

Lovers Tyrants

Edmund Clarence Stedman

Lovers Tyrants:

Tyrant or Lover You Sasaki, Chisaki Takada, 101-01-01 Office worker Azusa was supposed to be an administrative worker but for reasons unbeknownst to her she got hand picked to be the personal secretary to the CEO of a major company The CEO Shindo is a young handsome genius but his demeanor is cold and unwelcoming He is such a tyrant that a previous secretary quit only 2 hours after starting the job However one day after her coworkers invite Azusa to a mixer Shindo makes a declaration If you're looking for a lover then let it be me An office romance between the cold CEO and his worrywart secretary who he is madly in love with , The Analyst William Alfred Jones, 1840 **Jacqueline Kahanoff** David Ohana, 2023-11-07 Jacqueline Kahanoff A Levantine Woman is the first intellectual biography of this remarkable Egyptian Jewish intellectual whose work has secured her place in literary pantheon as a herald of Levantine Mediterranean and transnational culture Growing up Jewish in cosmopolitan Egypt in the 1920s and 1930s Jacqueline Kahanoff experienced a bustling Middle East enriched by diverse languages religions and peoples who nonetheless were deeply connected to each other through history business daily practices and shared landscape At the age of twenty four Kahanoff immigrated to the United States Her stories essays and short autobiographical novel attest to her penchant to cross boundaries generations social classes sexes and Western and Eastern constructs After immigrating to Israel in the early 1950s she critically addressed the country's provinciality and ethnic nationalism as seen through her conception of a transnational Levantine culture Through many writings Kahanoff set forth her distinctive vision of Israel as a Mediterranean country with a broad multicultural Levantine identity Drawing on an extensive array of sources ranging from interviews with Jacqueline Kahanoff's acquaintances and contemporaries to unpublished writings David Ohana explores her fascinating life and intellectual journey from Cairo to Tel Aviv The encompassing vision of a Levantine Israel made Kahanoff the initiator of a different cultural possibility more extensive than that offered in her time and also perhaps than is offered today **The Communism of Love** Richard Gilman-Opalsky, 2020-12-01 Exploring the meanings and powers of love from ancient Greece to the present day Richard Gilman Opalsky argues that what is called love by the best thinkers who have approached the subject is in fact the beating heart of communism understood as a way of living not as a form of government Along the way he reveals with clarity that the capitalist way of assigning value to things is incapable of appreciating what humans value most Capitalism cannot value the experiences and relationships that make our lives worth living and can only destroy love by turning it into a commodity The Communism of Love follows the struggles of love in different contexts of race class gender and sexuality and shows how the aspiration for love is as close as we may get to a universal communist aspiration **The Privateer, Or the Island of St. Andrew** James Scott Walker, 1853 **Pederasty and Pedagogy in Archaic Greece** William A. Percy, 1996 Combining impeccable scholarship with accessible straightforward prose Pederasty and Pedagogy in Archaic Greece argues that institutionalized pederasty began after 650 B C far later than previous authors have thought and was initiated as a

means of stemming overpopulation in the upper class William Armstrong Percy III maintains that Cretan sages established a system under which a young warrior in his early twenties took a teenager of his own aristocratic background as a beloved until the age of thirty when service to the state required the older partner to marry The practice spread with significant variants to other Greek speaking areas In some places it emphasized development of the athletic warrior individual while in others both intellectual and civic achievement were its goals In Athens it became a vehicle of cultural transmission so that the best of each older cohort selected loved and trained the best of the younger Pederasty was from the beginning both physical and emotional the highest and most intense type of male bonding These pederastic bonds Percy believes were responsible for the rise of Hellas and the Greek miracle in two centuries the population of Attica a mere 45 000 adult males in six generations produced an astounding number of great men who laid the enduring foundations of Western thought and civilization

The Greeks Robin Sowerby,2012-11-12 *The Greeks* has provided a concise yet wide ranging introduction to the culture of ancient Greece since its first publication In this expanded second edition the best selling volume offers a lucid survey that covers all the key elements of ancient Greek civilization from the age of Homer to the Hellenistic period provides detailed discussions of the main trends in literature and drama philosophy art and architecture with generous reference to original sources places ancient Greek culture firmly in its political social and historical context includes a new chapter on Religion and Social Life text *The Greeks* now contains more illustrations a chronological chart maps and suggestions for further reading as well as a new glossary *The Greeks* is an indispensable introduction for all students of Classics and an invaluable guide for students of other disciplines who require a grounding in Greek civilization

The Kaleidoscope: or, Literary and scientific mirror ,1822 *Shakespearean Illuminations* Marvin Rosenberg,1998 Topics in this collection include discussions of acting the Big Four as well as studies on politics language and history

Lou Lan Curse: Tyrant, Love Me Only Qian Yuxi,2019-12-06 Legend has it that he is the King of Lou the man who kills without batting an eye According to legend he was the ruler of the entire Easton Continent Legend has it that he was once cursed with a bloodthirsty curse by his own hands Legend has it that he gets sick every full moon night Legend had it that he needed the blood of a virgin to suppress the curse After passing through she was actually trapped in the gloomy and cold underground palace being crazily bitten by the devilish monster She screamed out in pain but the tears on her face did not gain the slightest bit of sympathy from him She tried to escape several times but all she got in return was the sound of his curses resounding in her ears Lonely pet you re destined to be a lonely woman in this life Never think of escaping
