**Soul Making** Douglas M. Gillette, 2024-11-19 Explains how to embrace the paradox of the spiritual path that we are already reflections of the Divine and manifest our soul's transcendent nature in everyday life Provides contemplative and philosophical tools to support the journey to experience the Sacred Explores mythic stories of soul development and intuition found in Maya and Pythagorean traditions ancient Egyptian thought and Zoroastrianism In the mind of the Divine every person has Infinite Eternal and Absolute Worth But how do we manifest our transcendent nature in everyday life How can we construct our lives in the material world so they reflect the Divine nature of our souls Through his

own story of spiritual self realization Douglas M Gillette explores the paradox that lies at the heart of the quest for union with the Divine As the author explains those of us on the mystical path are each working on our souls to better reflect their Divine nature yet we are already reflections of the Divine To help you embrace this paradox the author provides mythic stories of soul development and intuition from Maya and Pythagorean traditions ancient Egyptian thought and Zoroastrianism He shows how embracing the power of emotions like wonder dread and awe provide a mirror that allows us to see ourselves as infinite and immortal persons on finite and mortal adventures In addition to myth the author s synthesis of Neoplatonism and Panentheism provides readers with contemplative tools to fulfill their mystical journey Bringing together a wide range of contrasting worldviews and ideas assumed to be in opposition the author shows how unifying views that are often considered polar opposites is a primary vehicle for actualizing our core purpose as souls in the physical world He deeply investigates the emergence of personhood as we build our material lives and he reveals the thrill of actually entering into the Sacred through the paradoxical journey of soul making becoming in the physical world what we already are in the infinity and eternity of the Divine Psyche

**Facing the Dragon** Robert L. Moore, 2003 Structured around a series of lectures presented at the Jung Institute of Chicago in a program entitled Jungian Psychology and Human Spirituality Liberation from Tribalism in Religious Life this book length essay attacks the related problems of human evil spiritual narcissism secularism and ritual and grandiosity Robert Moore dares to insist that we stop ignoring these issues and provides clear sighted guidance for where to start and what to expect Along the way he pulls together many important threads from recent findings in theology spirituality and psychology and brings us to a point where we can conceive of embarking on a corrective course Traditional doctrinal and historical interpretation both rely heavily on rational analysis But from the disciples at Emmaus to the beginnings of the present century it has been the impact of scripture upon the human heart that has changed human lives In recent decades this impact has been strengthened by advances in linguistic and literary theory by such disparate influences as feminism structuralism Jungianism deconstructionism the analysis of archaic imagery and myth the recovery of Gnostic texts and finally an openness to pluralism whether ethnic geographic religious or interpretive All of these factors are treated here with a brevity and comprehensiveness which convincingly show that the reader of scripture has a creative and not merely passive role If you would understand the deepest roots of terrorism greed and religious fanaticism read Facing the Dragon But be forewarned you may find some offshoots in your own garden

When one reaches the highest degree of human maturity one has only one question left How can I be helpful TERESA OF VILA Beloved author Ronald Rolheiser continues his search for an accessible and penetrating Christian spirituality in this highly anticipated follow-up to the contemporary classic The Holy Longing With his trademark acuity wit and thoughtfulness Rolheiser shows how identifying and embracing discipleship will lead to new heights of spiritual awareness and maturity In this new book Rolheiser takes us on a journey through the dark night of the senses and of the spirit Here we experience the full gamut of human life pleasure and fervor disillusionment and boredom But as Rolheiser explains when we embrace the struggle and yearning to know God we can experience too a profound re-understanding to our daily lives What lies beyond the essentials the basics Rolheiser writes Where do we go once some of the basic questions in our lives have been answered or at least brought to enough peace that our focus can shift away from ourselves to others Where do we go once the basic questions in our lives are no longer the restless questions of youthful insecurity and loneliness Who am I Who loves me How will my life turn out Where do we go once the basic question in life becomes How can I give my life away more purely and more meaningfully How do I live beyond my own heartaches headaches and obsessions so as to help make other people's lives

more meaningful The intent of this book is to try to address exactly those questions How can we live less self centered more mature lives What constitutes deep maturity and how do we reach that place And not unimportantly what constitutes a more adult Christian discipleship What constitutes a truly mature following of Jesus As the poet Rainer Maria Rilke suggests Live the questions now In Sacred Fire Rolheiser s deeply affecting prose urges us on in pursuit of the most holy of all passions a deep and lasting intimacy with God
