Vicki Correll, 2017-09-13 These poems and short stories intersect the experience of living in rural America with the struggles and doubts of coming to faith in an age of skepticism and doubt Having to deal with common often mundane chores brings moments of understanding and clarity In contrast having to deal with the frailties of human nature can often muddy the waters **Lovin' A Gangsta Ain't Easy 2** Mo'Nik, 2017-08-30 Your favorite attorney Jacinda Whitaker is back and she has a new husband a new baby and a new life She has moved on from Peach Flavored and everything that came with it including meeting the very tempting Mikah Cera Her promise to her significant other to keep the past in the past has been easy as pie until someone from her past wants their piece of the pie as well For the past couple of years Mikah Cera has tirelessly spent money energy and resources on finding the one that got away or that he let get away rather And he hasn't been able to live with that ever since she walked out of his life literally So when he finds her and learns of her relationship status he refuses to let her get away from him again despite of In a world where you're in charge and you always get what you want you stop at nothing and will do anything and everything to make sure you keep it even if it comes down to murder When a gangsta loves he loves hard and it can become A DEADLY LOVE **Lovin' A Gangsta Ain't Easy 3** Mo'Nik, 2017-11-15 Jacinda Whitaker

Studies in Ontology in Twentieth Century Literature Doris Enright-Clark Shoukry,2018-06-11 This book is a study of literary concern with ontology throughout the twentieth century It consists of ten essays each of which focuses on

one or various writers absorption with the nature of man and his being in this world The volume discusses Gertrude Stein Virginia Woolf Franz Kafka Thomas Stearns Eliot Milan Kundera Eug ne Ionesco Albert Camus Marguerite Duras Toni Morrison and Nathalie Sarraute as reflecting ontological concerns These writers although not subscribing to the Sartrean proclamation that existence precedes essence did consider the related existential questions concerning man s freedom and responsibility for his being living in Stein s terminology Their works are symptomatic of modern man s preoccupation with understanding the self as a source of wisdom These essays were written over many years and represent the author s own findings and thoughts over that time assembled here between the covers of one book In addition to fulfilling that function and their pertinence when they were written they offer the reader a nostalgic journey to the twentieth century s literary adventures and creativity A new novel was born and the breakdown of the rigid distinctions between genres made it possible for a novelist to write poetry and for a poet or playwright to explore a common theme with a novelist while they all shared with contemporary philosophers an obsession with the nature of man s being in this world This book therefore throws light on the intellectual preoccupations of this era
