Schubert, 2010-01-01 Love Justice and Education by William H Schubert brings to life key ideas in the work of John Dewey and their relevance for the world today He does this by imagining continuation of a highly evocative article that Dewey published in the New York Times in 1933 Dewey wrote from the posture of having visited Utopia Schubert begins each of thirty short chapters with a phrase or sentence from Dewey s article in response to which a continuous flow of Utopians consider what is necessary for educational and social reform among Earthlings Schubert encourages the Utopians who have studied Earthling practices and literatures to recommend from their experience what Earthlings need for educational and social reform and how they can address obstacles to that reform The Utopians speak to myriad implications of Dewey s report by drawing upon a wide range of philosophical literary and educational ideas including many of Dewey s other writings Their central message is that loving relationships and empathic dedication to social justice are necessary for educational reform that responds wholeheartedly to learner needs and interests True to Dewey s original position such education must be built upon social reform that works to overcome acquisitive society based on greed the principal impediment to realizing human potential democratic society and educational relationships that enhance it To overcome the debilitating acquisitiveness that plagues Earth is the challenge for educators and all human beings who seek to involve the young in composing their lives and cultivating a world of integrity beauty justice love and continuously evolving capacities of humanity **Love's Justice** Rionna Morgan, 2012-11-12 Sarah Johnson is a profiler in Portland Oregon She thinks she has successfully moved beyond the pain of her mother s death fifteen years ago However when Justin Breslow shows up at her office claiming to be an investigative reporter from Dallas wanting to do a feature on her mother Sarah realizes the pain has just been dormant She agrees to work with Justin she s always wanted to retrace her mother s final days but she has no intention of sharing family secrets with a perfect stranger Sarah and Justin unravel a plot more complex and sinister than they expected They pursue a trail of deceit and corruption to a women s prison in Alabama a centuries old hotel in Georgia and a family ranch in Texas Nothing is simple or as it seems Along the way Sarah tries not to fall for Justin s Southern charm and Justin fights to resist Sarah s beauty and sharp intellect This unlikely duo will find more than they ever hoped to in the prison in their own backyards and in each other s arms Whether they survive to enjoy their discoveries is the final mystery Sensuality Level Sensual **The Month** , 1894 *Oklahoma Reports* Oklahoma.
