**Development with Communities** Linje Manyozo, 2017-07-14 Development theory and practice are often taught in a manner that strips them of their historical context and obscures alternative intellectual assumptions and critical frameworks This prevents students from acquiring a holistic understanding of the world and consequently when it comes to development practice most lack the skills to live and engage with people It has become crucial to properly consider what it means to conceive and implement participatory development out in the field and not just in the boardroom Building on the work of

Robert Chambers and Arturo Escobar *Communicating Development with Communities* is an empirically grounded critical reflection on how the development industry defines, imagines and constructs development at the implementation level. Unpacking the dominant syntax in the theory and practice of development, the book advocates a move towards relational and indigenous models of living that celebrate local ontologies, spirituality, economies of solidarity and community. It investigates how subaltern voices are produced and appropriated and how well-meaning experts can easily become oppressors. The book propounds a pedagogy of listening as a pathway that offers a space for interest groups to collaboratively curate meaningful development with and alongside communities. This is a valuable resource for academics and practitioners in the fields of Development Studies, Communication for Development, Communication for Social Change, Social Anthropology, Economic Development and Public Policy. Foreword by Robin Mansell.

Darius the Great Deserves Better Adib Khorram, 2021-08-24. In this companion to the award-winning *Darius the Great Is Not Okay*, Darius suddenly has it all: a boyfriend, an internship, a spot on the soccer team. It's everything he's ever wanted, but what if he deserves better? Darius Kellner is having a bit of a year. Since his trip to Iran, a lot has changed. He's getting along with his dad and his best friend Sohrab is only a Skype call away. Between his first boyfriend, Landon, varsity soccer practices and an internship at his favorite tea shop, things are falling into place. Then, of course, everything changes. Darius's grandmothers are in town for a long visit and Darius can't tell whether they even like him. The internship is not going according to plan. Sohrab isn't answering Darius's calls and Dad is far away on business. And Darius is sure he really likes Landon, but he's also been hanging out with Chip Cusumano, former bully and current soccer teammate, and well, maybe he's not so sure about anything after all. Darius was just starting to feel okay like he finally knew what it meant to be Darius Kellner. But maybe okay isn't good enough. Maybe Darius deserves better.

Yahweh to Hell Rich Woods, 2015-03-18. *Yahweh to Hell* comes at a time in our nation's political discourse when the eight hundred pound gorilla in the room is Christian Dominionism. Renowned author and satirist Rich Woods returns and this time he's got the twenty-first century version of the Republican Party in his sights. With an uncommon perspective and singular wit, Woods systematically dissects the runaway bigotry, social regression, misogyny, economic illiteracy and overall lack of rationale in the fundamentalist Christian-dominated Tea Party GOP. At times brutally funny and/or gut wrenchingly astute, Woods is unique amongst his peers in his ability to combine acumen with unapologetic mockery. Yet while *Y2H* oscillates back and forth between sobriety and satire, it manages to shine a light in the darkest parts of American politics. Indeed, Rich Woods demonstrates once again that he is equally adept with both a scalpel and a chainsaw. This book will anger many and drive others to uncontrolled laughter. As long as it makes them rethink what they've been told, the author doesn't care.

Bob Ingle, award-winning journalist, radio and TV commentator, and co-author of *The New York Times* Best Seller *The Soprano*, *State New Jersey's Culture of Corruption* and *Chris Christie: The Inside Story Of His Rise To Power*.
