Jacqueline A. Bussie, 2018-08-20 The love of God crosses all boundaries. Every single one every day millions of people lament the loss of civility, respect, and hope and they wonder if it's possible to cultivate a love big enough to overthrow hate and heal our hurts. With courage, authenticity, and relevance, Jacqueline A. Bussie proclaims, "Yes, it's possible" and urges readers to widen love's wingspan and to love as God loves without limits or exceptions. In *Love Without Limits*, Bussie imparts practical solutions for people of faith who yearn to love across division and difference in these troubled times. Through poignant personal memoir, engaging theological reflection, inspiring true stories of boundary-busting friendships, creative readings of scripture, and surprising shout-outs to some of love's unsung heroes, Bussie challenges readers to answer God's call to practice a love so deep it subverts the social order so radical it scandalizes the powerful so vast it excludes no one. A must-read for all Christians interested in inclusivity for their communities. Publishers Weekly **Love Without Limits**

Deborah M. Anapol, 1992 *Love Without Conditions* Paul Ferrini, 2021-11-02 The incredible book from Jesus calling us to awaken to our own Christhood. Rarely has any book conveyed the teachings of the master in such a simple but profound manner. This book will help you to bring your understanding from the head to the heart so that you can model the teachings of love and forgiveness in your daily life. **Love Within Limits**

Lewis B. Smedes, 1978 This is a print-on-demand book and is therefore non-returnable. An exploration of how ideal love, selfless love, can work within the limits of our ordinary lives. Using the magnificent lines of 1 Corinthians 13 as his guide, Smedes discusses the areas of life into which love must fit in order to do its work. Includes discussion questions. *Love* Pietro Archiati, 2025-04-21 The word love has become so hackneyed that it can mean almost anything. Yet the concept or idea of love remains one of the most unfathomable mysteries of human life. Here in five carefully sculpted chapters, Pietro Archiati takes up the challenge to illuminate and expand upon our understanding of this most fundamental and unique quality of human existence, beginning with the great themes of Love and Hate, the salt and pepper of life, and concluding with Realism and Idealism. Is it really possible to love the whole of humanity? And how do we balance individual freedom with the ideal of fraternity? Along this journey, the author asks and addresses numerous questions such as: What are the causes of sympathy and antipathy, and is love more than a feeling? What do masculine and feminine really mean today, and what role does sexuality play in freedom? What value is the heart without the head, and the head without the heart? And what do the great religions, in particular Islam and Christianity, have to say on these subjects? Archiati

tackles the difficult and problematic topics of Love and Sexuality Love and Death and Love and Reason As a special focus he investigates the logic of the heart and what it can mean for humanity s future development **What on Earth?** Barney Wiget,2022-04-28 In his most famous Sermon Jesus announces a Kingdom so counterintuitive that it appears upside down in contrast to conventional wisdom By prescribing both a revolutionary personal piety and a radical social possibility he teaches us how to become better people who in turn make the world better His vision for a countercultural Kingdom challenges our engagement with contemporary culture morally socially and even politically The impact of this Kingdom on the earth as it is in heaven with a view to partnering with Jesus in his venture to nudge the world toward its intended design is the focus of this compelling treatment of the Sermon By a lifestyle of holy nonconformity shaped by the Blessed Attitudes Beatitudes Jesus commissions his prophetic community to embody a social alternative that the world cannot imagine on its own and to foment a humble and loving cultural shift where the privileged and powerless flourish together in peace and justice As previews of the coming attractions when Christ will return and reign as King over a new heaven and earth Kingdom citizens work toward initiating such a world on earth as it is in heaven today **Secrets of Love, Marriage, Sex, Genius, Success, and Happiness** Naser Hegazy,2013-01-16 It is an analytical view of some of the concepts and aspects of life according to recent scientific studies that changed my consideration of some of these concepts and led me to the discovery of these secrets It is literary and social in the light of opinions the great philosophers theories the writers words and the psychologists ideas about concepts and explains them I tried to understand and comprehend the wide knowledge base about how to behave better and find more wealth of realism and much happiness in life *The Great Texts of the Bible* James Hastings,1910

St. Mark James Hastings,1910 **Holy Spirit, My Love!** Sudong Kim,2007-07-20 This book is a biography rather than a doctrine of the Holy Spirit Focusing on the Holy Spirit as a person the author portrays the Spirit as the one who has done and is doing every work of the creation and re creation The Holy Spirit is the most important and basic substance binding together the three persons of the divine Trinity into one The name of the Holy Spirit as well as of God the Father is Jesus and it is strongly recommended to baptize in the name of Jesus Christ instead of in the name of the Father of the Son and of the Spirit The Holy Spirit would like to be acknowledged as true God and true Lord by all his servants all over the world

You Dr. Alexandre Rushenas, 2018-06-23 In his second book *Cancer I Love You*, Dr. Rushenas presents a groundbreaking perspective that revolutionizes how we perceive and interact with cancer. By introducing a new theory and illuminating the existence of a profound communication channel between our bodies and cancer cells, Dr. Rushenas equips readers with an extraordinary tool to transform the very meaning of cancer and eradicate its negative associations. The book redefines the experience of living with cancer, including undergoing treatments such as chemotherapy, radiotherapy, and alternative therapies. No longer viewed as battles to be fought with frustration and anger, these moments become opportunities for boundless emotions infused with joy, fulfillment, and harmony, ultimately expediting the healing process. Through Dr. Rushenas' insights, readers discover that they possess an untapped well of power beyond imagination, forever altering their perspective on their own potential. *Cancer I Love You* invites readers to embrace a paradigm shift, fostering a deep connection between mind, body, and cancer. By embracing this holistic approach, individuals can unleash their inherent healing capabilities, propelling them forward on a transformative journey of empowerment and self-discovery. The book assures readers that once they realize their true potential, there is no turning back; the path to healing and well-being becomes illuminated with infinite possibilities.

Rumi and the Whirling Dervishes Alberto Fabio Ambrosio, 2019-12-31 This brings together in English, for the first time, a number of articles in one volume that have been published in various books and journals and are reprinted with permission. Through this work, Rumi and his poetry, as well as the whirling dervishes, will hopefully become more widely known in Western countries than they are at present. The whirling dervishes are famous for their ecstatic dance, and but here it is hoped that their role within Sufism will become more clearly understood. The book is an attempt to suggest a renewed manner of thinking about one of the most celebrated trends in the mystical dimension of the Islam, the religion of love of Rumi and the cosmic dance of the dervishes. The theology is at the back of all the itinerary, and the all five chapters represent the possibility to rethink the dynamic relation between disciples and their Founder, institution, and charisma, politics, and mysticism.
