Love to the Rescue Barbara Cartland,1972 **Love to the Rescue** M. P. H. Stanley,2016 An old teddy bear is rescued and given new life helping children in Shriners Hospitals **Christ and Men** David James Burrell,1905 **Conrad's Decentered Fiction** Johan Adam Warodell,2022-03-17 What are the fingerprints of Joseph Conrad s fiction This richly illustrated book argues that Conrad s vibrant details set him apart as a writer and brings them from the margins to the center for study With recently discovered primary sources including drawings and maps in Conrad s own hand this book travels widely across Conrad s fiction and explores its interest in marginal voices characters and details It produces a new picture of Conrad as a writer and the first picture of Conrad as an amateur sketch artist Introducing new critical vocabulary and applying new names from art history to Conrad studies the book ranges across cartography fashion analytic philosophy manuscript studies and animal studies to discover Conrad as an artist operating across and between different media Offered as a complement to the abstract approaches of much literary theory this detail driven and margin focused monograph mirrors the characteristic granular nature of Conrad s fiction *A Preacher's Confession* Thomas Chesley,2021-10-20 When I gave my life to the Lord I used to get angry with myself all the time and I felt hopeless I kept falling into sin and making dumb decisions that kept me from being successful How could I be so smart and still be so stupid that I can t beat this thing Self pity began to gain strength I got depressed at one point I was homeless and I gave up on myself I walked away from God many times One day my mother prayed with me and gave me a Bible and told me to read Romans I later became a Minister I couldn t get it right because I couldn t get past my addiction and my own self interests How could this be I am a Minister Who does the man of God go to when he is failing The answer is clearly God I became convinced that my testimony may help some other Ministers who struggle with the same things I did Like me they may be waiting on God and hoping He hears them too One day I accepted that even Preachers can fail I wasn t doing anything constructive with my life at that time I decided to trust God I didn t know if He would do it but I prayed anyway I soon believed that if I asked God for faith and told people the truth God was going to change me Today I am a Minister in good standing in a church in Orange County CA and the CEO of a nonprofit called A Touch of Love Works When you read A Preacher s Confession you discover that in spite of everything that is wrong with me there is a side of me that wants to make the world a better place and I will do my part This is my story To God be the glory **Nanny to the Rescue!** Michelle LaRowe,2015-08-25 America s nanny offers a large dose of healthy parenting advice with secrets for raising happy secure and well balanced babies and toddlers Babies don t come with instructions And since today s parents are so overwhelmed with schedules and demands they have little time to bone up on their parenting skills Often removed from grandparents and relatives who in times past lived next door or just down the street they have no one to guide them through the disorienting world of raising children Enter Nanny to the Rescue Michelle LaRowe 2004 International Nanny Association Nanny of the Year gives her tried and true solutions to childcare Her expertise

is anyone in a position to say for sure As an eyewitness to the life of Christ the Apostle John presents authentic Christianity in its simplest form His letter to the church titled First John convincingly shows us that ordinary people who walk with God know the truth live right and love completely three characteristics of a true follower of Christ Correctly understood John s picture of the Christian life is more than a helpful definition It is an essential blueprint for living a dynamic balanced spiritual life A Common Man s Guide to God leads you on an in depth journey of First John paragraph by paragraph over thirty one days It expands on John s themes of truth obedience and love Accurate to the text yet practical this straightforward devotional is the perfect starting place for anyone hungry for a genuine relationship with God **Yoga to the Rescue** Amy Luwis,2007 Stressed Distressed Tired Plump Hurting Yoga is the tonic that every woman needs It aids relaxation boosts energy kick starts the immune system eliminates toxins tones every muscle increases confidence and clarity and reduces pain both physical and mental This amazing little volume is the easy way to begin or improve any yoga practice It s packed with 48 classic asanas to start your journey to total wellness Each page comes complete with lighthearted and amusing illustrations instructions a list of benefits focus points and because laughter is the best medicine of all amusing commentary Plus most of the poses include easier alternatives and each category features special Mega Benefit Sequences This tool is as enjoyable as it is helpful **Love to the Rescue** Kat Neil,2024-06-04 Nicole lost her boyfriend and yearns to move forward Cameron ready for a new romance hopes to mend Nicole s heart and tend his own wounds **The Golden Book Magazine** ,1926 *The Forum* ,1927 Love and Money Michael Tratner,2021-02-25 When people speak about love and money they usually are referring to a conflict love distorted by the desire for money Such statements imply that love has a distinct form before economics interferes but this book aims to show that such a view simplifies what is going on because people have always been deeply shaped by everything in the social order including economics So when people say that money is distorting love what they are really saying is that the current relationship of love and economics is different from an earlier relationship This book seeks then to demonstrate the intertwining of the discourses of love and money over a long history by focusing on moments when parallel conceptions appear in economic theories and love stories The two discourses intersect because both seek to define qualities and behaviors of human beings which are most valuable and hence most desirable Similar descriptions of valuable behaviors appear at roughly the same time in economic theories of how to acquire wealth and literary stories of how to find ideal lovers By tracking mutual expressions of desire value and acquisition in economics and love stories this book argues for the ubiquity of the intertwining of these discourses while exploring shifts in conceptions of value It focuses on four eras when economic and romantic conceptions of what is most desirable were actively changing in English discourses the early modern 17th century the Victorian 19th the modernist 20th and the postmodern present

Hawaiian Love Jeanne McCann, 2004-07-26 On a beautiful beach on the big island of Hawaii a faint cry drives a brave young woman to put her life in danger to save a young boy's life A split second decision and Shannon Dunbar's life was irrevocably changed Lieutenant Simone Moreau never thought a routine training ride with her paramedics would make a difference in her life She was unprepared for the overwhelming feelings that she had for the injured young woman An unplanned meeting and the events of that day would set in motion a romance so compelling that it would force both women to make very hard decisions if they were to ever be together Would Simone and Shannon's romance survive the normal growing pains of a new relationship let alone a frightening rescue that Simone would face a year later While Shannon waits terrified for her lover and partner to return would the fate that brought them together tear them apart

Doctor Josephine: a Love Story of Profit-sharing Willis Barnes, 1901 Made Love To A Street King Tyra Racquel, 2018-05-05 For the love of money is the root of all evil From dope boy to street king Yali and his team rose from the bottom to the top with no worries The respect that they have from around the way leaves them untouchable Until somebody tries to touch them With a hard demeanor Yali's focus is to remain on top by any means necessary until his focus suddenly shifts to a beauty by the name of Eniko She was the rose that grew from the concrete With a past that left her fragile Eniko finds herself relocating to breathe in some fresh air With her attention on her writing career she didn't expect for Yali to creep into her life and steal her heart Falling in love again wasn't something she thought would happen but is that love strong enough not to break their bond when everything goes south Be careful who you let into your life Betrayal is one thing and loyalty is another You may think that you can stay on top forever but always remember When you're on top the only way to go is down
