Loving In The War Years:

Loving in the War Years Cherrie Moraga, 2023-08-15 An updated edition combining two classic works of Chicana and queer literature with a new introduction by renowned writer and luminary Cherr e Moraga In celebration of the 40th anniversary of its original publication this updated edition of Loving in the War Years combines Moraga s classic memoir with The Last Generation Poetry and Prose resulting in a challenging inspiring and insightful touchstone for artists and activists and for anyone striving to foster care and community Cherr e Moraga s powerful memoir remains as urgent as ever She explores the intersections of her Chicana and lesbian identities moving gracefully between poetry and prose Spanish and English personal narratives and political theory Moraga recounts navigating the world largely as an outsider circling the interconnected societies around her from a distant yet observant perspective Ultimately however her writing serves as a bridge between her cultures languages family and herself enabling her to look inward to forge connections from otherwise inaccessible parts of her interior world to show how deep self awareness and compassionate engagement with one s surroundings are key to building global solidarity among people and political movements

Loving in the War Years Cherrie Moraga, 1983 Weaving together poetry and prose Spanish and English family history and political theory Loving in the War Years has been a classic in the feminist and Chicano canon since its 1983 release It remains a testament of Moraga s coming of age as a Chicana and a lesbian at a time when the political merging of those two identities was severely censured

Changing the Wor(l)d Stacey Young, 2014-01-02 Changing the Wor l d draws on feminist publishing postmodern theory and feminist autobiography to powerfully critique both liberal feminism and scholarship on the women s movement arguing that both ignore feminism s unique contributions to social analysis and politics These contributions recognize the power of discourse the diversity of women s experiences and the importance of changing the world through changing consciousness Young critiques social movement theory and five key studies of the women s movement arguing that gender oppression can be understood only in relation to race sexuality class and ethnicity and that feminist activism has always gone beyond the realm of public policy to emphasize improving women s circumstances through transforming discourse and consciousness Young examines feminist discursive politics critiques social science methodology and proposes an alternative approach to understanding the women s movement

Autobiographics Leigh Gilmore, 1994 In the first comprehensive feminist critique of autobiography as a genre Leigh Gilmore incorporates writings that have not up to now been considered part of the autobiographical tradition Offering subtle and perceptive readings of a wide variety of texts from the confessions of medieval mystics to contemporary works by Chicana and lesbian writers she identifies an innovative practice of autobiographics which covers the entire spectrum of women s self representation

Massacre of the Dreamers Ana Castillo, 2014-12-01 Gustavus Myers Outstanding Book Award from the Gustavus Myers Center for the Study of Bigotry and Human Rights This new edition of an immensely influential book gives voice to Mexican American women silenced for hundreds of years by the dual censorship of being female and indigenous Castillo replaced the term Chicana feminism with Xicanisma to include mestiza women on both sides of the border In history myth interviews and ethnography Castillo revisits her reflections on Chicana activism spiritual practices sexual attitudes artistic ideology labor struggles and education related battles Her book remains a compelling document enhanced here with a new afterword that reexamines the significance of Our Lady of Guadalupe

Constructing Identities Antonio Medina-Rivera, Lee Wilberschied, 2013-07-26 The basic concern of border studies is to examine and analyze interactions that occur when two groups come into contact with one another Acculturation and globalization are at the heart of border studies and cultural studies scholars try to describe the possible interactions in terms of conflicts and resolutions that become the result of those possible encounters The present book is a peer reviewed selection of papers presented during the IV Crossing Over Symposium at Cleveland State University held in October 2011 and it is a follow up to our discussion on border studies The main focus of this volume is historical international gender and racial borders and the implications that all of them have in the construction of an identity

Chicano Narrative Ramón Saldívar, 1990 In struggling to retain their cultural unity the Mexican American communities of the American Southwest in the nineteenth and twentieth centuries have produced a significant body of literature Chicano Narrative examines representative narratives including the novel short story narrative verse and autobiography that have been excluded from the American canon

The Cambridge History of Queer American Literature Benjamin Kahan, 2024-06-06 Moby Dick's Ishmael and Queequeg share a bed Janie in Zora Neale Hurston's *Their Eyes Were Watching God* imagines her tongue in another woman's mouth And yet for too long there has not been a volume that provides an account of the breadth and depth of queer American literature This landmark volume provides the first expansive history of this literature from its inception to the present day offering a narrative of how American literary studies and sexuality studies became deeply entwined and what they can teach each other It examines how American literature produces and is in turn woven out of sexualities gender pluralities transness erotic subjectivities and alternative ways of inhabiting bodily morphology In so doing the volume aims to do nothing less than revise the ways in which we understand the whole of American literature It will be an indispensable resource for scholars graduate students and undergraduates

Reading U.S. Latina Writers A.

Quintana, 2003-03-18 This essential teaching guide focuses on an emerging body of literature by U S Latina and Latin American Women writers It will assist non specialist educators in syllabus revision new course design and classroom presentation The inclusive focus of the book that is combining both US Latina and Latin American women writers is significant because it introduces a more global and transnational way of approaching the literature The introduction outlines the major historical experiences that inform the literature the important genres periods movements and authors in its evolution the traditions and influences that shape the works and key critical issues of which teachers should be aware The collection seeks to provide readers with a variety of Latina texts that will guarantee its long term usefulness to teachers and students of pan American literature Because it is no longer possible to understand U S Latina literature without taking into consideration the histories and cultures of Latin America the volume will through its organization argue for a more globalized type of analysis which considers the similarities as well as the differences in U S and Latin American women's cultural

productions In this context the term Latina evokes a diasporic transnational condition in order to address some of the pedagogical issues posed by the bicultural nature which is inherent in pan American women s literature

Motherhood Reconceived Lauri Umansky,1996-08 *Motherhood Reconceived* reveals the emphasis on motherhood that lies at the heart of modern feminism as both a utopian frontier for countercultural ideals and a metaphorical cement for a fragmented women s movement

The Wounded Heart Yvonne Yarbrow-Bejarano,2011-05-18 In her work as poet essayist editor dramatist and public intellectual Chicana lesbian writer Cherr e Moraga has been extremely influential in current debates on culture and identity as an ongoing open ended process Analyzing the in between spaces in Moraga s writing where race gender class and sexuality intermingle this first book length study of Moraga s work focuses on her writing of the body and related material practices of sex desire and pleasure Yvonne Yarbrow Bejarano divides the book into three sections which analyze Moraga s writing of the body her dramaturgy in the context of both dominant and alternative Western theatrical traditions and her writing of identities and racialized desire Through close textual readings of *Loving in the War Years* *Giving Up the Ghost* *Shadow of a Man* *Heroes and Saints* *The Last Generation* and *Waiting in the Wings* Yarbrow Bejarano contributes to the development of a language to talk about sexuality as potentially empowering the place of desire within politics and the intricate workings of racialized desire

Soto,2010-01-01 A race based oppositional paradigm has informed Chicano studies since its emergence In this work Sandra K Soto replaces that paradigm with a less didactic more flexible framework geared for a queer analysis of the discursive relationship between racialization and sexuality Through rereadings of a diverse range of widely discussed writers from Amrico Paredes to Cherr e Moraga Soto demonstrates that representations of racialization actually depend on the sexual and that a racialized sexuality is a heretofore unrecognized organizing principle of Chican literature even in the most unlikely texts Soto gives us a broader and deeper engagement with Chican representations of racialization desire and both inter and intracultural social relations While several scholars have begun to take sexuality seriously by invoking the rich terrain of contemporary Chicana feminist literature for its portrayal of culturally specific and historically laden gender and sexual frameworks as well as for its imaginative transgressions against them this is the first study to theorize racialized sexuality as pervasive to and enabling of the canon of Chican literature Exemplifying the broad usefulness of queer theory by extending its critical tools and anti heteronormative insights to racialization Soto stages a crucial intervention amid a certain loss of optimism that circulates both as a fear that queer theory was a fad whose time has passed and that queer theory is incapable of offering an incisive politically grounded analysis in and of the current historical moment
