Sternberg,1999-06-03 In this groundbreaking work Robert Sternberg opens the book of love and shows you how to discover your own story and how to read your relationships in a whole new light What draws us so strongly to some people and repels us from others What makes some relationships work so smoothly and others burst into flames Sternberg gives us new answers to these questions by showing that the kind of relationship we create depends on the kind of love stories we carry inside us Drawing on extensive research and fascinating examples of real couples Sternberg identifies 26 types of love story including the fantasy story the business story the collector story the horror story and many others each with its distinctive advantages and pitfalls and many of which are clashingly incompatible These are the largely unconscious preconceptions that guide our romantic choices and it is only by becoming aware of the kind of story we have about love that we gain the freedom to create more fulfilling and lasting relationships As long as we remain oblivious to the role our stories play we are likely to repeat the same mistakes again and again But the enlivening good news this book brings us is that though our stories drive us we can revise them and learn to choose partners whose stories are more compatible with our own Quizzes in each chapter help you to see which stories you identify with most strongly and which apply to your partner Are you a traveler a gardener a teacher or something else entirely Love is a Story shows you how to find out **Love and Death in the American Novel** Leslie A. **A Time to Love** Billie Cantrell McNabb Maguire,2011-11-01 It was an age of innocence and sometimes ignorance I want to memorialize what a wonderful era it was in which to be a child and to grow old It began as a chronological biography but that was not the way life is lived Stuff happens and rehappens appears and disappears changes and remains the same Thus my memories and emotions became a haphazard collection of short sketches and stories Early on the decision was made to mainly include the good stuff We begin this saga with my grandmother Jenny s story the matriarch of the clan Jenny Cantrell was born October 29 1858 in a farmhouse near Red Sulphur Springs She is one half of a set of twin daughters born to James and Elizabeth Ratliff Mrs Cantrell grew up on a farm in Mercer County near Littleburg One year a young Charlestonian James M Cantrell came to Mercer County to take an interest in the mines They fell in love and at 16 years of age Jenny Ratliff became his bride

*Elsewhen* William Patterson,2005-08 As Mahmood approached them Jimmy saw what was in Mahmood s good hand He knew what it was Mahmood used such devices frequently on his captives and had used such a device on Jimmy before Jimmy screamed louder in rage and frustration I do not want that on my head He tried to move away from Mahmood but made little progress because of the handcuffs Mahmood

reached over to try to put the device on Jimmy bent his head away from Mahmood in order to avoid the device Jimmy was unsuccessful and the device went on When the sphere touched the top of his head it flowed out in all directions assuming a more flattened shape It stuck to his head despite the fact that he used his free hand to try to pull it off He started sobbing All his movements gradually started getting slower and slower He appeared to get weaker and weaker which he was The violent emotions shown on his face became more subdued He began to get lethargic He slowly sank to the floor
