Lovingly Alice:

Lovingly Alice Phyllis Reynolds Naylor, 2012-09-04 Fifth grade is tumultuous for Alice as she tries to help others through the many changes occurring at home and in school including learning about sex when Rosalind gets her period and shares a book that explains what is happening *Lovingly Alice*, 2012 **Now I'll Tell You Everything** Phyllis Reynolds Naylor, 2014-09-02 Includes a reading group guide for the Alice series *Child Autonomy and Child Governance in Children's Literature* Christopher Kelen, Bjorn Sundmark, 2016-11-18 This book explores representations of child autonomy and self governance in children's literature The idea of child rule and child realms is central to children's literature and childhood is frequently represented as a state of being with children seen as aliens in need of passports to Adultland and vice versa In a sense all children's literature depends on the idea that children are different separate and in command of their own imaginative spaces and places Although the idea of child rule is a persistent theme in discussions of children's literature or about children and childhood the metaphor itself has never been properly unpacked with critical reference to examples from those many texts that are contingent on the authority and or power of children Child governance and autonomy can be seen as natural or perverse it can be displayed as a threat or as a promise Accordingly the child rule motif can be seen in Robinsonades and horror films in philosophical treatises and in series fiction The representations of self ruling children are manifold and ambivalent and range from the idyllic to the nightmarish Contributors to this volume visit a range of texts in which children are in various ways empowered discussing whether childhood itself may be thought of as a nationality and what that may imply This collection shows how representations of child governance have been used for different ideological aesthetic and pedagogical reasons and will appeal to scholars of children's literature childhood studies and cultural studies

Isle Be Seeing You SANDY BEECH, 2012-12-11 I'm at the end of my rope Like getting shipwrecked and surviving a hurricane weren't bad enough Now I've got to support my sort of boyfriend's plan to get off this island even though I think his idea's kinda lame But with everything going so well between us I don't want to rock the boat or make waves well you know what I mean Especially with Evil Angela supporting Josh's plan all the way I wish I knew what to do The stakes are pretty high now And I can't help wondering if maybe just maybe there's another way to get back home **Poetics and Ethics of Anthropomorphism** Christopher Kelen, Jo Chengcheng, 2021-10-24 Poetics and Ethics of Anthropomorphism Children Animals and Poetry investigates a kind of poetry written mainly by adults for children Many genres including the picture book are considered in asking for what purposes animal poetry is composed and what function it serves Critically contextualising anthropomorphism in traditional and contemporary poetic and theoretical discourses these pages explore the representation of animals through anthropomorphism anthropocentrism and through affective responses to other than human others Zoomorphism the routine flipside of anthropomorphism is crucially involved in the critical unmasking of the taken for granted textual strategies dealt with here With a focus on the ethics entailed in poetic relations between children

and animals and between humans and nonhumans this book asks important questions about the Anthropocene future and the role in it of literature intended for children Poetics and Ethics of Anthropomorphism Children Animals and Poetry is a vital resource for students and for scholars in children s literature Flight of the Dragon Kyn Susan Fletcher,2009-10-27 There is a story about Kara and dragons When she was four she came down with vermillion fever Her parents thinking there was no cure left her in a cave to die A month later she walked back into her parents home as healthy as if she had never been sick It is said that a mother dragon lived in that cave and she nursed young Kara back to life Now eleven years later the only reminder of Kara s illness is a small scar on her cheek Of her contact with the dragon there is more Her eyes which once were blue are now green And she can call down birds which many believe is a sign that she can also call down dragons for the two are distant cousins Only Kara has her doubts How can a beast as huge and terrifying as a dragon be related to a sweet gentle bird But could this explain why the king has sent for her Does he think she has power over dragons For Kara the answer to this question means life or death not only for her but for all the dragons Children: the Challenge Rudolf Dreikurs,Vicki Stolz,1991-12-26 Children The Challenge gives the key to parents who seek to build trust and love in their families and raise happier healthier and better behaved children Based on a lifetime of experience with children their problems their delights their challenges Dr Rudolf Dreikurs one of America s foremost child psychiatrists presents an easy to follow program that teaches parents how to cope with the common childhood problems that occur from toddler years through early adolescence This warm and reassuring reference helps parents to understand their children s actions better giving them the guidance necessary to discipline lovingly and effectively all while fostering a healthy environment in which children will grow and develop into successful teenagers and adults Gary Cooper Jeffrey Meyers,2001 This definitive biography of a Hollywood icon portrays Gary Cooper as a man of complex and sophisticated tastes as well as large appetites How to Get the Part...Without Falling Apart! Sexual Content in Young Adult Literature Bryan Gillis,Joanna Simpson,2015-02-10 Though discussing sexual material in novels aimed at the young adult market may make some individuals blush the authors of such fiction often seek to represent a very real component in the lives of many teens Unfortunately authentic and teen relatable information on healthy adolescent sexuality is not readily available and sex education classes have had a minimal effect on positive sexual identity development Consequently young adult literature that contains sexual elements can play a critical role in addressing the questions and concerns of teens In *Sexual Content in Young Adult Fiction* Reading between the Sheets Bryan Gillis and Joanna Simpson examine sexual material in canonical historical dystopian romantic and realistic contemporary fiction for teens The authors begin with an exploration of sexual identity development and discuss the constructive influence that realistic representations of teen sexual behavior can have on that development The authors provide a myriad of texts and examples that will help parents teachers and librarians better understand the positive role that sexual content in YA fiction can play in the socio emotional and academic development of adolescents The book concludes with an overview and analysis of censorship in the world of young adult fiction In addition to providing a survey of sexual content in young adult literature this book can help inspire adults to facilitate effective and responsible discussions about young adult fiction that contains sexual material Featuring a novels cited and works cited bibliography *Sexual Content in Young Adult Fiction* is an important resource that parents and educators will find particularly valuable **Secret of the Spa** Carolyn Keene,2012-05-01 When I scored tickets to the grand opening of a new spa in town I knew I had to take Bess George came along too but she s been acting so weird I knew this wouldn t be her idea of a total blast but she s just been no fun at all It s unlike her to be such a grouch But then this new spa isn t turning out to be much fun either Deirdre s here for starters And someone s tampering with the food and trying to take the luxury out of this otherwise luxurious place Something stinks in this spa and if I can t sniff it out my name s not Nancy **Roxie and the Hooligans** Phyllis Reynolds Naylor,2013-11-05 Do not panic Lord Thistlebottom s *Book of Pitfalls and How to Survive Them* has taught Roxie Warbler how to handle all sorts of situations If Roxie s ever lost in the desert or buried in an avalanche or caught in a dust storm she knows just what to do But Lord Thistlebottom has no advice to help Roxie deal with Helvetia s Hooligans the meanest band of bullies in school Then Roxie
