Samuels, 2012-04 In *Lovers Should Never Quarrel* his seventh collection of poetry author George E Samuels shares his heart and seeks to help others share theirs His poetry of love expresses those thoughts we want to communicate to our mates and family He explains that the universe is full of love and that it is a waste of time for everyone to quarrel when what they really want to do is love each other Love is a pure emotion that exists like a single thread among all of us and beyond that knows no bounds we must simply embrace love and nurture it Tell your loved ones that you love them and try to never quarrel This poetry collection offers a path directly to the heart The Loving Song Being of one is the being of another Leaving one Only to be with another Only smiles and laughter make you feel You have what you have been after A very special Love A touch of your lips warm waves vibrations of breath Kisses when you came Kisses when you left playing that Song forming a place of Love A place of care Loving can t be wrong For loving is a Song *Hijras, Lovers, Brothers* Vaibhav Saria, 2021-05-18 Winner 2023 Bernard S Cohn Prize Association for Asian Studies Winner 2021 Joseph W Elder Prize in the Indian Social Sciences Winner 2021 Ruth Benedict Prize Association for Queer Anthropology Honorable Mention 2023 Anne Bolin Gil Herdt Book Prize Human Sexuality Anthropology Interest Group *Hijras* one of India s third gendered or trans populations have been an enduring presence in the South Asian imagination in myth in ritual and in everyday life often associated in stigmatized forms with begging and sex work In more recent years hijras have seen a degree of political emergence as a moral presence in Indian electoral politics and with heightened vulnerability within global health terms as a high risk population caught within the AIDS epidemic *Hijras Lovers Brothers* recounts two years living with a group of hijras in rural India In this riveting ethnography Vaibhav Saria reveals not just a group of stigmatized or marginalized others but a way of life composed of laughter struggles and desires that trouble how we read queerness kinship and the psyche Against easy framings of hijras that render them marginalized Saria shows how hijras makes the normative Indian family possible The book also shows that particular practices of hijras such as refusing to use condoms or comply with retroviral regimes reflect not ignorance irresponsibility or illiteracy but rather a specific idiom of erotic asceticism arising in both Hindu and Islamic traditions This idiom suffuses the densely intertwined registers of erotics economics and kinship that inform the everyday lives of hijras and offer a repertoire of self fashioning beyond the secular horizons of public health or queer theory Engrossingly written and full of keen insights the book moves from the small pleasures of the everyday laughter flirting teasing to impossible longings kinship and economies of property and substance in order to give a fuller account of trans lives and of Indian society today *The Illustrated London News* ,1886 *Double Lovers* Jessica Kay, 2021-04-13 Kylie spends her time getting to know both Chase and Jax She falls in love with both of them but she ultimately has to decide which one to be with Will it be Chase or Jax The Lone Mountain Ranch series is a delicious collection of novels filled with cowboys

sex and adventure about a young woman discovering that you don't have to be a good girl to be a good person. Life is both fleeting and dangerous; there is no point in denying yourself pleasure or being anything other than what you are. It explores themes of female sexuality and promiscuity as well as the idiosyncrasies of true love. **Your Relationships** Arnaud van der Veere, 2021-01-25

What is a relationship? We are all involved in relationships, but do we really know what a relationship is? To understand, we need to investigate who we really are. In all religions and philosophies, people search for answers to understand who we are and what is the meaning of life itself. Many want to know what is expected from us by others. We explore the role of relationships in our life from the day we are able to communicate. The Human is not a solitary being. In nature, we can withdraw ourselves temporarily from social contacts; think for instance of the hermits of Hinduism and Buddhism who go to the mountains for contemplation and meditation, but we always need to get back to the world and connect again. This proves that humans are social beings and in need of contact. Humans need to be a part of a community. The community is the protection and life support. A community can be the family or a larger environment. Communication combined with emotional feelings in some cases, physical attachment toward members of this community and environment is called a relationship. A relationship is a combination of emotional attachment, communication at all levels, and social behavior toward other members of a community or environment. We all need relationships. Everybody needs multiple relationships of different nature to live a proper fruitful life. In our society, we have been taught that relationships are especially important, but most people never understood the skills to start or maintain a relationship. **The Lovers (hardcover)** Julia Dobrovolskaya, 2017-03-27
