Ancient Lineage and Other Stories Morley Callaghan, 2012-10-30 A new selection of stories by Canada's Hemingway with an afterword by Pulitzer Prize winner William Kennedy Morley Callaghan's literary circle included Hemingway Fitzgerald and Joyce In a career spanning more than six decades he published sixteen novels and more than one hundred works of short fiction Bringing together more than twenty-five stories from five different collections Ancient Lineage and Other Stories confirms Callaghan's pre-eminent status **THE KREUTZER SONATA AND OTHER STORIES**, 2017-04-23 On comparing with the original Russian some English translations of Count Tolstoy's works published both in this country and in England I concluded that they were far from being accurate The majority of them were retranslations from the French and I found that the respective transitions through which they had passed tended to obliterate many of the beauties of the Russian language and of the peculiar characteristics of Russian life A satisfactory translation can be made only by one who understands the language and SPIRIT of the Russian people As Tolstoy's writings contain so many idioms it is not an easy task to render them into intelligible English and the one who successfully accomplishes this must be a native of Russia commanding the English

and Russian languages with equal fluency The story of Ivan the Fool portrays Tolstoi s communistic ideas involving the abolition of military forces middlemen despotism and money Instead of these he would establish on earth a kingdom in which each and every person would become a worker and producer The author describes the various struggles through which three brothers passed beset as they were by devils large and small until they reached the ideal state of existence which he believes to be the only happy one attainable in this world On reading this little story one is surprised that the Russian censor passed it as it is devoted to a narration of ideas quite at variance with the present policy of the government of that country *The Kreutzer Sonata and Other Stories* Leo graf Tolstoy,2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Young Fisherman, and Other Stories ... With Eight Illustrations by W. H. Thwaites, Etc** George William MacArthur Reynolds,1863
