The Science and Theology of Godly Love Matthew T. Lee, Amos Yong, 2012-06-15 Arguing that there are ways to move beyond the limitations of methodological atheism without compromising scientific objectivity the essays gathered in *The Science and Theology of Godly Love* explore the potential for collaboration between social science and theology They do so within the context of the interdisciplinary study of Godly Love which examines the perceived experience of loving God being loved by God and thereby being motivated to engage in selfless service to others This volume serves as an introduction to and a call for further research in this new field of study offering ten methodological perspectives on the study of Godly Love written by leading social scientists and theologians Drawing on the work of Douglas Porpora and others the contributors contend that agnosticism is the appropriate methodological stance when religious experience is under the microscope Godly Love does not force a theistic explanation on data instead these essays show that it sensitizes researchers so that they can take seriously the faith and beliefs of those they study without the assumption that these theologies represent an incontestable truth

To Love and Be Loved Jim Towey, 2023-09-05 From a trusted advisor and devoted friend of Mother Teresa comes a powerful *The Washington Free Beacon* firsthand account of the miraculous woman behind the saint and a book that is rich in reflection on contemporary sanctity George Weigel Mother Teresa was one of the most admired women of the 20th century and her memory continues to inspire charitable work around the world She believed the greatest need of a human being is to love and be loved In 1948 she founded the Missionaries of Charity to work directly with the very poorest of Calcutta From the efforts of one woman entering the slums of Entally the Missionaries of Charity grew into an organization operating soup kitchens health clinics hospices and shelters in 139 countries at no cost to any government or to those who served In 2016 she became Saint Teresa of Calcutta Author Jim Towey had been a high flying Congressional staffer and lawyer in the 1980s until a brief meeting with Mother Teresa illuminated the emptiness of his life He began volunteering at one of her soup kitchens and using his legal skills and political connections to help the Missionaries of Charity When Mother Teresa suggested he take up shifts at her AIDS hospice Towey

realized he was all in Soon he gave up his job and possessions and became a full time volunteer for Mother Teresa He traveled with her frequently arranged her meetings with politicians and handled many of her legal affairs To Love and Be Loved is an inspiring and joyful Kirkus Reviews firsthand account of Mother Teresa s last years and the first book ever to detail her dealings with worldly matters We see her gracefully navigate the opportunities and challenges to leadership the perils of celebrity and the humiliations and triumphs of aging We also catch her indulging in chocolate ice cream making jokes about mini skirts and telling the President of the United States he s wrong Above all we see her extraordinary devotion to God and to the very poorest of His children Mother Teresa taught Towey to be more prayerful less selfish more humble less worldly move in love with God and less in love with himself Her lessons are here for all to share [The Decameron and Collected Works of Giovanni Boccaccio \(Illustrated\)](#) Giovanni Boccaccio,2017-12-25 The poet and scholar Giovanni Boccaccio was a leading writer of the Italian Renaissance now best remembered as the author of the famous compendium of tales The Decameron Boccaccio helped lay the foundations for the humanism of the Renaissance while raising vernacular literature to the status of the classics of antiquity Noted for their realistic dialogue and imaginative use of character and plot Boccaccio s works went on to inspire Chaucer Spenser Shakespeare and countless other writers in the ensuing centuries This comprehensive eBook presents Boccaccio s collected works with numerous illustrations rare translations appearing in digital print for the first time informative introductions and the usual Delphi bonus material Version 1 Beautifully illustrated with images relating to Boccaccio s life and works Concise introductions to the novels and other texts Multiple translations of The Decameron including the first English translation by John Florio 1620 John Payne s complete translation with all the hyperlinked footnotes ideal for students The original Italian text of The Decameron Rare translations of two novels with individual contents tables Images of how the books were first published giving your eReader a taste of the original texts Excellent formatting of the texts The rare long poem Il Filostrato available in no other collection The key works of Chaucer and Shakespeare that were inspired by Boccaccio Includes a translation of Boccaccio s De Mulieribus Claris first time in digital print Features two biographies discover Boccaccio s intriguing life Scholarly ordering of texts into chronological order and literary genres Please visit www.delphiclassics.com to browse through our range of exciting titles CONTENTS The Decameron The Decameron John Florio 1620 The Decameron John Payne 1886 The Decameron J M Rigg 1903 The Decameron Original Italian Text The Novels The Filocolo Translated by H G London 1566 The Elegy of Lady Fiammetta Translated by Bartholomew Young 1587 The Verse The Knight s Tale and The Two Noble Kinsmen Teseida Il Filostrato Translated by Hubertis Cummings The Non Fiction De Mulieribus Claris Partially translated by Henry Parker Lord Morely The Life of Dante Translated by James Robinson Smith The Biographies Giovanni Boccaccio A Biographical Study by Edward Hutton Giovanni Boccaccio by Francis Hueffer Please visit www.delphiclassics.com to browse through our range of exciting titles or to purchase this eBook as a Parts Edition of individual eBooks **Il Filostrato by Giovanni Boccaccio - Delphi**
