*Works of Love* Robert L. Perkins, 1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book's title is an allusion to the Bible's injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotima's ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded

Thomas Benson Pollock,1894 **Where There Is Love, There Is God** Mother Teresa,2010-08-10 Mother Teresa s relationship with God and her commitment to those she served the poorest of the poor is here powerfully explored in her own words Taken largely from her private lessons to her sisters published here for the first time Where There is Love There is God unveils her extraordinary faith in and surrender to God s will This book is in some way a sequel to Mother Teresa Come Be My Light in which her own very private spiritual struggles were explained Sent to alleviate the sufferings of the poor she assumed their struggles and pain in the depths of her heart This led to particularly intense anguish which she lived through with heroic courage and fidelity over several decades As important as this aspect of her life is that remarkable testimony of her life and her words intensifies the need and desire to know more of her thought There is much she can teach us as we face our daily struggles or sufferings which can at times be unusually severe Where There is Love There is God though not an exhaustive

anthology of Mother Teresa's teaching nonetheless shows what she believed and taught about important issues that confront all people. Due to her constant interaction with people of diverse backgrounds no life situation was foreign to her and in this book her role is primarily one of teacher and guide. Love is perhaps the word that best summarizes Mother Teresa's life and message. The title reflects what she proclaimed during her entire life: God is alive, present, and still loves the world through you and through me. Mother Teresa sought to be an extension of God's heart and hands in the world of today. She was called to be a missionary of charity, a carrier of God's love to each person she met, especially those most in need. Yet she did not think that this was a vocation uniquely hers; each person is in some way called to be a carrier of God's love. Through the practical and timely advice she offers, Mother Teresa sets us on the path to closer union with God and greater love for our brothers and sisters.

**MOTHER TERESA** 1910-1997 was born in Skopje, present-day Macedonia, and joined the Sisters of Loreto in Dublin in 1928. She left the Loreto order in 1948 to begin the Missionaries of Charity in Calcutta. Her service to the poorest of the poor became her life's work. She was awarded the Nobel Peace Prize in 1979 and was beatified in 2003.

**Editor of Mother Teresa Come Be My Light**

**FATHER BRIAN KOLODIEJCHUK** M.C. Ph.D. was associated with Mother Teresa for twenty years and is now director of the Mother Teresa Center, which has offices in California, Mexico, India, and Italy. What you are doing, I cannot do; what I'm doing, you cannot do; but together we are doing something beautiful for God, and this is the greatness of God's love for us. To give us the opportunity to become holy through the works of love that we do, because holiness is not the luxury of the few. It is a very simple duty for you, for me, you in your position, in your work, and I and others, each one of us, in the work in the life that we have given our word of honor to God. You must put your love for God in a living action.

**Mother Teresa: From Where There is Love, There is God**

**The Healing Tree** Ellen Jones, 2014-05. Whom and how we love is an important decision in our lives. Choices we make in love will be choices that affect us for a lifetime. Our love should reflect the personal commitment we have for the other, knowing that this love is a reflection of God's love for us. The puzzle of life is to find the path that can fill our hearts with love, not only for another person but for God.

Lily and Jared find that choosing to love each other is easy, but searching for the path to God's love is a challenge. They need to determine the right decisions to maneuver through their human frailties to embrace God's love. Each will need to use what they experienced in the past to make the proper choice for a joyful and hope-filled future.

*The Freedom of God for Us* Brian D. Asbill, 2014-12-18. This volume provides an analysis of divine aseity in Karl Barth's thought and appreciates the vital role that this doctrine can play in contemporary theology. Brian D. Asbill begins by setting the general theological context first through a broad sketch of the development of Barth's understanding of the relationship between the life of God pro nobis, pronobility, and aseity, and secondly through the examination of the basic theological convictions that guide his approach to the divine being in Church Dogmatics II/1. The second section, The Love and Freedom of God, turns to the dialectical pairings which guide Barth's accounts of the divine reality in his earliest dogmatic cycle, The Göttingen Dogmatics 16-7, as well as in

his most mature treatment Church Dogmatics 28 31 Particular attention is given to how these themes arise from revelation and relate to one another In the final section The Aseity of God Asbill identifies this doctrine s basic features and primary functions Divine aseity is characterized as the self demonstration and self movement of God s life a trinitarian and entirely unique reality a primarily positive and dynamic concept and the manner and readiness of God s love for creatures Divine aseity is said to indicate God s lordship in the act of self binding God s uniqueness in the act of self revelation and God s sufficiency in the act of self giving
