Sex and Religion Dag Ølstein Endsjø,2012-01-01 Sex and religion are inevitably and intricately linked There are few realms of human experience other than sex in which religion has greater reach and influence The role of religion of any faith to prohibit regulate condemn and reward is unavoidably prominent in questions of sex namely with whom when how and why In Sex and Religion Dag Ølstein Endsjø examines the myriad and complex religious attitudes towards sex in cultures throughout the world Endsjø reflects on some of the most significantly problematic areas in the relationship between sex and religion from sex before or outside of marriage to homosexuality Through many examples from world religions he outlines what people mean by sex in a religious context with whom it is permissible to have sex how sex can be a directly religious experience and what consequences there are for deviance for both the individual and society As Endsjø explains while Buddhist monks call attention to gay sex as a holy mystery the Christian church questions a homosexual's place in the church Some religions may believe that promiscuity leads to hurricanes and nuclear war and in others God condemns interracial marriage Sex and Religion reveals there is nothing natural or self evident about the ways in which

various religions prescribe or proscribe and bless or condemn different types of sexuality Whether sex becomes sacred or abhorrent depends entirely on how a religion defines it Sex and Religion is a fascinating investigation of mores meanings rituals and rules in many faiths around the globe and will be of interest to anyone curious about the intersection of these fundamental aspects of human history and experience *Crossdressing in Context, Vol. 4 Transgender & Religion* Ph. Durban,2023-02-28 Winner in the LAMMY Awards Lambda Literary

Awards LGBTQ Studies category Evangelical Christians and members of the global LGBTQI human rights movement have vied for influence in Haiti since the 2010 earthquake Each side accuses the other of serving foreign interests Yet each proposes future foreign interventions on behalf of their respective causes despite the country s traumatic past with European colonialism and American imperialism As Erin L Durban shows two discourses dominate discussions of intervention One maintains imperialist notions of a backward Haiti so riddled with cultural deficiencies that foreign supervision is necessary to overcome Haitians resistance to progress The other sees Haiti as a modern but failed state that exists only through its capacity for violence including homophobia In the context of these competing claims Durban explores the creative ways that same sex desiring and gender creative Haitians contend with anti LGBTQI violence and ongoing foreign intervention Compelling and thought provoking *The Sexual Politics of Empire* examines LGBTQI life in contemporary Haiti against the backdrop of American imperialism and intervention *A Companion to Gender History* Teresa A. Meade, Merry E. Wiesner-Hanks, 2008-04-15 *A Companion to Gender History* surveys the history of women around the world studies their interaction with men in gendered societies and looks at the role of gender in shaping human behavior over thousands of years An extensive survey of the history of women around the world their interaction with men and the role of gender in shaping human behavior over thousands of years Discusses family history the history of the body and sexuality and cultural history alongside women s history and gender history Considers the importance of class region ethnicity race and religion to the formation of gendered societies Contains both thematic essays and chronological geographic essays Gives due weight to pre history and the pre modern era as well as to the modern era Written by scholars from across the English speaking world and scholars for whom English is not their first language *Confucianism and Spiritual Traditions in Modern China and Beyond* Fenggang Yang, Joseph Tamney, 2011-11-11 Confucianism is reviving in China and spreading in America The past and present interactions between the revived Confucianism and Daoism Buddhism Islam and Christianity will likely shape the cultural and political developments in Chinese societies of mainland China Taiwan Hong Kong Singapore etc and will have global implications in the globalizing world In addition to the philosophical and theological articulations of Confucianism and other spiritual traditions this volume includes empirical studies of and analytical reflections on the spiritual traditions in Chinese societies by historians sociologists and anthropologists It is a collection of articles by the best minds in China and the West and the top experts in multiple disciplines Collectively the volume provides an assessment of the present situation and points to the possibilities of future development of Confucianism and other spiritual traditions in modern China and beyond *Mimetic Desires* Harshita Mruthinti Kamath, Pamela Lothspeich, 2022-11-30 Through an exploration of subjects such as Gandhi impersonators performance artists and ritual participants *Mimetic Desires* makes an intervention toward understanding the phenomenon of impersonation and guising in South Asia and the world This volume defines impersonation as the temporary assumption of an identity or guise in social and aesthetic performance that is perceived as not one s own

and guising as sartorial and kinetic play more generally Interrogating the legitimacy of the purported dialectic between the real original and fake dupe *Mimetic Desires* refutes the ordering of identity along the lines of a binary or dichotomy that presupposes the myth of an original identity By peeling back the layers of performative masks to reveal the process of the masquerade itself we can see that those with the most social capital are often those with the most power and opportunities to impersonate up and down social hierarchies The book's twelve chapters disclose sites and processes of sociopolitical power facilitated by normative markers of social status relating to race ethnicity gender caste class and religion and how those markers can be manipulated to express and enhance individual and group power The first comprehensive study to focus on impersonation in South Asia *Mimetic Desires* expands on previous scholarship on impersonation and guising in vernacular theatre dance public processions and religious rituals It is particularly in conversation with the robust scholarship on gender performance in South Asia's theatrical and dance forms *Mimetic Desires* explores some of the contexts and forms of impersonation in South Asia with its remarkable array of performing arts to gain insight into the very human and quotidian practices of impersonation and guising
