marvelous work a holy people set apart predestined made in the image of created by loved by God But oftentimes that is not how we view ourselves We have spent too many years wandering in the wilderness of shame defeat heartache and pain It is time to come out and unearth all the treasures that the enemy has stolen from you Love's Compass Carla Gade,Darlene Franklin,2017-04-01 Enjoy an Old West romance adventure from author Carla Olsen Gade Daring Eliana Van Horn aims to make her mark by joining her father s photography expedition through the rugged Colorado and New Mexico Territories disguised as a young man But it s not long before she throws trail guide Yiska Wilcox off course by opening up the uncharted territory of his heart Also includes a bonus historical romance Pride s Fall by Darlene Franklin **The Peacemaking**

Pastor Alfred J. Poirier,2006-08-01 Seminaries generally are not very effective in equipping pastors to be ministers of reconciliation says pastor and experienced mediator Alfred Poirier The result is pastors trained in biblical exposition well ordered worship and good theology but with little practical know how about one of the most important functions they will be expected to perform conflict resolution The Peacemaking Pastor provides a survey of the nature and kinds of conflict typical in the pastorate to bring to light the need to recover the ministry of reconciliation Poirier chairman of the board of Peacemaker Ministries shows pastors the importance of a reconciliation ministry gives them a theological framework for peacemaking and provides practical tools for facilitating the peacemaking process Written by a pastor for pastors this insightful book will encourage and equip seminaries and ministry leaders in their original calling promoting a culture of peacemaking in the church **The Nature of the Sufi Path** Anab Whitehouse,2018-11-06 The material in The Nature of the Sufi Path consists of 70 commentaries on a book entitled Sufism A Short Introduction by Professor William C Chittick Many if not most of the paragraphs that comprise the 163 pages preface plus text of Professor Chittick s book contain problems errors misleading statements and or incorrect understandings concerning Islam in general and the Sufi path in particular This is both surprising and disturbing since the author is someone who apparently enjoys a considerable reputation in North America and perhaps elsewhere in the world as an expert on and scholar of the Sufi mystical tradition I do not claim that what I say in this book is a definitive exhaustive incapable of being improved upon treatment of the Sufi path Rather my hope is that the present book might move a person closer to the truth concerning the nature of that path than Professor Chittick s aforementioned introduction to Sufism does and as such would represent an improvement over his work

Hafiz and the Religion of Love in Classical Persian Poetry Leonard Lewisohn, 2010-06-02 The romantic lyricism of the great Persian poet Hafiz 1315-1390 continues to be admired around the world Recent exploration of that lyricism by Iranian scholars has revealed that in addition to his masterful use of poetic devices Hafiz's verse is deeply steeped in the philosophy and symbolism of Persian love mysticism This innovative volume discusses the aesthetic theories and mystical philosophy of the classical Persian love lyric ghazal as particularly exemplified by Hafiz who along with Rumi and Sa'di is Persia's most celebrated poet For the first time in western literature Hafiz's rhetoric of romance is situated within the

broader context of what scholars refer to as Love Theory in Arabic and Persian poetry in particular and Islamic literature more generally Contributors from both the West and Iran conduct a major investigation of the love lyrics of Hafiz and of what they signified to that high culture and civilization which was devoted to the School of Love in medieval Persia The volume will have strong appeal to scholars of the Middle East medieval Islamic literature and the history and culture of Iran
