Loving Pioneers:

A Victorian Educational Pioneer's Evangelicalism, Leadership, and Love Pauline A. Phipps, 2022-11-15 This book examines the relatively unknown English late Victorian educational pioneer Constance Louisa Maynard 1849 1935 whose innovative London based Westfield College produced the first female BAs in the mid 1880s An atypical and powerful woman Maynard is also notable for her unique knowledge of psychology and patriotic Evangelicalism both of which profoundly shaped her ambitions and passions In contrast to most history about an individual's life this book builds a fascinating life story based upon evidence and clues from minutia The focus is on nine enigmatic actions motivated by Maynard in her quests for educational leadership global conversion and same sex love Maynard's acts that she called mistakes caused deep enmities with administrators and college women Yet amid her trials and conflicts Maynard made key decisions about her public and private life Moreover her so called mistakes reveal astonishing new insights into a past mindset and the rapidly changing world in which Maynard lived *Pioneers* Phillip Mann, 2011-09-29 Blue Genes Ape like and with one arm replaced by a claw the not quite human Angelo and his beautiful female partner Ariadne are genetically bred rescuers programmed to travel vast distances through space in suspended animation to bring back Pioneers explorers sent out from Earth generations ago to settle other planets The latest mission is to rescue Pioneer Murray from the planet La Plage and to return to Earth where as usual decades have passed while they have been travelling between the stars But Earth itself has gone through a catastrophic collapse from which its burnt out civilization is trying to recover And amongst the remnants of a sterile and despairing humanity there is less room than ever before for such strange creatures as Angelo Combining rich and weird alien environments with exciting deep space adventure *Pioneers* is a brilliant novel of love and alienation in a strange and poignant future **Invitation To Love** Ivonne Delaflor, 2005 Follow the Sanatan Dharma the Eternal Religion of Prema Divine Love and the one and only that can only be found in your heart And remember YOU must guide others to it through love simplicity and truth That is the only way That is the unspoken eternal and nameless way Always remember that no time is ever wasted except for the time that one is not loving Move out of the house of ignorance There are better places to live Ring ring Wake up The Buddha nature and Christ like energy within are ready to be reawakened in all Become like a child Enter the kingdom of heaven The Christ and Buddha nature are within So where is the kingdom Excerpted from *Invitation to Love* 108 Reminders for the Enlightened Ones The greatest blessing in my life was the gift of being in the physical presence of Babaji in Herrekhan in 1980 One day he said that he would be leaving his body I asked him if he would still come to me if I asked He simply looked at me and smiled knowingly and said Of course Recently my work healing moved to a new level Some of the recent miracles have been so powerful as to leave me shaky I could only turn to God to keep myself stable and humble and so I asked for his advice Well he has answered my request And I imagine he will answer the prayers of many others through the writings of Ivonne Delaflor In them I recognize his voice his humor his teaching Thank you Babaji And thank you Ivonne for

Outdoor Learning: Past and Present

Rosaleen Joyce, 2012-02-16 The book breaks new ground by placing outdoor learning in a theoretical historical and social context of changing understandings of children childhood and the use of the outdoors The books approach is based on the premise that ideas phase in and out of use depending on social and political contexts This perspective will help people to think about how present day attitudes regarding outdoor learning came to be where they came from and to question their newness The author argues that outdoor learning needs to be looked at in a historical context so that you can understand the contribution of previous educational thinkers on today s views and practices The main historical thinkers considered include Comenius Pestalozzi Froebel and Margaret McMillan as well as the views of more modern contributors and the Forest Schools in the UK Joyce makes it possible to look more critically at today s approaches and influences on outdoor learning She considers how children are regarded today within these approaches and whether these constructs are in the children s best interests Key features of this book include A reflective approach to practice Effective training for practitioners in their use of the outdoors recognising the different approaches required from those used in the indoor classroom This book is essential reading for all early years practitioners

The Government of Iowa Frank Edward Horack,1921 **The World That Wasn't** Benn Steil,2025-01-21 From the acclaimed economist historian and author of The Marshall Plan a timely riveting The Washington Post new perspective on the political career of Henry Wallace one that will forever change how we view the making of US and Soviet foreign policy at the dawn of the Cold War Henry Wallace is the most important and certainly the most fascinating almost president in American history As FDR s third term vice president and a hero to many progressives he lost his place on the 1944 Democratic ticket in a wild open convention resulting in Harry Truman becoming president upon FDR s death Books films and even plays have since portrayed the circumstances surrounding Wallace s defeat as corrupt and the results catastrophic Filmmaker Oliver Stone among others has claimed that Wallace s loss ushered in four decades of devastating and unnecessary Cold War Now based on striking new finds from Russian FBI and other archives Benn Steil s The World That Wasn t paints a decidedly less heroic portrait of the man of the events surrounding his fall and of the world that might have been under his presidency Though a brilliant geneticist Henry Wallace was a self obsessed political figure blind to the manipulations of aides many of whom were Soviet agents and assets From 1933 to 1949 Wallace undertook a series of remarkable interventions abroad each aimed at remaking the world order according to his evolving spiritual blueprint As agriculture secretary he fell under the spell of Russian mystics and used the cover of a plant gathering mission to aid their doomed effort to forge a new theocratic state in Central Asia As vice president he toured a Potemkin Siberian continent guided by undercover Soviet security and intelligence officials who hid labor camps and concealed prisoners He then wrote a book together with an American NKGB journalist source hailing the region s renaissance under Bolshevik leadership In China the Soviets uncovered his private efforts to coax concessions to Moscow from Chiang Kai shek fueling their ambitions to dominate Manchuria Running for president in 1948 he colluded with Stalin to undermine his government s foreign policy allowing the dictator to edit his most important election speech It was not until 1950 that he began to acknowledge his misapprehensions regarding the Kremlin s aims and conduct Meticulously researched and deftly written The World That Wasn t is a spellbinding work that shows how American history and world history could have turned out very differently if just a few things had gone the other way The Wall Street Journal **History of Nashville, Tenn** John Wooldridge,1890 Pioneer Black Clergywomen Josephine Whitely-Fields PhD MDiv,2021-01-29 Black clergywomen are poineers of the United Methodist Church who continue to significantly contribute to making disciples and spreading the good news of the gospel of Jesus Christ Their stories are

inspiring illustrations of the Holy Spirit at work in ordinary people who said yes to ordained ministry Black clergywomen have endured many challenges and injustices in the predominately White male vocation However they have also experienced accomplishments and victories despite the opposition that were made possible by the intervening power of God through prayer hard work perseverance and the efforts of other women and men of various races and cultures in the United Methodist Church other faith persuasions and members of the greater society Black clergywomen have been able to facilitate spiritual numerical and financial growth in Black and White churches under their leadership Black clergywomen have endured many individual institutional and systemic acts of racism sexism and ageism while being subjected to economic discrimination They often fight for equality of others in our society while being denied those same rights in the church Their continuance exemplifies their commitment to be the embodiment of Christ love to all people The United Methodist Church has intensified their commitment to dismantle racism but the question still remains How will the specific dismantling of racism sexism ageism classism and economic discrimination against Black clergywomen be addressed
