

The background of the entire page is a soft, light pink color. It is decorated with delicate, white lace patterns that form a subtle grid or floral motif. Scattered throughout the page are several large, soft-focus pink watercolor flowers with green stems and leaves, giving it a gentle, spring-like feel.

# PRAYER FOR A GREATER AWARENESS OF GOD'S PRESENCE

---

God of Abraham, Isaac, and Jacob,  
it is such an honor and a privilege  
to know You. There is nothing  
more valuable than the gift of Your  
presence. I hate that I take it for  
granted. You endure so much to be  
with me, help me to be more aware  
of You and teach me to approach  
You with a trusting heart. Thank  
you for Your patience with me and  
continue to bless my faith. In  
Jesus's name I pray. Amen.

## **Loving Awareness Of Gods Presence In Prayer:**

Loving Awareness of God's Presence in Prayer Fabio Giardini, 1978-01-01      *Loving Awareness of God's Presence in Prayer* Fabio Giardini, 1976      **Personal Prayer: A Guide for Receiving the Father's Love** Fr. Thomas Acklin, OSB, Fr. Boniface Hicks, OSB, 2020-02-01 Prayer is at the heart of the Christian life. Given that we are weak and even sinful human beings, how can it be that God has anything to do with us? What does it mean to have a personal relationship with God? Why is God so silent and hidden? How do we grow in prayer? *Personal Prayer: A Guide for Receiving the Father's Love* brings the depth of human experience together with the Catholic tradition of prayer to present the path to an intimate and vulnerable relationship with God. Experienced spiritual directors Fr. Thomas Acklin OSB and Fr. Boniface Hicks OSB explore the many forms of Catholic prayer and demonstrate that vulnerability is essential to growing in relationship with God. Rich with the wisdom of Scripture, Catholic teaching, and the writings of the saints, *Personal Prayer* is an exhaustive guide for priests, religious, and laity desiring to receive the Father's love in a profoundly personal way.      **Pray Without Ceasing** Fabio Giardini, 1998      **Jewish Guide to Practical Medical Decision-Making** Jason Weiner, 2021-03-01 Due to the rapid advances in the medical field, existing books on Jewish medical ethics are quickly becoming outdated and irrelevant. *Jewish Guide to Practical Medical Decision Making* seeks to remedy that by presenting the most contemporary medical information and rabbinic rulings in an accessible, user-friendly manner. Rabbi Weiner addresses a broad range of medical circumstances, such as surrogacy and egg donation, assisted suicide, and end of life decision making. Based on his extensive training and practical familiarity inside a major hospital, Rabbi Weiner provides clear and concise guidance to facilitate complex decision making for the most common medical dilemmas that arise in contemporary society.      *Philippiniana Sacra*, 1982 Issue for Jan-Apr 1979 called Special issue consists of official proceedings of the International Colloquium on Contextual Theology.      **Christian Meditation in Clinical Practice** Joshua J. Knabb, 2021-11-30 What would it look like to turn to the Christian faith to cultivate meditation practices? Presenting Christian meditation as an alternative to Buddhist-informed mindfulness, this workbook from Dr. Joshua Knabb offers a Christian-sensitive approach to meditation in clinical practice, focusing on both building theory and providing replicable practices for Christian clients and their therapists.      Worship of the Heart Ehud Z. Benor, 2012-02-01 Benor's study offers a systematic Aristotelian account of Maimonides' philosophy of religion that reconciles the ideals of rabbinic Judaism with the sensibilities of a medieval Jewish philosopher. Coherently unifies his work and shows where Maimonides' uncompromising radicalism presents enduring and challenging insights to the history and the philosophy of religion. *Worship of the Heart* explores Maimonides' contribution to the understanding of prayer, examining it against the background of two contrasting notions: dialogue and contemplation. The author argues that Maimonides integrates fundamental elements of these conceptions with his own insights to forge a mediating conception of prayer, a conception as constitutive of a world view.      **Prayer** Stanley James Grenz, 2005 Prayer has always stood at the heart of the manner in

which evangelicals pray But why is petitionary prayer important Grenz presents petitionary prayer as a crucial aspect of the coming of God's kingdom on Earth and challenges the contemporary church to recapture what it means to be a church that prays

God, Family and Sexuality David W. Torrance, 2011-09-22 This timely book addresses the problem of the family in crisis and challenges us to look at family values from a biblical perspective Some of these are hard questions and we will not all agree on how to tackle them but *God Family and Sexuality* is a wonderful place to start Linden Bowing CARE Christian faith should be marked by a distinctive lifestyle Nowhere in our culture is that distinctiveness being challenged more than in the area of sexuality This book is a very welcome contribution from a range of well qualified people who argue convincingly that the future of the church and our civilization are at stake Bill Wallace Convener Church of Scotland Board of Social Responsibility a series of well informed and responsible engagements with questions relating to human sexuality a serious attempt to hear God's word speaking amidst the Babel of voices clamoring for attention on these topics should be read widely within and outside the Christian community in the interest of a genuinely plural and balanced public dialogue Trevor Hart Professor of Divinity University of St Andrews

*Holy Silence* Michael Hickey, 2022-10-14 This book will view the subject of silence through a religious lens while focusing primarily on what I call holy silence *Holy Silence* is both the language of God and the sacred space where we meet God Here we meet God not so much in conversation as much as in communion We live in a world filled with noise and chaos In order to hear God's voice speaking in silence we must physically mentally emotionally and spiritually come apart from the world to listen to God hear and discern what God is saying in silence and then obey

*Exiles* Michael Frost, 2006-08-01 *Exiles* Living Missionally in a Post Christian Culture presents a biblical Christian worldview for the emergent church people who are not at home in the traditional church or in the secular world As exiles of both they must create their own worldview that integrates their Christian beliefs with the contemporary world *Exiles* seeks to integrate all aspects of life and decision making and to develop the characteristics of a Christian life lived intentionally within emerging postmodern culture It presents a plea for a dynamic life affirming robust Christian faith that can be lived successfully in the post Christian world of twenty first century Western society This book will present a Christian lifestyle that can be lived in non religious categories and be attractive to not yet Christians Such a worldview takes ecology and politics seriously It offers a positive response to the workplace the arts feminism mystery and worship *Exiles* seeks to develop a framework that will allow Christians to live boldly and courageously in a world that no longer values the culture of the church but does greatly value many of the things the Bible speaks positively about This book suggests that there is more to being a Christian than meets the eye It explores the secret unseen nooks and crannies in the life of a Christian and suggests that faith is about more than church attendance and belief in God Written in a conversational easy to read style *Exiles* is aimed at church leaders pastors and laypersons and seeks to address complex issues in a simple manner It includes helpful photographs and diagrams
