Loyal Unto Death:

Loyal Unto Death, 1873 *Loyal Unto Death* Keith Brown, 2013-04-12 The story of the Macedonian Revolutionary Organization MRO from its rise until the Ilinden Uprising of 1903 a fascinating account PoLAR The underground Macedonian Revolutionary Organization recruited and mobilized over 20 000 supporters to take up arms against the Ottoman Empire between 1893 and 1903 Challenging conventional wisdom about the role of ethnic and national identity in Balkan history Keith Brown focuses on social and cultural mechanisms of loyalty to describe the circuits of trust and terror webs of secret communications and bonds of solidarity that linked migrant workers remote villagers and their leaders in common cause Loyalties were covertly created and maintained through acts of oath taking record keeping arms trading and in the use and management of deadly violence This book is to my mind exactly the kind of work that needs to be done in order to understand civil wars insurgencies nationalism and rebellions and to get away from what the author rightfully critiques as pidgin social science Chip Gagnon Ithaca College An innovative work that should inspire debate Slavic Review A subtle and compelling account of revolutionary insurgency in turn of the century Macedonia His analytical focus on loyalties rather than identities goes beyond critiques of nationalism in enabling powerful new understandings of the region s histories and its continuing social dynamics Jane K Cowan University of Sussex **Be Thou Faithful Unto Death** Dag

Heward-Mills, 2022 To be faithful unto death is to not give up all your life To be faithful unto death is to be loyal constant the same unwavering and unchanging until death As you continue in your service to the Lord you will surely come across the occasion to stumble to fall and to be unfaithful Jesus even warns us in Matthew 18 7 that it must needs be that offences come Many people run a race and get to a place where they suddenly fall and crash to the ground for one reason or the other Stumbling blocks can make it impossible to reach the expected end This is what you have to prevent Make sure you do not fall to the ground and crash out of the race Those are the standards of our Saviour and it is important that you believe in them and practice them This timely book by celebrated author Dag Heward Mills will spur you on to stay faithful until the very end **Wenzel's Inheritance, Or, Faithful Unto Death** Annie Lucas, 1880 Herbert Pelham; or, Faithful unto death.
