Love Scenes Make Me A Star 5:

BECKONED, Part 4: From Barcelona with Love Aviva Vaughn, 2017-11-29 It was never going to be easy Fire and ice have nothing on Angela Holgu n and Soren Lund who first met as MBA students in exciting Barcelona But their timing was off until Destiny put them back in the same city London and their passion ignited Now Distance has come between them with Soren in Barcelona and Angela in Los Angeles And now that Angela has a handsome new business partner the stakes are even higher Things come to a head when Angela and her partner travel to Barcelona for business and it is there where she will have to decide between the opposing forces that beckon Will Soren s offer of life in London pull her to Europe or will her business and the siren song of the sea keep her rooted to Los Angeles BECKONED slow burn second chance romance inspired by food travel and Jane Austen Over 300 reviews with 4.4 average Part 4 in a 6 part series Let me just say this series has been my absolute favorite series I have read in 2018 so far Aviva Vaughn set out to write a slow burn and vivid story and she nailed it on the head With inspiration from Jane Austen she has reimagined the writing style of her in a way you will fall in love with from the get go I fell in love with the places I have never been and feel as if I have tasted the food This would be a series I would love to see in a film or even a mini series on tv would be amazing Liz 5 star review I am saying now that this is probably one of the best series that I have read so far this year I cannot wait for more Again the authors writing is just superb the detail the descriptions they are just beautiful and I still feel like I am right there along with these characters Katie 5 star review This lady has completely captured me with this series at first I was intrigued to see how an American author would write about the UK and she definitely did it justice and I fell in Love with a brilliant read and found a absolutely amazing author that has become one of my top ten This is definitely a series you want to read Claire 5 star review Every now and then you re faced with a book that makes you think of how little sleep you actually need to function the next morning for me part four of the Beckoned series is that book I haven t been quiet about how much I love Angela s story up until this point and just when I think Aviva Vaughn has reached max potential the next book in the series blows me away even more Felicia 5 star review The whole story series has been fascinating and captivating with Ms Vaughn upping the ante with each instalment each book slightly eclipsing the last I was enthralled through each and every book in a way I never expected to be going into this series Angela 5 star review All I can say is that I loved how everything came together in the end even though I did not expect this at all Be prepared for some emotional scenes that may draw out the ugly cry Aviva has definitely stepped it up in this part of the series I highly recommend this great series Michelle 5 star review Somehow I love each new book more than the last This story is romantic charming touching and heart wrenching I completely devoured this book in one sitting I just love these characters so much Each time I start a book by Aviva I have to prepare myself for the emotional story I know will take place Kaitlyn 5 star review Wow What an amazing conclusion to Angela s story There are hardly words to describe how beautifully Aviva Vaughn describes every bit of scenery life and the people in these books She weaves a heart clenching

ending to a wonderful story Do yourself a favor and read the entire series This book lends a certain theme that really stuck with me and while I won't say what that is I found it to be just what Angela needed in her life to be truly happy as well as something I really needed to read This book is so much more than a romance book it really teaches you about doing what makes you happy and love your life Angela is truly a character I feel many women could look up to and respect Many thanks to Aviva Vaughn for sharing this story with the world LOVED IT FIVE STARS Emily 5 star review I find it so hard to write a review about this series because I just want to shout out about everything that happens Yet at the same time I don't because everyone needs to experience it for themselves to get the full effect of these stories There has never been a point during all these books that I could honestly say I knew what was going to happen This series will grip you and take you on such a journey that you will not be able to stop reading until like me you have devoured them all I cannot recommend this series highly enough Kerry 5 star review FROM THE AUTHOR Dearest Reader I wrote BECKONED for many reasons but first and foremost I wrote it to feature the kind of people I know diverse smart complicated men and women My heroines are strong and educated and my heroes are polite and respectful As an avid reader I wanted to see characters that looked like me and my friends and reflect the world I want to see I also wanted to write a beautiful book I consider BECKONED to be a modern story told in an old fashion way with lots of metaphors and beautiful phrases and where the sex is explicit but also elegant So if you are a Word Nerd like me then you will love BECKONED If you choose to embark on this journey with me you and your taste buds will get to visit London Barcelona Bath Los Angeles Honolulu Costa Rica New Zealand and Copenhagen It will be a fun and delicious ride There are even recipes in some of the books as well as soundtracks to give you a multi sensory experience BECKONED is a single story in six parts and should be read in order The intimacy is steamy but it is slooooooow burn and is distributed throughout the books because of how the couples relationships change and deepen Birthing BECKONED has truly been a labor of love and I hope you enjoy reading it as much as I enjoyed writing it BUCKLE UP and enjoy the journey Wishing you love and romance Aviva
