Santos,2018-02-08 The book is a topical commentary and Bible reference based on the Scriptures from the Old and New Testaments After the introduction the first section explains the Messiah s purpose and focuses on the foundations for salvation through the Messiah The second section focuses on emotional topics and how they affect your relationship with the Messiah The root of many emotional issues is caused by bitterness so the causes of bitterness and forgiveness are explained in simple terms easily understood by the reader and how they affect salvation Next the reader explores love compassion mercy pride and humility and how they affect their relationship with God Digging deeper into the emotional issues the reader learns God s definition for lust and purity of heart The next section deals with the intangible issues in the reader s life This includes faith sanctification repentance and the importance of total surrender to God The holy Spirit is explained in detail with an emphasis on His purpose for you Section four covers some of the symbolism in the Bible and tries to help the reader see things from the cultural view of Jesus time The desire is to help the reader understand how symbolism points to salvation and the importance of events symbolically Section five covers almost all the parables of Jesus found in the Gospels The parables are grouped into broad categories including The Kingdom of God Service and Obedience Prayer Humility God s Love Jesus Return and God s Values The parables are explained in detail using the cultural setting of Jesus time Section six is a brief overview of biblical history and Israel s history The next section begins with a discussion about the rapture at Christ s second coming The various points of view are discussed Then the anti Christ and False Prophet are explained Revelation is covered extensively but not by analyzing the symbolism The first article is Don t fear the book of Revelation followed by Revelation The real Message These articles explain the purpose and message for Revelation and try to remove the fear factor that most people feel The final section is designed to challenge your thinking and bring you closer to God [Books in Print](#),1991 [The British National Bibliography](#) Arthur James Wells,2007 [Hebrews](#) Debra J. Horning,2024-04-23 What constitutes a faithful life At its most basic level the New Testament book of Hebrews considers this essential question and pleads with its audience to find in faithful living the rest that Christ offers Hebrews begins with a

poetic reflection on the one who lived the most faithful of lives Jesus and concludes with exhortations to go and do likewise In the 37th volume in the Believers Church Bible Commentary series scholars Debra J Bucher and Estella Boggs Horning examine at great length one important aspect of Hebrews Jesus as the new covenant and the once for all better sacrifice who replaces the daily and yearly temple offerings in Jerusalem The authors also consider how this idea has been used to minimize other religious traditions and even to legitimize the horrors of the mid 20th century They carefully unpack the language around sacrifice and covenant based on the saving work of Jesus drawing out encouragement found in Hebrews to live as individuals and as a community led by Jesus the pioneer and high priest Bucher and Horning don t shy away from the difficult language in Hebrews Instead they draw out its historical context and help readers understand how to use the text with love within our own About the Believers Church Bible Commentary series This readable commentary series is for all who seek more fully to understand the original message of Scripture and its meaning for today Sunday school teachers members of Bible study groups students pastors and other seekers From the Series Foreword Applied Old Testament Commentary Tom Hale, Steve Thorson, 2007 The wisdom found in God s Word is timeless as relevant today as when it was first written And the challenge for believers remains unchanged how do we apply these truths to our everyday world The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today Each Scripture passage is enhanced with insights on key themes and ideas Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading And because some subjects are open to interpretation for discussion we ve included perspectives from leading theologians from all backgrounds and denominations The result An interactive approach to Scripture that will challenge your ideas and build your faith which is what reading the Bible is all about **Thoughts and Gleanings** Ralph Beall, 2013-02-25 In this volume are the Bible answers to many of the questions some may have about some of the teachings in the Scriptures What is Gods desire and purpose in creation What is the gift of God the Father Of God the Son Of God the Holy Spirit What is the relationship of God Satan and man to one another Who is God the Holy Spirit and what is his work Was Satan created Will mans soul spirit exist forevermore What is the origin the purpose and the destiny of man What is sin What is death physical and spiritual Who is the source of all lies and all evil wickedness and sin Who is the source of all truth logic reason and all that is good righteous and wise What is the cause of all sorrow suffering pain sickness and death Whose sins are washed away Can one be pleasing to God and be a soldier a policeman Does God desire approve of any person enslaving another Is man under any law from God today Is man shaped by nurture or nature What must one do to be saved have his sins forgiven and live forevermore in heaven with the godhead three What is the power of God that can save the soul to live forevermore in heaven What are the things which must shortly come to pass for the time is at hand and revealed by signs to the Apostle John by Jesus Christ Revelation 1 13 *Understanding the Iglesia Ni Cristo* Anne C. Harper, 2017-08-23 Does the Iglesia ni Cristo really teach that their building will go up in the rapture Do they use coercive

methods to make sure their members give at least a tithe of their income to the church Have confrontational methods of evangelism been effective in reaching them Is there a better way The answers to these and other questions may surprise you In this groundbreaking and meticulously researched new book evangelical scholar Dr Anne Harper who with her husband George is a Manila based missionary with Action International Ministries describes the history teachings growth and development of the Iglesia ni Cristo since its founding in 1914 and explains why this group has endured for the last 100 years and why it will not likely fade away Unlike other evangelical publications Dr Harper treats the Iglesia ni Cristo with respect and kindness while being careful not to agree with or endorse their teachings Thoroughly documented yet highly readable this book will go a long way to removing the false stereotypes that many born again Christians have of this group and challenges to rethink our attitudes towards them and respond in a biblical manner From the Forward

Poverty in the Theology of John Calvin Bonnie L. Pattison, 2006-11-01 It is the thesis of this study that in Calvin's theology poverty and affliction not splendor and glory mark and manifest the kingdom of God on earth Poverty makes the kingdom visible to the eyes and therefore recognizable as divine Poverty acts to reveal or disclose that which is spiritual or that which is of God in the Christian faith This does not mean that Calvin sees the condition of physical poverty as revelatory in and of itself Rather poverty and affliction function as agents of divine revelation They are a condition or a chosen instrument God uses to disclose to humanity the nature of true spirituality godliness and poverty of spirit How this is demonstrated in Calvin's thought depends upon the specific doctrine under examination This study explores three particular areas in Calvin's theology where his theological understanding of spiritual poverty and physical poverty or affliction intersect his Christology his doctrine of the Christian life and his ecclesiology

A Practical Exposition on the Epistle of James Thomas Manton, 1840

Blood Theology Eugene F. Rogers, Jr, 2021-03-25 The unsettling language of blood has been invoked throughout the history of Christianity But until now there has been no truly sustained treatment of how Christians use blood

to think with Eugene F Rogers Jr discusses in his much anticipated new book the sheer surprising strangeness of Christian blood talk exploring the many and varied ways in which it offers a language where Christians cooperate sacrifice grow and disagree He asks too how it is that blood talk dominates when other explanations would do and how blood seeps into places where it seems hardly to belong Reaching beyond academic disputes to consider how religious debates fuel civil ones he shows that it is not only theologians or clergy who engage in blood talk but also lawmakers judges generals doctors and voters at large Religious arguments have significant societal consequences Rogers contends and for that reason secular citizens must do their best to understand them *Books in Print Supplement* ,2002 **The Self-interpreting Bible** James Wideman Lee,1911 **The Holy Bible** ,1861 Unity ,1906
