Love Thy Neighbor Second Chance At Love:

Love Thy Neighbor Sophie Wintner, 2014-10-27 A satisfying category romance from Entangled's Lovestruck imprint He's designed for delicious trouble Interior designer Nikki Norris is at the end of her rope She's lost her business and her fiancé who called off their engagement Now she's broke and on her own living in a loft apartment she can barely afford But something in her feng shui must be working because her new neighbor across the hall is a sexy Brit fashion photographer and he has just the thing to turn Nikki's bad luck around Dallas is tired of stick thin fashion models with no personality So when his curvaceous new neighbor Nikki seeks his help in making her ex jealous Dallas is only too happy to oblige the woman who sets his libido on fire every time she walks into a room Dallas not being one to make commitments thinks all he wants is a little taste of Nikki But will it be enough Just as Nikki and Dallas hatch their plan the wicked chemistry between them growing more irresistible by the second complicates things Now the lines between make believe and making love blur Have Nikki and Dallas found a perfect arrangement or have they designed the perfect plan for disaster Love Thy Neighbor Jody Kaye, 2022-01-02 PEPPER My boss's son is less than thrilled with the workout I'm giving the smoke detector But if Mateo Sanchez wasn't willing to lease me the other side of his duplex I'd be living in a cardboard box The latest trouble to root me out of hiding in this small town paradise Finding a date to my sister's destination wedding to my ex I knew lying that my hot landlord was my boyfriend would bite me in the you know where but sometimes a girl gets tired of playing the underdog MATEO Pepper Corbin is as coordinated as a foal on an icy lake And while everyone at Kingsbrier has taken a shine to her the burning smells coming from her kitchen grate on my last nerve I certainly don't appreciate Pepper telling her family we're dating Except getting roped into spending a week on the high seas That's my own fault So I agree to fake our relationship Maybe even too well since now that I've kissed Pepper she's driving me crazy in a different way The Other Side of the Sermon John Rutledge, 2013-04 The Other Side of the Sermon arose from years of blindly following a faith that turned out to be inadequate for the challenges and opportunities of the real world One event the death of my wife at forty three and the difficulties that followed opened my eyes and set me to a search for answers And I found them They had been there all along but I had never heard them from a pulpit or in a Sunday school class or read them in any religious publication The answers were practical They were not the touchy feely sweetness and light that give goose bumps to the gullible they were tough workable necessary tools for living Christ the supreme pragmatic did not intend that his followers be fools or fooled Yet I had been both Confronting admitting and reversing that took time Three years of writing exposed my fallacious faith and more than twenty years of practicing those writings have left me with one regret that I could not have read the book instead of writing it We think of religion as a collection of dos and don'ts rules by which we justify our behavior to ourselves to others and perhaps even to God Preachers tell us what we must do and what we must not do And yet Christ told his audiences what they did not have to do and of the discretionary that allowed interpretation Freedom from the have

fiction from the late 1960s and early 1970s taken from the exploits of the Hudson County Political Machine an organization that in its heyday rivaled Cook County Chicago as the most ruthless and well oiled political operation in America It is also the story of redemption for a fallen political figure trying to right the wrongs from his past by backing the efforts of Joe Davis a 1 000 to a shot Rocky type candidate who finds the courage to take on the entrenched twelve term Congressman Benjamin Dover who runs Hudson City with an iron fist After stumbling upon an unaddressed environmental hazard and with a bit of divine inspiration the upstart candidate has a punchers chance to pull off a political upset for the ages His hopes though rest in the hands of a fourteen year old protg a Bible thumping African American woman from the Projects a radical left wing Councilwoman and an eighty year old mystery man We Are Spirit Grayce Dian Comerford,kenneth J
