**Book Crush** Nancy Pearl, 2009-09-29 Do you remember your first book crush You know the first time a book completely captured your imagination transported you to a magical place or introduced you to a lifelong friend you will never forget In Book Crush popular librarian and reading enthusiast Nancy Pearl reminds us why we fell for reading in the first place how completely consuming and life changing a good book can be Pearl offers more than 1 000 crush worthy books organized into over 100 recommended reading lists aimed at youngest middle grade and teen readers From picture books to chapter books YA fiction and nonfiction Pearl has developed more smart and interesting thematic lists of books to enjoy Parents teachers

and librarians are often puzzled by the unending choices for reading material for young people. It starts when the kids are toddler and doesn't end until high school graduation. What's good, what's not, and what's going to hold their interest? Popular librarian Nancy Pearl points the way in *Book Crush*.      **Beyond Leveled Books** Franki Sibberson, Karen Szymusiak, Lisa Koch, 2023-10-10 In *Beyond Leveled Books* Second Edition Franki Sibberson, Karen Szymusiak, and Lisa Koch provide even more resources to help teachers understand and meet the needs of transitional readers. The key topic of series books has been revised and enlarged with charts outlining new series with the challenges they pose and supports readers need. New lessons have been added and most chapters now include a related article from a literacy expert. Some of the contributors include Kathy Collins, Larry Swartz, and Mary Lee Hahn. Leveled books are an indispensable tool for teaching children to read, especially for emergent readers, but the authors of *Beyond Leveled Books* are sounding the alarm about the overuse and misuse of leveling and the way it restricts teacher autonomy and undermines student choice and reading engagement. The authors lay out a blueprint for using leveled books effectively within a student-centered and differentiated approach that is designed to motivate all readers, particularly transitional ones. *Teaching Transitional Readers* *Beyond Leveled Books* is packed with resources to help teachers understand and meet the needs of transitional readers, including examples of classroom instruction, sample mini-lessons, strategies for small group instruction, assessment techniques, and articles by literacy experts. *Resources for K-5 Classrooms* The book explores the uses and limitations of leveled texts in primary reading instruction, including ideas for how to organize your classroom library and a list of great books and series to use alongside leveled text in supporting new readers. *Gateway to Independent Reading* The authors provide explicit tools for helping students consolidate their skills and reading strategies to read widely and deeply, to increase their vocabulary and build critical thinking. *Making Reading Fun* Teach students to experience joy from reading through deeper comprehension and application. *Beyond Leveled Books* is an essential resource for K-5 teachers looking to help all readers, including budding readers, struggling readers, transitional readers, and readers who have plateaued.      *Readers' Advisory for Children and 'Tweens* Penny Peck, 2010-04-09 This complete guide to youth readers advisory covers genres, reading interests, and issues, as well as provides lists of sample titles and recommended reading. Finding children and tweens' great books to read is still a key library service, even in the age of computers. *Readers' Advisory for Children and Tweens* is an easy-to-use, practical guide that will help any library staff member become more comfortable offering this service and more adept at producing satisfying results. Beginning with basic advice on the readers advisory interview, the book details how to find books for different age groups, including young children and their parents, emergent readers, transitional readers, and adept readers. It explores genre, fiction for tweens, nonfiction, poetry, and folklore, and graphic novels, and it offers techniques on promoting books and reading. Potentially sensitive issues, such as book challenges, assisting English language learners, serving children from various cultures, working with teachers, and helping reluctant readers, are addressed as well. The advice is augmented with handy

booklists and descriptions of dozens of websites that aid in youth readers advisory *Thinking and Learning through Children's Literature* Miriam G. Martinez, Junko Yokota, Charles Temple, 2017-04-18 Much of teachers attention these days is focused on having students read closely to ferret out the author's intended meaning and the devices used to convey that meaning But we cannot forget to guide students to have moving engagements with literature because they need to make strong personal connections to books of merit if they are to become the next generation of readers literate people with awareness of and concern for the diversity of human beings around them and in different times and places Fortunately guiding both students personal engagement with literature and their close reading to appreciate the author's message and craft are not incompatible goals This book enthusiastically and intelligently addresses both imperatives first surveying what is gained when students are immersed in literature then celebrating and explicating the main features of literature students need to understand to broaden their tastes and deepen their engagement at the same time they meet external standards then presenting a host of active methods for exploring all major genres of children's books and finally presenting suggestions for interdisciplinary teaching units grounded in literature Created by noted leaders in the fields of children's literature and literacy the book is enlivened by recurring features such as suggested reading lists issues for discussion links to technology and annotations of exemplary books

[The Kids' Book Club Book](#) Judy Gelman, Vicki Levy Krupp, 2007-05-10 The first complete guide for use by adults and children to creating fun and educational book clubs for kids As authors of *The Book Club Cookbook* the classic guide to integrating great food and food related discussion into book club gatherings Judy Gelman and Vicki Levy Krupp hear a common refrain from parents librarians teachers community leaders and kids themselves How about writing a book for kids book clubs Indeed in recent years youth organizations parents libraries schools and our local state and federal governments have launched thousands of book clubs for children as a way to counter falling literacy rates and foster a love of reading Based on surveys representing five hundred youth book clubs across the country and interviews with parents kids educators and librarians *The Kids Book Club Book* features \_ the top fifty favorite book club reads for children ages eight to eighteen \_ ideas and advice on forming great kids book clubs and tips for kids who want to start their own book clubs \_ recipes activities and insights from such bestselling children's book authors as Christopher Paolini Lois Lowry Jerry Spinelli Nancy Farmer Christopher Paul Curtis Andrew Clements Laurie Halse Anderson Norton Juster and many others From recipes for the Dump Punch and egg salad sandwiches included in Kate DiCamillo's *Because of Winn Dixie* to instructions on how to make soap carvings like the ones left in the knot hole of a tree in Harper Lee's *To Kill a Mockingbird* this book provides a bounty of ideas for making every kids book club a success
