Lover Thief:

The Path of the Mystic Lover Bhaskar Bhattacharyya, 1993-03 Carrying on the living tradition of mystic minstrels the Bauls roam the countryside of eastern India enacting the spiritual love dalliance of Radha and Krishna through songs and dances The Path of the Mystic Lover explores the Bauls lifestyle and philosophy describing their sexual and ritual practices as well as their sacred teachings

Law and Love in Ovid Ioannis Ziogas, 2021-01-28 In classical scholarship the presence of legal language in love poetry is commonly interpreted as absurd and incongruous Ovid's legalisms have been described as frivolous humorous and ornamental Law and Love in Ovid challenges this wide spread but ill informed view Legal discourse in Latin love poetry is not incidental but fundamental Inspired by recent work in the interdisciplinary field of law and literature Ioannis Ziogas argues that the Roman elegiac poets point to love as the site of law's emergence The Latin elegiac poets may say make love not law but in order to make love they have to make law Drawing on Agamben Foucault and Butler Law and Love in Ovid explores the juridico discursive nature of Ovid's love poetry constructions of sovereignty imperialism authority biopolitics and the ways in which poetic diction has the force of law The book is methodologically ambitious combining legal theory with historically informed close readings of numerous primary sources Ziogas aims to restore Ovid to his rightful position in the history of legal humanism The Roman poet draws on a long tradition that goes back to Hesiod and Solon in which poetic justice is pitted against corrupt rulers Ovid's amatory jurisprudence is examined vis vis Paul's letter to the Romans The juridical nature of Ovid's poetry lies at the heart of his reception in the Middle Ages from Boccaccio's Decameron to Forcadell's Cupido iuris peritus The current trend to simultaneously study and marginalize legal discourse in Ovid is a modern construction that Law and Love in Ovid aims to demolish

Fateful Love Conshiality Kama, 2019-01-03 The second chapbook of Tlotliso Conshiality Kama that has 21 amazing poems explaining the relationship between Love and Fate The book redefines love and fate in a clear and amazing way with unbelievable revelation and understanding

Love Is a Journey Mo Guernon, 2025-05-06 Love is a Journey is the remarkable story of Albino Luciani known to the world as Pope John Paul I from his harrowing birth to his tragic death just 33 days into his 1978 pontificate the shortest pontificate in history After years of dedicated archival research and after interviewing dozens of figures in the Catholic hierarchy as well as Pope John Paul I's niece author Mo Guernon explores Luciani's family history personality and character to reveal the very essence of the man who became known as the Smiling Pope Guernon analyzes Luciani's major public pronouncements and his most significant writings which shed considerable light on his fundamental beliefs and worldview In the concluding chapters of the book Guernon assesses Pope John Paul I's legacy and journey toward sainthood and the beguiling question of how the Catholic Church might have evolved had his pontificate endured through the 1980s and beyond The events of Luciani's life are so compelling so remarkable so fast moving that the narrative reads like a novel Guernon paints a multi dimensional portrait of the man that prominently displays his virtues and shortcomings successes and failures heroic deeds

and personal doubts about his own courage He highlights Luciani s progressive views of issues of his time the crises in his personal and priestly life his discomfort with the spotlight and his anxiety about succeeding the popular Pope Paul VI the relative simplicity of his inauguration as pope and the unprecedented power he wielded on those with whom he came into contact both personally and through the mass media Above all Guernon attempts to capture the pope s mysterious ability to engender love among people of all faiths and nonbelievers too with his inimitable humility and almost divine smile A striking example of his influence came from punk rocker Patti Smith who was so enamored of Luciani that she wrote a song about the pope and dedicated her 1979 album Wave to him Pope John Paul I s impact on the world during his 33 day pontificate was simultaneously profound and perplexing and until now underappreciated In little more than a month the Luciani dazzled people of all ages races and nations while modernizing the papacy and establishing an ambitious agenda for promoting peace and dialogue among all peoples a program subsequently carried out by his successors particularly Pope Francis And in fact Pope Francis established the Vatican Pope John Paul I Foundation in memory of his beloved mentor Never has a world leader accomplished so much in so little time Xandra Function Alan Cash,2019-01-01 A science fiction novel based on a cutting edge computer game When Frances McCallister creates a new game Marjaalia she is not to know that it will become a battle for life or death Because the game holds secrets that others will kill for the ability to breathe sentient life into its characters

Writing Lovers Méira Cook, 2005 Is it possible to capture something as ephemeral as love with mere words M. ira Cook draws on Lacan Derrida Barthes and Kristeva to wrestle with the theoretical problems of representing the unrepresentable In Writing Lovers she searches for a language adequate to articulating the discourse of passion desire and longing in the love poetry of Dionne Brand Elizabeth Smart Daphne Marlatt Dorothy Livesay Kristjana Gunnars and Nicole Markotic In writings by the French post structuralists rhetorical tropes such as speechlessness fragmentation and deflection testify to the writer's difficulty in broaching the subject of love Similarly Cook shows that love poetry proceeds out of a profound failure of language resulting from the opacity of discourse its lack of neutrality or the fugitive transparency of reference Writing Lovers also explores race ethnicity age and sexual identity within the context of the passionate excesses of amatory discourse

Folklore in Transition Frank J. Korom, Leah K. Lowthorp, 2020-05-21 The Indian Subcontinent has been at the centre of folklore inquiry since the 19th century yet while much attention was paid to India by early scholars folkloristic interest in the region waned over time until it virtually disappeared from the research agendas of scholars working in the discipline of folklore and folklife This fortunately changed in the 1980s when a newly energized group of younger scholars who were interested in a variety of new approaches that went beyond the textual interface returned to folklore as an untapped resource in South Asian Studies This comprehensive volume further reinvigorates the field by providing fresh studies and new models both for studying the lore and the life of everyday people in the region as well as their engagement with the world at large By

bringing Muslims material culture diasporic horizons global interventions and politics to bear on South Asian folklore studies the authors hope to stimulate more dialogue across theoretical and geographical borders to infuse the study of the Indian Subcontinent's cultural traditions with a new sense of relevance that will be of interest not only to areal specialists but also to folklorists and anthropologists in general This book was originally published as a special issue of South Asian History and Culture
