

A heart-shaped sun or moon is positioned in the upper center of the frame, glowing with a bright yellow and orange light. The background is a dark, gradient sky transitioning from deep orange near the heart to a dark, almost black, horizon. Below the horizon, a dark, textured surface, possibly water or a field, is visible. A vertical path of shimmering, golden light leads from the bottom center of the image up towards the heart-shaped sun, creating a sense of depth and focus.

Schmidt M.A. R.N., 2016-10-12 Late one night the author was startled awake by a loud voice saying You have been chosen She discovered the voice was in her mind She said out loud To do what The answer was To write your books She was astounded It was only then when she was rocked to her core by these spiritual happenings that had no rational explanation that she realized there was definitely another dimension to her life She was changed forever not all at once but little by little over many years This is the revealing story of those amazing and profound occurrences Until now she has never spoken about them because she thought her friends and family would think she was crazy Its only now more than twenty five years later that she has found the courage to share her spiritual journey The title It May Be Simple But It Isn't Easy suggests that some of us know we can connect with God and the Holy Spirit but how many of us actually do so on a regular basis How many of us remember to forgive everyone and or send love to all that we meet This is the true story of the authors spellbinding spiritual journey and how she learned to become a spiritually based courageous woman **Learning to Love When Love Isn't Easy** David R. Walls, 1992 *All of me* Nandini Joshi, 2022-01-18 This book is a poetry book which has 4 sections LIFE LOVE HATRED AND DEATH The first section of the book talks about how life is so unpredictable and situations which are under control are to be managed and accepted accordingly It also has poems of feminism The overall
