experience and expression of love Cross cultural understanding of love as passion joy commitment union respect submission intimacy dependency and more A review of the past and looking into the future of cross cultural love research Critical reading for our global age *Cross Cultural Perspectives on the Experience and Expression of Love* promotes a thorough understanding of cross cultural similarities and differences in love and in so doing is valuable not only for love scholars emotion researchers and social psychologists but also for practitioners and clinicians working with multicultural couples and families The most striking feature of this book is the broad array of perspectives that is covered Love is portrayed as a universally found emotion with biological underpinnings The text expands from this core incorporating a wide range of manifestations of love

passion admiration of and submission to a partner gift giving and benevolence attachment and trust etc Information on each topic comes from a variety of sources cross culturally and interdisciplinary The text is integrative with a focus on informational value of ideas and findings If you take an interest in how love in its broadest sense is experienced and expressed you will find this to be a very rich text Ype H Poortinga Tilburg University The Netherlands Catholic University of Leuven Leuven Belgium In this wide ranging book Victor Karandashev expertly guides us through the dazzling complexity of our concept and experience of love Not only does he show the many different ingredients that make up our conceptions of love in particular cultures such as idealization of the beloved commitment union intimacy friendship and others he draws our attention to the bewildering array of differences between their applications in different cultural contexts or to their presence or absence in a culture In reading the book we also get as a bonus an idea of how an elusive concept such as love can be scientifically studied by a variety of methodologies all to our benefit A masterful accomplishment K vecses Zolt n E tv s Lor nd University Budapest Hungary Long considered a research purview of only a portion of the world s cultures we know today that love is universal albeit with many cultural differences in meaning form and expression Moreover love has a rich history of scholarship across multiple disciplines Within this backdrop Karandashev has compiled a remarkably comprehensive global review of how people experience and express their emotions in love Covering the topic from a truly international and interdisciplinary perspective this book is an indispensable source of knowledge about cultural and cross cultural studies conducted in recent decades and is a must read for anyone interested in the universal and culturally diverse aspects of love David Matsumoto San Francisco State University Director of SFSU s Culture and Emotion Research Laboratory

**The Psychology of Love** Michele A. Paludi, 2012-03-09 From arranged marriages to online dating this four volume work presents everything from personal accounts to empirical evidence to document what creates love in our culture as well as around the world The field of biology views love as a hard wired mammalian drive akin to thirst and hunger In contrast psychology views love from a social and cultural perspective where our drive to find love and our responses to it are highly dependent on societal norms In The Psychology of Love esteemed author and educator Michele A Paludi examines love through all lenses thereby providing readers a deeper understanding of the ways we can express caring sensitivity empathy and respect toward one another Each chapter in this comprehensive four volume work includes a scholarly overview of empirical research and theories about the psychology of love In addition individuals own definitions of love are included Special attention is paid to accepted standards of love across a variety of cultures the ways individuals express liking and love across the lifecycle and patterns in dissolutions of friendships and romantic relationships making note of gender and race differences [The Sexual Revolution in Russia](#) Игорь Семенович Кон, 1995

**From Russia with Love! Russian for Kids (Paperback)** Carole Marsh, 2004-01-01 This fun introduction to Russian is full of reproducible activity pages This book introduces Russia s exciting history plus teaches hundreds of words with entertaining and humorous writing and lots of activities This foreign

language series for kids makes foreign languages easy and fun with educational and entertaining history trivia humor activities and more Children who begin learning a language at an early age improve their overall school performance boost their problem solving skills and gain a more in depth understanding of their native language Kids explore multiple languages with this series currently 8 titles available then pursue the ones that interest them the most Women and Gender in

Central and Eastern Europe, Russia, and Eurasia Mary Zirin,Irina Livezeanu,Christine D. Worobec,June Pachuta Farris,2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes Handbook of Positive

Psychology C. R. Snyder,Shane J. Lopez,2001-12-20 Psychology has long been enamored of the dark side of human existence rarely exploring a more positive view of the mind What has psychology contributed for example to our understanding of the various human virtues Regrettably not much The last decade however has witnessed a growing movement to abandon the exclusive focus on the negative Psychologists from several subdisciplines are now asking an intriguing question What strengths does a person employ to deal effectively with life The Handbook of Positive Psychology provides a forum for a more positive view of the human condition In its pages readers are treated to an analysis of what the foremost experts believe to be the fundamental strengths of humankind Both seasoned professionals and students just entering the field are eager to grasp the power and vitality of the human spirit as it faces a multitude of life challenges The Handbook is the first systematic attempt to bring together leading scholars to give voice to the emerging field of positive psychology **The Oxford**

**Handbook of Positive Psychology** C.R. Snyder,Shane J. Lopez,Lisa M. Edwards,Susana C. Marques,2020-12-30 The Oxford Handbook of Positive Psychology is the seminal reference in the field of positive psychology which continues to transcend the boundaries of academia to capture the imagination of the general public Almost 20 years after the first publication of this groundbreaking reference this new third edition showcases how positive psychology is thriving in diverse contexts and fields of psychology Consisting of 68 chapters of the most current theory and research this updated handbook provides an unparalleled cross disciplinary look at positive psychology from diverse fields and all branches of psychology including social clinical personality counseling health school and developmental psychology Several new chapters are included which highlight the latest research on positive psychology and neuroscience as well as growing areas for applications of positive

psychology      **Love and Russian Literature** Ira Nadel, 2023-11-30 Russia haunted the British cultural imagination throughout the 20th century whether as a romantic source of literary and political inspiration or as a warning of creeping totalitarianism In this new book Ira Nadel charts the story of that influence through the work of some of the key figures in British literature across the century including Joseph Conrad Somerset Maugham Jane Harrison Virginia Woolf and H G Wells Framed by the story of two romantic encounters between Walter Benjamin and the actress Asja Lacis in Moscow in 1926 and between Isaiah Berlin and Anna Akhmatova in 1945 *Love and Russian Literature* casts a vivid new light on the ways in which responses to Russia shaped the history of British modernism      **Maya Pill** German Sadulaev, 2013-11-07 In the traditions of Victor Pelevin and Vladimir Sorokin German Sadulaev's follow up to his acclaimed *I am a Chechen* is set in a twenty first century Russia phantasmagorical and violent A biting funny twenty first century satire *The Maya Pill* tells the story of a mid level manager at a frozen food import company who comes upon a box of psychotropic pills that's accidentally been slipped into a shipment He takes one and disappears down the rabbit hole entering the mind of a Chinese colleague dreaming that he is one of the rulers of an ancient kingdom even believing he is in negotiations with the devil A mind expanding companion to the great Russian classics *The Maya Pill* is strange savage bizarre and uproarious      *Go West!* Bernhard Hemetsberger, Andreas Oberdorf, 2025-03-31 The West is a central concept in public discourse but its meaning is often unclear and open to manifold interpretations and ascriptions of belonging and exclusion Who is part of the West When and where is it located How did its meaning change over space and time Who are the mediators of the West and what is their interest in terms of culture and education The West is often used without any critical questioning though This is also reflected in history of education research especially with focus on transnational or transatlantic issues Here the West is a sort of container term or fuzzy concept that can refer to a variety of historical entanglements and cultural transfers in school systems and education but also to conflicts and crises accordingly This book aims to stimulate a critical reflection and debate on ideas of the West in the history of education by gathering scholars from various fields of historical research With a reflexive historical distance to current political incidents in which ideas of the West are revived the contributions in this book are intended to enable readers to evaluate representations of the West in current academic or public discourses and debates alike      **Soviet Self-Hatred** Eliot Borenstein, 2023-06-15 *Soviet Self Hatred* examines the imaginary Russian identities that emerged following the collapse of the Soviet Union Eliot Borenstein shows how these identities are best understood as balanced on a simple axis between pride and shame shifting in response to Russia's standing in the global community its anxieties about internal dissension and foreign threats and its stark socioeconomic inequalities Through close readings of Russian fiction films jokes songs fan culture and Internet memes Borenstein identifies and analyzes four distinct types with which Russians identify or project onto others They are the *sovok* the Soviet yokel the New Russian the despised ridiculous nouveau riche the *vatnik* the belligerent jingoistic patriot and the *Orc* the ultraviolent savage derived from a deliberate

misreading of Tolkien's epic. Through these contested identities, *Soviet Self Hatred* shows how stories people tell about themselves can tragically become the stories that others are forced to live.

## Decoding **Love Russian Style**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Love Russian Style**," a mesmerizing literary creation penned by a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

### **Love Russian Style Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Love Russian Style has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Love Russian Style has opened up a world of possibilities. Downloading Love Russian Style provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Love Russian Style has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Love Russian Style. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Love Russian Style. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Love Russian Style, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Love Russian Style has transformed the way we access information. With the convenience, cost-effectiveness,

and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Love Russian Style Books

1. Where can I buy Love Russian Style books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Love Russian Style book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Love Russian Style books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Love Russian Style audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Love Russian Style books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
