Catalogue of First Editions of Esteemed Authors and Book Illustrators of the XIXth Century Maggs Bros,1908

The Publisher ,1901 **British Books** ,1903 **Lewis Carroll Among His Books** Charlie Lovett,2015-01-09 Charles

Lutwidge Dodgson known better by his pseudonym Lewis Carroll was a 19th century English logician mathematician photographer and novelist He is especially remembered for his children s tale Alice s Adventures in Wonderland and its sequel Through the Looking Glass By the time of Dodgson s death in 1898 Alice the integration of the two volumes had become the most popular children s book in England By the time of his centenary in 1932 it was perhaps the most famous in the world This book presents a complete catalogue of Dodgson s personal library with attention to every book the author is known to have owned or read Alphabetized entries fully describe each book its edition its contents its importance and any particular relevance it might have had to Dodgson The library not only provides a plethora of fodder for further study on Dodgson but also reflects the Victorian world of the second half of the 19th century a time of unprecedented investigation experimentation invention and imagination Dodgson s volumes represent a vast array of academic interests from Victorian England and beyond including homeopathic medicine spiritualism astrology evolution women s rights children s literature linguistics theology eugenics and many others The catalogue is designed for scholars seeking insight into the mind of Charles Dodgson through his books **The Publishers' Circular and Booksellers' Record** ,1928 **How Consumer Culture**

Controls Our Kids Jennifer Hill,2015-11-02 This gripping book considers the history techniques and goals of child targeted consumer campaigns and examines children s changing perceptions of what commodities they need to be valued and value themselves In this critique of America s consumption based society author Jennifer Hill chronicles the impact of consumer culture on children from the evolution of childhood play to a child s self perception as a consumer to the consequences of this generation s repeated media exposure to violence Hill proposes that corporations eager to tap into a multibillion dollar market use the power of advertising and the media to mold children s thoughts and behaviors The book features vignettes with teenagers explaining in their own words how advertising determines their needs wants and self esteem An in depth analysis of this research reveals the influence of media on a young person s desire to conform shows how broadcasted depictions of beauty distort the identities of children and teens and uncovers corporate agendas for manipulating behavior in the younger generation The work concludes with the position that corporations are shaping children to be efficient consumers but in return are harming their developing young minds and physical well being The Publishers Weekly ,1893
