

The background of the cover features a close-up of a man and a woman in a romantic pose, nearly kissing. The man is on the right, looking down at the woman on the left, who is looking up at him. The lighting is soft and intimate. In the bottom right corner, a detailed illustration of a pocket watch is shown, with its cover open, revealing the face and hands. ## **Love Once In Passing:**

**Love Once in Passing** Jo Ann Simon, JoAnn Simon, 1981 This is book one in Jo Ann Simon's acclaimed time travel romance first published in the early 1980s Christopher Dunlap a man of title and privilege in early nineteenth century England and Jessica Lund a thoroughly modern woman suddenly find their lives mysteriously entwined in Jessica's late twentieth century world Neither understand how Christopher a man who had been living a happy life nearly two hundred years in the past is now flesh and blood in Jessica's present They soon share a love for each other as deep as it is dangerous for whatever has brought them together can just as easily tear them apart **Healing After a Loved One's Demise and Overcoming Grief Through Daily Meditations** J.D. Rockefeller, 2015-12-03 There is nothing more painful than losing someone you dearly love Loss is a fact of life and no one can ever take control of this but no one can also deny that it makes the lives of people left behind sad and miserable It's hard to cling on to happy memories with a loved one when they are still alive so it would just be a natural reaction to mourn for their physical absence Knowing that your loved one already left you behind can be unbearable but you have to remember that though his or her life ended your life needs to continue The negative emotions are given after someone's demise but it is not right to embrace sadness for the rest of your life Healing after a loss is highly possible It just takes positive attitude and determination to overcome the pain and grief so that everyone will continue to live and be happy If you do not know when and where to start healing your heart and its wounds read on as this book was written to guide you as you walk through and finally overcome the dark phase of your life Here you will discover ways on how to overcome your grief through daily meditations and many other helpful ways **A Reflective Journey of a Loved One's Passing** CK Brashares, 2023-10-24 I remember coming home from a particularly tough day when mom was especially obstinate about whatever we were trying to do for her that day I pulled into my driveway turned off the truck and just sat there for a few minutes leaning back in my seat with my head against the headrest I let out a sigh as my gaze went to the sky I was struck by how the sky felt expansive and peaceful yet how small I was in comparison It struck me oddly that I felt this feeling and I wondered what it meant Then the epiphany hit me Since the day I had found out my mother's days were numbered I gradually diminished day by day becoming more compact emotionally shut down to get through this period I realized that I could no longer diminish myself any further The expansiveness of the sky highlighted for me my feeling of smallness Also I could no longer hide from the feelings that came with the eventuality of my mother's passing I had to open and face those feelings and go through the pain of her loss **Let's Love Once Again** Dr. Sapna Pandey Mishra, 2022-07-02 This story collection presents different ideas passions and feelings those throw light on a different world of love If love could be found in human shapes then definitely it would look like characters of Let's Love Once Again Love as a tender feeling like first down power of rain love as a wild passion or love as an internal journey has been portrayed Love Knocks at the doors of all the hearts in one of the above forms However there are very few who can witness and respect all the colours of love The

book is a noble journey embellished with tender feelings of love The book is for all those who are ready to live their aspirations frustrations and accomplishments This is for the people who have guts to accept their broken dreams gloriously and to see new dreams     Romantic Conventions Anne K.
