Moral Emotions Anthony J. Steinbock, 2014-03-31 Winner 2015 CSCP Symposium Book Award Moral Emotions builds upon the philosophical theory of persons begun in Phenomenology and Mysticism and marks a new stage of phenomenology Author Anthony J Steinbock finds personhood analyzing key emotions called moral emotions Moral Emotions offers a systematic account of the moral emotions described here as pride shame and guilt as emotions of self givenness repentance hope and despair as emotions of possibility and trusting loving and humility as emotions of otherness The author argues these reveal basic structures of interpersonal experience By exhibiting their own kind of cognition and evidence the moral emotions not only help to clarify the meaning of person they reveal novel concepts of freedom critique and normativity As such they are able to engage our contemporary social imaginaries at the impasse of modernity and postmodernity **Confronting Religious Violence** Catherine M. Christian Humanism and the Moral Imagination tells the tale of Christian theocracy in the West Who converted whom was never entirely clear the empire did stop feeding people to the lions for public entertainment but Christianity was theologically corrupted by its official role in legitimating empire as usual That theological corruption led to crusades inquisitions torture and so forth And it leaves us with a major question is God violent More dangerously yet is violence our only option in response to wrongdoing Are we morally obligated to injure those who have injured others to kill those who have killed others If theocracy is a terrible idea what is the proper relationship between church and state We can't say that the state is never morally accountable at all Furthermore despite constitutional separation of church and state hard right Christian fundamentalism continues to play a culturally significant role in advocating military action abroad and supporting state violence at home There is a lot at stake in reclaiming the systematic nonviolence and moral imagination of Jesus of Nazareth embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100%
