The Motel and other Digressions IRWIN TOUSTER,2012-09-11 What the hell do you know about running a motel anyway I could hear the chorus of friends and relatives chanting the question as soon as I mentioned of buying such an establishment The idea of acquiring a motel did not originate from some romantic desire to live the life of an innkeeper rather the opportunity to buy one came after our father's will was probated and the amount of money left to Saul my brother and me was not enough to change our lives I wished it had I've always had a desire for fame and fortune if only to test my character It was however large enough to need investing and the motel seemed the right buy I'm a smart guy I replied to the chorus And I can count sheets The answer stopped the question but not the head shaking

Situations Linda Cannady, 2005-02-15 This book was written with a sense of urgency to prompt those who are in an abusive relationship And to alert those who may be heading in that direction Get out of it save money and have an escape plan don't wait on the worst to happen because once you go back the situation gets worse and you may say to yourself that no one could be that cruel but the best of them can and will Because no matter how good you look how good you make love the fact that you are a good working person or how much money you have the problem comes from within them it could be the way they were raised or a mental problem from birth or both So my advice is never get in a relationship with someone to cover the pain from a previous relationship because you will be blinded of their faults until it's too late Plus even bandages wear out and fall and if you wear a bandage too long it makes your skin pale so never put a bandage which is that new person coming in your life on your pain in your heart but let it air out meaning stay single until you are sure the wound is completely healed Use that time to get back to number one you And see what you want to do in life on your own and then and only then will you be able to see a person for who they really are **STAY TUNED FOR SITUATIONS PART TWO**
