## **Love Hunger:**

Love Hunger Frank Minirth, Paul Meier, Robert Hemfelt, Sharon Sneed, Don Hawkins, 2004-11-08 Based on the premise that overeating is linked to emotional and spiritual deprivations Love Hunger begins with a relationship inventory that will help you understand how disappointments with your family spouse or self can result in obesity It then provides a comprehensive program that helps identify whether or not you are using food as a substitute for love career fulfillment or friendship and shows you how to break that addiction Once you begin dealing with the psychological basis for your eating problems you ll be ready to lose weight healthfully with a dietitian designed food plan that includes daily menus and recipes as well as strategies for relapses maintenance motivation and more This is a complete plan for body mind and soul

*Finding the Right Woman for You* Michelle McKinney Hammond, 2005-01-01 And now a look at the single life geared toward the male perspective Relationship expert Michelle McKinney Hammond turns her attention to single men and offers them an insider's glimpse into the mysterious world of woman She outlines how to seek a fulfilling relationship with the opposite sex how to clean up their dating life and how to thoughtfully pursue the woman of their dreams Male readers will deem this the ultimate guide to successfully finding and keeping the love of their life *Jasmine and the Stifling Heat*

Rahman Shaari, 2010 **At Love's Cost; In Two Volumes** Charles Garvice, 2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage A Course In Weight Loss

Marianne Williamson, 2012-01-01 The New York Times bestseller now with a new Introduction by the author If your weighty thinking does not change then even if you lose weight you ll retain an overwhelming subconscious urge to gain it back It's less important how quickly you lose weight and more important how holistically you lose weight you want your mind your emotions and your body to all lose weight Weight that disappears from your body but not from your soul is simply recycling outward for a while but is almost certain to return It's self-defeating therefore to struggle to drop excess weight unless you are also willing to drop the thought forms that initially produced it and now hold it in place Marianne Williamson What is the connection between spirituality and weight loss Best selling author Marianne Williamson is about to answer that question for you in her groundbreaking book bringing you 21 spiritual lessons to help you surrender your weight forever These lessons form a holistic paradigm for weight loss addressing the spiritual emotional and psychological elements involved in what Williamson refers to as conscious weight loss If you are a food addict a compulsive eater or someone who for any reason sees food as the enemy this book is for you A Course in Weight Loss addresses the true causal root of your weight loss issues a place within you where you have forgotten your divine perfection This forgetfulness has confused not only your mind but also your body making you reach for that which cannot sustain you and reject that which does As your mind reclaims its spiritual intelligence your body will reclaim its natural intelligence as well The 21 lessons in this book will take you on a deep sacred

journey One step at a time you will learn to shift your relationship with yourself and your body from one of fear to one of love And you will begin to integrate the various parts of yourself mind body and spirit to become once again and in all ways the beautiful and peaceful person you were created to be As Williamson writes When it comes to your enjoyment of eating your best days are not behind you but ahead of you So get ready to begin a new relationship with food and with yourself

*Dismemberment in the Fiction of Toni Morrison* Jaleel Akhtar, 2014-06-19 Dismemberment in the Fiction of Toni Morrison is a multifaceted study of Toni Morrison s fiction It investigates racism and the concomitant experiences of dismemberment in Morrison s fiction from multiple perspectives including history psychology and culture Looking at dismemberment from multiple perspectives rather than the more generic and abstract expression of fragmentation likens the impact of racism on individuals to the splitting of bodies amputation phantom limbs and traumatic memories and in more concrete and visceral terms Morrison s art of story telling involves an interactive conversation from multiple perspectives demanding more attentive participation from her readers in deconstructing the meaning of her narratives Studying her fiction from multiple perspectives suggests various ways of examining the pernicious impact of racism which produces various forms of dismemberment in her characters This investigation does this without giving prominence to one perspective at the expense of other equally relevant modes of interpretation Morrison s depiction of the trauma of racism on the psyche of her characters and the concomitant experiences of dismemberment has its roots in the historical and social realities of African Americans The psychological impact of racism on Morrison s characters requires viewing through the lens of the historical and social realities that play a significant role Morrison enacts racial alienation and dismemberment as complex processes it is consequently important to look at her project from multiple perspectives Examining the lived reality of African Americans from only one perspective ignores dismemberment in the light of the socio political and historical realities of African American experience in the United States and entails reconsideration of the physical historical social and psychological realities This investigation argues for the importance of combining these historical and psychological as well as

sociocultural analyses of Morrison's fiction in order to acquire a more rounded understanding of racism and its debilitating effects on the psyche. By situating Morrison's fiction within a variety of discourses, this study offers a multifaceted, highly interdisciplinary framework for a more rewarding analysis of her fiction.

*The Mark of Cain* J. Reid Meloy, 2013-06-17

The Mark of Cain makes available for the first time the accumulated psychoanalytic understanding of the psychopathic mind. Editor Reid Meloy, a leading authority on the psychology of the psychopath, has brought together in a single collection the most historically important psychoanalytic papers on the psychopath and delineated their continuing relevance to contemporary understanding. According to Meloy, two theoretical traditions flow into the psychoanalytic understanding of psychopathy. The first tributary focuses on the early development of the psychopath in order to illuminate how a profound alteration in self-regard leads both to a denigration of the other and to an impulsive search for gratification in the present. The second tributary seeks to locate the psychopathic miscarriage of human potentiality within analytic theories of personality structure and clinically grounded differential diagnosis. Meloy presents the major contributions associated with both of these traditions. Included within this body of literature are the original formulations of concepts that have long since become part of the psychoanalytic nomenclature: the affectionless juvenile offender, the diagnostic significance of affect hunger, the behavioral consequences of superego lacunae, the recourse to promiscuous identification in the impostor, and the paradoxically lethal lure of malignant narcissism. Of special interest are Meloy's historical notes to each chapter and two section introductions, the latter major essays in their own right. The explosion of empirical research on psychopathy over the past two decades masks the fact that much contemporary work in this area is grounded in the clinical formulations of leading psychoanalysts of the twentieth century. *The Mark of Cain* rescues this intimate understanding of the inner world of the psychopath and thereby contributes to clinical realism in the face of deception, manipulation, exploitation, and even frank dangerousness.

**Ambassadors of Light** Jasmuheen, 2000

*Ambassadors of Light* is Jasmuheen's tenth book and the follow-up to her best-seller *Living on Light: Nutrition for the New Millennium*. No doubt this new work will be just as controversial as she continues to challenge the status quo and take the pranic nourishment discussion onto the global stage. In this book, Jasmuheen offers practical solutions to world health and world hunger-related challenges through her Luscious Lifestyles Program and also effective ways to redirect global resources. This entails an in-depth look at global disarmament, the dissolution of prohibition, the forgiveness of Third World debt, holistic education programs, and the elimination of the need for personal pharmaceutical use through the elimination of all disease. *Ambassadors of Light* also looks at the undeniable long-term benefits of vegetarianism in relation to health and resource sustainability levels and also at the lifestyles that those who are now free from the need to eat food usually adopt. Jasmuheen compiles statistics from the Light Embassy's Global Research Project as well as the research of many others into this phenomena. This book is a collation of research, recipes, and recommendations that if adopted will radically alter the path of humankind. Imagine a world without war, hunger, or fear.

Imagine a world that is disease free and unified where all life is honored These are the dreams of the Ambassadors of Light

Violence and Masculinity* Kopano Ratele,2022-09 This book seeks to imagine the possibility of a more loving masculinity in a  
society where structural violence failures of government and economic inequality underpin much of the violent behaviour  
that men display Enriched with personal reflections on his own experiences as a partner father psychologist and researcher  
in the field of men and masculinities *Why Men Hurt Women and Other Reflections on Love Violence and Masculinity* is  
Kopano Ratele s meditation on love and violence and the way these forces shape the emotional lives of boys and men At the  
core of these critical and deeply insightful texts is the question of why men hurt women they love Ratele contends that many  
men in our society suffer from a painful unrecognised yet consequential love hunger that sets in during boyhood This need  
for love may lie at the root of some of the male violence that damages the lives of women children and men themselves

obsession apocalyptic lyrical and erotically charged Spanning three centuries and two cultures Hunger s Brides brings to  
vivid life the greatest Spanish poet of her time Sor Juana In s de la Cruz and plumbs a mystery that has intrigued writers as  
diverse as Robert Graves Diane Ackerman Eduardo Galeano and Nobel laureate Octavio Paz Why did a writer of such gifts  
silence herself At the time of her death in 1695 Juana In s de la Cruz was arguably the greatest writer working in any

European tongue yet she had never set foot in Europe Instead she was born among the descendants of the Aztec empire in the shadow of the mountain pass Cort s and his troops descended on their advance to Montezuma s capital A child prodigy from a barbarous wilderness her beauty and wit provoked a sensation at the viceregal court in Mexico City But at the age of nineteen still a favourite of the court Juana entered a convent and from that point her life unfolded between the mystery of her sudden flight from palace to cloister and the enigma of her final vow of silence signed in blood After a quarter century of graceful often sensuous poetry plays and theological argument Sor Juana chose silence which she maintained until she died of plague at the age of forty five Drawing on chronicles of the conquest and histories of the Inquisition myth cycles and archeological studies ancient poetry and early Spanish accounts of blood sacrifice Hunger s Brides is a mammoth work of inspired historical fiction framed in a contemporary mystery In the dead of a Calgary winter night a man escapes from an apartment in which a young woman lies bleeding in his arms he clutches a box he has found on her table addressed to him He is Donald Gregory a once respected now disgraced academic She is Beulah Limosneros one of his students and for a brief time his lover Brilliant erratic voracious she had disappeared two years earlier in Mexico following the thread of her growing obsession with Sor Juana Over the ensuing days and weeks as a police investigation closes in around him Gregory pieces together the contents of the box she has left him a poetic journal of her travel in Mexico diaries research notes unposted letters and a strange manuscript part biography part novel on Sor Juana Hunger s Brides is a dramatic unveiling of three intimate journeys a man s forced march to self knowledge a great poet s withdrawal from the world and a profane mystic s pilgrimage into modern Mexico in which the bones of the past constantly poke through a present built on the ruins of the vanquished Excerpt from Hunger s Brides From the moment I was first illuminated by the light of reason my inclination toward letters has been so vehement that not even the admonitions of others nor my own meditations have been sufficient to cause me to forswear this natural impulse that God placed in me that inclination exploded in me like gunpowder Sor Juana in a letter of self defence written to a bishop in 1691 just before she took a vow of silence

**Sadhana** **The Realisation of Life** Rabindranath Tagore,2020-04-19 Perhaps it is well for me to explain that the subject matter of the papers published in this book has not been philosophically treated nor has it been approached from the scholar s point of view The writer has been brought up in a family where texts of the Upanishads are used in daily worship and he has had before him the example of his father who lived his long life in the closest communion with God while not neglecting his duties to the world or allowing his keen interest in all human affairs to suffer any abatement So in these papers it may be hoped western readers will have an opportunity of coming into touch with the ancient spirit of India as revealed in our sacred texts and manifested in the life of to day Author s Preface

*Effacing the Self* Marc De Kesel,2023-08-01 In spirituality and mysticism many seek a counterbalance to the strong emphasis on the self that modernity demands of us We desire a fixed self on the one hand and are fascinated by selflessness on the other But is our fascination with selflessness not a ruse to make that self of ours even

stronger And is that self critical question not the kernel of even traditional mysticism Marc De Kesel investigates some dark rooms of the mystical tradition to clarify this This is a book for all who want to free themselves from the conceptual frameworks and rigid dogmas of late modern religiosity The first part of the volume deals directly with early modern Christian mysticism and more specifically with the French spiritualit and discussions centered around the problem of what it means to love God in a pure radically unselfish way The second part explores the paradoxical dialectics between self and selflessness in relation to the way Christian religion deals with its own identity If Christian love is selfless why has Christianity in the end not given up its own self its own identity The third and last part of the volume discusses the dialectics between self and selflessness in three other domains popular spirituality politics and modern science It makes clear that selflessness is not limited to mysticism but is both a fascination and a problem paradox for modernity in many fields

*The Complete Works* Rabindranath Tagore,2022-05-17 Rabindranath Tagore s *The Complete Works* is a monumental anthology that encapsulates the breadth of his literary genius spanning poetry prose essays and plays Written in Bengali and later translated into various languages Tagore s works reflect a profound engagement with themes such as nature spirituality and the human condition His unique literary style blends lyrical elegance with philosophical depth illustrating the transitions of Indian society during the 19th and early 20th centuries while deeply rooted in the cultural heritage of Bengal This collection serves not only as an exploration of Tagore s creative evolution but also as a testament to the broader literary renaissance in India during his lifetime Rabindranath Tagore the first non European Nobel laureate in Literature was born into a wealthy Bengali family with a rich artistic legacy His exposure to both traditional Indian literature and Western thought profoundly influenced his writing As a polymath writer composer educator and social reformer Tagore sought to bridge the divide between Eastern and Western philosophies leading him to produce works that question societal norms and celebrate individuality and freedom For readers seeking to delve into the profound depths of human experience and wisdom *The Complete Works* offers an unparalleled opportunity This collection not only introduces Tagore s artistic vision but also provides insight into the philosophical inquiries that continue to resonate in today s world Engaging with Tagore s works is essential for anyone interested in understanding the intricate tapestry of world literature
