Loyal And The Disloyal:

J. Hofmeyr, Rice, Bernard J. Rice, Butch Rice, Hofmeyr, 2003-01-01 Keeping and gaining market share is what most businesses strive for in the race to make brands profitable In a hugely competitive world customer loyalty has become a key area for concern What would happen if you could go one step further and identify not just those customers who are loyal to your brand but those who are truly committed to your product or service This book helps you to do just that Over ten years ago Jannie Hofmeyr and Butch Rice created something called The Conversion Model a technique that analyses the degree of a person's psychological commitment to anything and everything Marketers will be able to gain a strategic advantage within their market if they implement the thinking tools and strategies outlined through the use of The Conversion Model in this book

The Loyal and the Disloyal, 1956 **Loyalty and Disloyalty** David Knowles, 2013 The theme of this book is simple 250 000 years ago the Group and Loyalty to it was our whole world was everything because without it you would starve to death or be killed by predators Loyalty to the Group was everything and Disloyalty was a crime the only crime Here the author proposes that same Disloyalty projected forward into the enormous groups called countries we live in today must still be the basis of mosts if not all crimes Therefore Loyalty and Disloyalty must also lie at the core of human morality

Employee Loyalty Stephan Meschke, 2021-02-18 This book aims to provide a deeper understanding of the concept and negative outcomes of employee loyalty considering employees in organizations and OB theory and comparing employee experiences across both European and East Asian cultures Through an international analysis of employee loyalty within the service industry the author highlights the importance of this highly relevant but often overlooked topic to addressing practical issues such as conflict solution employee retention service mentality and work effort Building on a clear definition and evaluation of the concept of employee loyalty this book explores meaningful theoretical and practical implications of employee views of the organization working group and supervisor

Loyalty to Loyalty: Josiah Royce and the Genuine Moral Life Mathew A. Foust, 2012-07-02 This work engages Royce's moral theory revealing how loyalty rather than being just one virtue among others is central to living a genuinely moral and meaningful life Foust shows how the theory of loyalty Royce advances can be brought to bear on issues such as the partiality impartiality debate in ethical theory

Loyalty Bob Sorge, 2004 This book sounds a bold call for loyalty to God and to God's Davids God's Davids are leaders male and female who are safest to follow because of their unwavering passion to be intimate with Christ God is turning the hearts of fathers to the children and giving the children a heart of loyalty to the fathers Knowing the power of loyalty to produce Kingdom blessing at every level Satan has done everything in his power to give this subject a bad reputation But today's generation isn't buying it anymore Now more than ever the bride of Christ is giving her heart with intense loyalty to her Beloved and preparing eagerly for His return Get ready this book could rock your world
