Heather Carver**

Lovingly Georgia:

Lovingly, Georgia Georgia O'Keeffe, Anita Pollitzer, 1990

Georgia Dawn Tripp, 2017-01-17 NATIONAL BESTSELLER

In a dazzling work of historical fiction in the vein of Nancy Horan's *Loving Frank* Dawn Tripp brings to life Georgia O'Keeffe her love affair with photographer Alfred Stieglitz and her quest to become an independent artist This is not a love story If it were we would have the same story But he has his and I have mine In 1916 Georgia O'Keeffe is a young unknown art teacher when she travels to New York to meet Stieglitz the famed photographer and art dealer who has discovered O'Keeffe's work and exhibits it in his gallery Their connection is instantaneous O'Keeffe is quickly drawn into Stieglitz's sophisticated world becoming his mistress protégé and muse as their attraction deepens into an intense and tempestuous relationship and his photographs of her both clothed and nude create a sensation Yet as her own creative force develops Georgia begins to push back against what critics and others are saying about her and her art And soon she must make difficult choices to live a life she believes in A breathtaking work of the imagination Georgia is the story of a passionate young woman her search for love and artistic freedom the sacrifices she will face and the bold vision that will make her a legend Praise for Georgia Complex and original Georgia conveys O'Keeffe's joys and disappointments rendering both the woman and the artist with keenness and consideration The New York Times Book Review As magical and provocative as O'Keeffe's lush paintings of flowers that upended the art world in the 1920s Tripp inhabits Georgia's psyche so deeply that the reader can practically feel the paintbrush in hand as she creates her abstract paintings and New Mexico landscapes Evocative from the first page to the last Tripp's Georgia is a romantic yet realistic exploration of the sacrifices one of the foremost artists of the twentieth century made for love USA Today Sexually charged insightful Dawn Tripp humanizes an artist who is seen in biographies as more icon than woman Her sensuous novel is as finely rendered as an O'Keeffe painting The Denver Post A vivid work forged from the actual events of O'Keeffe's life Tripp imbues the novel with a protagonist who forces the reader to consider the breadth of O'Keeffe's talent business savvy courage and wanderlust She is vividly alive as she grapples with success fame integrity love and family Salon *The Love Lives of the Artists* Daniel Bullen, 2013-02-12 As the oldest of institutions marriage seems outdated in modern times when each individual is encouraged to break with tradition in order to fulfill him or herself And so artists like Diego Rivera and Frida Kahlo seem to be paving the way toward a brave new kind of marriage where spouses would be allowed even encouraged to fulfill different aspects of themselves in outside relationships Shared creativity they believed would transcend their jealousies and compensate their sufferings through art they would rise above conventional marital fidelity and prove a higher fidelity to art and to themselves The Love Lives of the Artists tells the stories of Rainer Maria Rilke and Lou Andreas Salom Alfred Stieglitz and Georgia O'Keeffe Jean Paul Sartre and Simone de Beauvoir Diego and Frida and Henry Miller and Anaïs Nin five couples who approached their relationships with the same rebellious creativity as they practiced in their art From their early artistic development and their first experiences in love to their artistic

marriages and their affairs and then to their fights and reconciliations addictions nervous breakdowns and continued creativity The Love Lives of the Artists describes the promise and the price of freedom and creativity in love Georgia and Anita Liza Bennett, *Alfred Stieglitz* Phyllis Rose, 2019-04-16 A fascinating biography of a revolutionary American artist ripe for rediscovery as a photographer and champion of other artists Alfred Stieglitz 1864 1946 was an enormously influential artist and nurturer of artists even though his accomplishments are often overshadowed by his role as Georgia O'Keeffe's husband This new book from celebrated biographer Phyllis Rose reconsiders Stieglitz as a revolutionary force in the history of American art Born in New Jersey Stieglitz at age eighteen went to study in Germany where his father a wool merchant and painter insisted he would get a proper education After returning to America he became one of the first American photographers to achieve international fame By the time he was sixty he gave up photography and devoted himself to selling and promoting art His first gallery 291 was the first American gallery to show works by Picasso Rodin Matisse and other great European modernists His galleries were not dealerships so much as open universities where he introduced European modern art to Americans and nurtured an appreciation of American art among American artists Introduction to Georgia Writers Bertha Sheppard Hart, 1929 Voices Made Flesh Lynn C. Miller, Jacqueline Taylor, M. Heather Carver, 2003 *Voices Made Flesh* includes scripts and essays about performances of the lives of women such as Gertrude Stein Georgia O'Keeffe and Anus Nin which consider issues that arise when a woman represents another woman's life In the second section seven performers tell their own stories engaging issues of sexual orientation ethnicity race loss of parent disability life and death *Voices* highlights issues of representation identity and staging in autobiographical performance It examines the links between theory and criticism of women's autobiography feminist performance theory and performance practice **Big Wonderful Thing** Stephen Harrigan, 2019-10-01 The story of Texas is the story of struggle and triumph in a land of extremes It is a story of drought and flood invasion and war boom and bust and of the myriad peoples who over centuries of conflict gave rise to a place that has helped shape the identity of the United States and the destiny of the world I couldn't believe Texas was real the painter Georgia O'Keeffe remembered of her first encounter with the Lone Star State It was for her the same big wonderful thing that oceans and the highest mountains are *Big Wonderful Thing* invites us to walk in the footsteps of ancient as well as modern people along the path of Texas's evolution Blending action and atmosphere with impeccable research New York Times best selling author Stephen Harrigan brings to life with novelistic immediacy the generations of driven men and women who shaped Texas including Spanish explorers American filibusters Comanche warriors wildcatters Tejano activists and spellbinding artists all of them taking their part in the creation of a place that became not just a nation not just a state but an indelible idea Written in fast paced prose rich with personal observation and a passionate sense of place *Big Wonderful Thing* calls to mind the literary spirit of Robert Hughes writing about Australia or Shelby Foote about the Civil War Like those volumes it is a big book about a big subject a book that dares to tell the whole glorious gruesome

epically sprawling story of Texas The Living Line Robin Veder,2015-04-07 Robin Veder's *The Living Line* is a radical reconceptualization of the development of late nineteenth and early twentieth century American modernism. The author illuminates connections among the histories of modern art, body cultures, and physiological aesthetics in early twentieth century American culture, fundamentally altering our perceptions about art and the physical and the degree of cross-pollination in the arts. *The Living Line* shows that American producers and consumers of modernist visual art repeatedly characterized their aesthetic experience in terms of kinesthesia, the sense of bodily movement. They explored abstraction with kinesthetic sensibilities and used abstraction to achieve kinesthetic goals. In fact, the formalist approach to art was galvanized by theories of bodily response derived from experimental physiological psychology and facilitated by contemporary body cultures such as modern dance, rhythmic gymnastics, physical education, and physical therapy. Situating these complementary ideas and exercises in relation to enduring fears of neurasthenia, Veder contends that aesthetic modernism shared industrial modernity's objective of efficiently managing neuromuscular energy. In a series of finely grained and interconnected case studies, Veder demonstrates that diverse modernists associated with the Armory Show, the Société Anonyme, the Stieglitz circle, especially O'Keeffe, and the Barnes Foundation participated in these discourses and practices, and that kinesthetic modernism greatly influenced the formation of modern art in America and beyond. This daring and completely original work will appeal to a broad audience of art historians, historians of the body, and American culture in general. **The Right**

Choice Catherine George,2011-07-15 Georgia on his mind. When Georgia arrived in Italy to teach English to young Alessa Valori, she felt everything was heading in the right direction. But the minute she met Luca Valori, Alessa's uncle and the famed ex-motor racing champion, she was thrown completely off track. Should she pretend that she didn't feel the same smoldering desire as Luca and risk a lifetime of regret? Or throw caution to the winds and maybe become just another of Luca's conquests? Whichever road Georgia chose to travel, both were signposted with one clear warning: heartbreak dead ahead. **New**

Trends in Psychobiography Claude-Hélène Mayer, Zoltan Kovary,2019-08-06 This volume offers insights into contemporary trends and perspectives in psychobiographical research. It applies new theoretical and methodological frameworks and presents discourses on psychobiography from transdisciplinary backgrounds and various socio-cultural contexts, displaying the new state of the art, new trends, and themes in psychobiography. The book outlines psychobiography's outstanding contribution to psychology from 36 internationally reputable authors. It also presents the ideas of five outstanding psychobiographers through interview excerpts. This book is a must for researchers, lecturers, and practitioners in the field of psychology and social sciences interested in the use of new psychological theories and methodologies in life-span research.

Central to Their Lives Lynne Blackman,2018-06-20 Scholarly essays on the achievements of female artists working in and inspired by the American South. Looking back at her lengthy career just four years before her death, modernist painter Nell Blaine said, "Art is central to my life. Not being able to make or see art would be a major deprivation." The Virginia native's

creative path began early and during the course of her life she overcame significant barriers in her quest to make and even see art including serious vision problems polio and paralysis And then there was her gender In 1957 Blaine was hailed by Life magazine as someone to watch profiled alongside four other emerging painters whom the journalist praised not as notable women artists but as notable artists who happen to be women In Central to Their Lives twenty six noted art historians offer scholarly insight into the achievements of female artists working in and inspired by the American South Spanning the decades between the late 1890s and early 1960s this volume examines the complex challenges these artists faced in a traditionally conservative region during a period in which women s social cultural and political roles were being redefined and reinterpreted The presentation and its companion exhibition features artists from all of the Southern states including Dusti Bong Anne Goldthwaite Anna Hyatt Huntington Ida Kohlmeyer Lo s Mailou Jones Alma Thomas and Helen Turner These essays examine how the variables of historical gender norms educational barriers race regionalism sisterhood suffrage and modernism mitigated and motivated these women who were seeking expression on canvas or in clay Whether working from studio space in spare rooms at home or on the world stage these artists made remarkable contributions to the art world while fostering future generations of artists through instruction incorporating new aesthetics into the fine arts and challenging the status quo Sylvia Yount the Lawrence A Fleischman Curator in Charge of the American Wing at the Metropolitan Museum of Art provides a foreword to the volume Contributors Sara C Arnold Daniel Belasco Lynne Blackman Carolyn J Brown Erin R Corrales Diaz John A Cuthbert Juilee Decker Nancy M Doll Jane W Faquin Elizabeth C Hamilton Elizabeth S Hawley Maia Jalenak Karen Towers Klacsmann Sandy McCain Dwight McInvaill Courtney A McNeil Christopher C Oliver Julie Pierotti Deborah C Pollack Robin R Salmon Mary Louise Soldo Schultz Martha R Severens Evie Torrono Stephen C Wicks Kristen Miller Zohn

Walking Well Michael J. Gelb,Bruce Fertman,2024-09-03 You wouldn t think that you need experts to tell you if and how walking is good for you but we were surprised at how full of contemplative practices and vision these 200 pages were A Spirituality Practice Best Spiritual Book of 2024 Walking is good for you It can regulate weight improve sleep elevate mood transform stress and boost creativity Most people want to walk more But what if the key isn t just to walk more but to walk better Walking Well presents a three part journey that will guide you to discover more comfort vitality and inspiration in every step Filled with simple practical guidance from authors with over a hundred years of collective experience in teaching people how to move well this book not only improves how we walk but reveals how much is possible for us once we know how to walk well

An Unfinished Revolution Marguerite Kearns,2021-06-01 Through the lens of one family s history An Unfinished Revolution tells the story of the suffrage movement and the ongoing struggle for women

s rights in the United States The book opens with ten year old Marguerite Kearns listening to her grandfather Wilmer s stories about how he met her grandmother Edna a ninth generation Quaker and ardent suffrage campaigner and how he fell in love with her Wilmer who became a male suffrage activist himself also shares the story of the Spirit of 1776 suffrage campaign wagon that Edna and others used while organizing in New York State in 1913 After sitting for years in a Kearns family garage the wagon is currently housed in the permanent collection of the New York State Museum as a prime artifact in the national suffrage movement As Marguerite grows older she draws on a wide variety of sources from family stories and photographs to archives and scholarly histories to piece together the real life narrative of her family Profoundly changed in the process she becomes an activist herself and when she marches in a present day women s march she carries a photo of her grandparents participating in a 1914 women s march in New York With the women s suffrage movement as the backdrop this memoir and family history illuminates how activism passes from one generation to another and how a horse drawn suffrage campaign wagon became a symbol of freedom and equality **Texas Sky** Wyman Meinzer,1998 Declared Texas State Photographer for 1997 the author celebrates his native state with a collection of some 114 pages of color photographs along with a thoughtful accompanying essay by John Graves that captures the essence of Texas UP Czechs Won't Get Lost in the World, Let Alone in America Miloslav Rechcigl Jr.,2018-05-02 This book features a panorama of the lives of selected personalities whose roots had origin in the Czech lands and who in the US reached extraordinary success and who with their activities substantially influenced the growth and development of their new homeland It is a saga of plain as well as powerful people whose influence and importance often exceeded the borders of the US A great portion of included individuals may be unknown to readers since it concerns persons whose Czech origin was usually not known The book covers the total period from the times of the discovery of New World to the end of the twentieth century During the selection little concern was given to nationalistic or ethnographic criteria the only prerequisite was that the respected individuals were either born on the territory of the Czech lands or were descendants of emigrants from the Czech lands The image on the front cover is a portrait of Augustine Herman Lord of Bohemia Manor the first documented Czech immigrant in the United States The portrait comes from his famous Map of Maryland and Virginia dated 1670 The colorful story of his life would be unbelievable if made into a movie Pioneer merchant explorer surveyor map maker patriot rebel diplomat and finally Lord Read more about him in the book Making the Detective Story American J.K. Van Dover,2010-04-19 This critical text examines the fiction of Earl Derr Biggers S S Van Dine and Dashiell Hammett during a crucial half decade when they transformed the detective story The characters they created including Charlie Chan Philo Vance and the Continental Op represented a new style of detective solving crimes in fresh ways Their successes would push crime and detective fiction in startling and rejuvenating directions Topics covered include the highbrow detective the ethnic detective the exploitation of contemporary sensations and the exploitation of women Instructors considering this book for use in a course may request an examination copy here

Suffrage Ellen Carol DuBois, 2021-02-23 Honoring the 100th anniversary of the 19th amendment to the Constitution this indispensable book Ellen Chesler Ms magazine explores the full scope of the movement to win the vote for women through portraits of its bold leaders and devoted activists Distinguished historian Ellen Carol DuBois begins in the pre Civil War years with foremothers Lucretia Mott Elizabeth Cady Stanton Susan B Anthony and Sojourner Truth as she meticulously and vibrantly chronicles Booklist the links of the woman suffrage movement to the abolition of slavery After the Civil War Congress granted freed African American men the right to vote but not white and African American women a crushing disappointment DuBois shows how suffrage leaders persevered through the Jim Crow years into the reform era of Progressivism She introduces new champions Carrie Chapman Catt and Alice Paul who brought the fight to the 20th century and she shows how African American women led by Ida B Wells Barnett demanded voting rights even as white suffragists ignored them DuBois explains how suffragists built a determined coalition of moderate lobbyists and radical demonstrators in forging a strategy of winning voting rights in crucial states to set the stage for securing suffrage for all American women in the Constitution In vivid prose DuBois describes suffragists final victories in Congress and state legislatures culminating in the last most difficult ratification in Tennessee Ellen DuBois enables us to appreciate the drama of the long battle for women s suffrage and the heroism of many of its advocates Eric Foner author of *The Second Founding How the Civil War and Reconstruction Remade the Constitution* DuBois follows women s efforts to use their voting rights to win political office increase their voting strength and pass laws banning child labor ensuring maternal health and securing greater equality for women *Suffrage Women s Long Battle for the Vote* is a comprehensive history that deftly tackles intricate political complexities and conflicts and still somehow read with nail biting suspense *The Guardian* and is sure to become the authoritative account of one of the great episodes in the history of American democracy Calling Texas Home Wells Teague, 2000 This colorful trove of facts trivia and historical tidbits on the Lone Star gives the lowdown on the sprawling state and tells the story of its people
