Balance of the Heart Lois Farag, 2012-11-06 Desert spirituality speaks to the mind and heart It is a spirituality that helps us balance our work and daily obligations and figure out our priorities and the place of God in our lives Desert spirituality addresses our most intimate thoughts and helps us analyze the roots of our spiritual setbacks Its essence is to love the Lord with all our heart soul and mind Matt 22 37 Starting in fourth century Egypt desert spirituality has become a global phenomenon It has endured through the centuries because it is practical and simple it tells us how to live out Scripture in our daily lives It is also profound it is deeply rooted in the theology of the incarnation and the renewal of creation by the resurrection The desert fathers and mothers left us short wisdom sayings revealing their inner experience in their long journey toward being with God They speak about Scripture and prayer but also about how to love our neighbors discern our thoughts and evaluate our daily activities Come learn from these desert dwellers as they teach us about the examination of thoughts the discernment of the soul and the balance of the heart

Love, Power, and Gender in Seventeenth-Century French Fairy Tales Bronwyn Reddan, 2020-12 Love is a key ingredient in the stereotypical fairy tale ending in which everyone lives happily ever after This romantic formula continues to influence contemporary ideas about love and marriage but it ignores the history of love as an emotion that shapes and is shaped by hierarchies of power including gender class education and social status This interdisciplinary study questions the idealization of love as the ultimate happy ending by showing how the conteuses the women writers who dominated the first French fairy tale vogue in the 1690s used the fairy tale genre to critique the power dynamics of courtship and marriage Their tales do not sit comfortably in the fairy tale canon as they explore the good the bad and the ugly effects of love and marriage on the lives of their heroines Bronwyn Reddan argues that the conteuses scripts for love emphasize the importance of gender in determining the right way to love in seventeenth century France Their version of fairy tale love is historical and contingent rather than universal and timeless This conversation about love compels revision of the happily ever after narrative and

offers incisive commentary on the gendered scripts for the performance of love in courtship and marriage in seventeenth century France **Love** I. Dilman,2016-01-13 The book is concerned with questions about love questions about its many forms strands and aspects and the relation in which they stand to each other It is concerned with the way different aspects of sexual love conflict with each other with the way self regard and self interest can corrupt love and with spiritual love and its difficulties It seeks the views of some writers who have suggested some distinctive solutions to the existential problems that love poses in the face of its obstacles Plato Proust Sartre Freud D H Lawrence Erich Fromm C S Lewis Kierkegaard Simone Weil and Kahlil Gibran Virtue and the Moral Life William Werpehowski,Kathryn Getek Soltis,2014-07-22 The scope of interest and reflection on virtue and the virtues is as wide and deep as the questions we can ask about what makes a moral agent s life decent or noble or holy rather than cruel or base or sinful or about the conditions of human character and circumstance that make for good relations between family members friends workers fellow citizens and strangers and the sorts of conditions that do not Clearly these questions will inevitably be directed to more finely grained features of everyday life in particular contexts Virtue and the Moral Life Theological and Philosophical Perspectives takes up these questions In its ten timely and original chapters it considers the specific importance of virtue ethics its public significance for shaping a society s common good the value of civic integrity warfare and returning soldiers sense of enlarged moral responsibility the care for and agency of children in contemporary secular consumer society and other questions involving moral failure humility and forgiveness Sonnets and Songs Helen Hay Whitney,2018-04-05 Reproduction of the original Sonnets and Songs by Helen Hay Whitney *The General Baptist repository, and Missionary observer [afterw.] The General Baptist magazine repository and Missionary observer [afterw.] The General Baptist magazine* ,1851 **The Necessity of Faith in Jesus Christ to Obtain Salvation** Antoine Arnauld,2011-05-19 There is no available information at this time *Valiant Heart* Philip Kossoff,1983 Depicts the life of the distinguished German author Heinrich Heine discusses his romances and friendships and analyzes his poetry and prose **Complete Prose Works: Specimen Days and Collect** Walt Whitman,1909 Specimen Days and Collect Walt Whitman,1883 **Complete Prose Works** Walt Whitman,1891 **Specimen Days** Walt Whitman,1883 The Catholic Charities Review ,1926 Includes book reviews *Words of Love* Eileen Fallon,1984 **Modern Scottish pulpit, sermons by ministers of various denominations** Scottish pulpit,1880
